The Rough Guide to the Titanic Greg Ward, 2012-03-22 A century after the most famous shipwreck in history, *The Rough Guide to the Titanic* tells the full compelling story of the supposedly unsinkable liner. A comprehensive history, it covers all the Titanic's final hours, from striking the iceberg to disappearing beneath the freezing Atlantic waters. Discover the epic human drama at the heart of the tragedy, with a rich cast of characters including the heroes, villains and victims aboard the Titanic,

and the adventurers who re-discovered it in 1985. Plus, there are maps, diagrams and images to illustrate the saga at every turn. The focus also stretches backwards the people who built the Titanic - with their faith in progress and technology - and forwards to explore the controversies and conspiracy theories that have raged ever since its sinking. The Rough Guide to the Titanic also looks at quite why everybody appears to be so fascinated by the Titanic, and the books, music and movies that have kept its memory alive ever since - from the stiff upper lips of 1958's *A Night To Remember* to the tear jerking romance of James Cameron's *Titanic*.

How to Survive the Titanic or The Sinking of J. Bruce Ismay Frances Wilson, 2011-08-15
Books have been written, films made, we have raised the Titanic and watched her go down again on numerous occasions, but out of the wreckage Frances Wilson spins a new epic: when the ship hit the iceberg on 14 April 1912 and a thousand men prepared to die, J Bruce Ismay, the ship's owner and inheritor of the White Star fortune, jumped into a lifeboat with the women and children and rowed away to safety. Accused of cowardice, Ismay became, according to one headline, 'The Most Talked-of Man in the World'. The first victim of a press hate campaign, his reputation never recovered and while other survivors were piecing together their accounts, Ismay never spoke of his beloved ship again. With the help of that great narrator of the sea, Joseph Conrad, whose Lord Jim so uncannily predicted Ismay's fate - and whose manuscript of the story of a man who impulsively betrays a code of honour and lives on under the strain of intolerable guilt went down with the Titanic - Frances Wilson explores the reasons behind Ismay's jump, his desperate need to make sense of the horror of it all, and to find a way of living with lost honour. For those who survived the Titanic the world was never the same again. But as Wilson superbly demonstrates, we all have our own Titanics, and we all need to find ways of surviving them.

Titanic Survivor Violet Jessop, 2012-04-04 Violet Jessop's life is an inspiring story of survival. Born in 1887 in Argentina, the eldest child of Irish immigrants, at the age of 21 she became the breadwinner for her widowed mother and five siblings when she commenced a career as a stewardess and nurse on some of the most famous ocean going vessels of the day. Throughout her 40 year time at sea she survived an unbelievable series of events including the sinking of the TITANIC. “One awful moment of empty, misty blackness enveloped us in its loneliness, then an unforgettable, agonizing

cry went up from 1500 despairing throats, a long wail and then silence and our tiny craft tossing about at the mercy of the ice field.” For most people one sinking would be enough. But four years later Violet, now a nurse with the British Red Cross, was on board the World War I hospital ship BRITANNIC when it struck a mine and sank to the bottom of the Aegean. To her, this disaster was even more horrifying-- “Just as life seeming nothing but a whirling, choking ache, I rose to the light of day, my nose barely above the little lapping waves. I opened my eyes on an indescribable scene of slaughter, which made me shut them again to keep it out. By the end of her story we have a met a woman who could handle whatever life threw at her with determination and good humor. She knew that only by her own strength of character would she survive. But Titanic Survivor is much more. A unique autobiography for those who want to know how it really felt, a story that could be told only by a Titanic Survivor.
