*Improving Healthcare Quality in Europe Characteristics, Effectiveness and Implementation of Different Strategies* OECD, World Health Organization, 2019-10-17 This volume, developed by the Observatory together with OECD, provides an overall conceptual framework for understanding and applying strategies aimed at improving quality of care. Crucially, it summarizes available evidence on different quality strategies and provides recommendations for their implementation. This book is intended to help policy-makers to understand concepts of quality and to support them to evaluate single strategies and combinations of strategies.

*Teaching and Learning the European Union* Stefania Baroncelli, Roberto Farneti, Ioan Horga, Sophie Vanhoonacker, 2013-10-04 This volume examines the EU's changing educational context and its challenges. Based on an extensive survey of more than 2000 European Studies courses in 30 European countries, it maps and analyses the features of teaching methodologies as they emerge from both disciplinary as well as interdisciplinary curricula. It presents a series of case studies on some of the most-used innovative teaching tools emerging in the field such as simulation games, e-learning, problem based

learning, blended learning, and learning through the use of social networks. Based on the contributors' own experiences and academic research, the book examines both strengths and possible pitfalls of these increasingly popular methods. The book's critical approach will inspire educators and scholars committed to improving the teaching methods and tools in the area of European Studies and other programmes of higher education facing similar challenges.

**The Ultimate EU Test Book** András Baneth, 2013 The Ultimate EU Test Book - ASSISTANT edition 2013 is designed to help candidates prepare for the European Personnel Selection Office (EPSO) AST-level selection competitions for jobs in the EU institutions. **Meta-Geopolitics of Outer Space** N. Al-Rodhan, 2012-05-11 Al-Rodhan sheds new light on the debate about the geopolitics of outer space, going beyond applying traditional International Relations approaches to space power and security by introducing a multidimensional spatial framework. The meta-geopolitics framework includes space and expands classical power considerations to cover seven state capacities.

**The Financial Diet** Chelsea Fagan, Lauren Ver Hage, 2018-01-02 A guide to personal finance that will help teach budgeting skills, stocking a budget-friendly kitchen, talking to friends about money, investing, and more.

*Water Management at Abandoned Flooded Underground Mines* Christian Wolkersdorfer, 2008-02-01 This book addresses the processes related to mine abandonment from a hydrogeological perspective and provides a comprehensive presentation of water management and innovative tracer techniques for flooded mines. After an introduction to the relevant hydrogeochemical processes the book gives detailed information about mine closure procedures. The book also includes case studies and hints, and some new methodologies for conducting tracer tests in flooded mines.

The Ultimate EU Career Development Book Jan De Sutter, 2016-04-22 This book is for all EU staff, at all levels, permanent, temporary or contract – and indeed anyone with ambitions to work in the European administration. It shows how to evaluate and improve your personal performance in the EU 'core competencies' – for greater job satisfaction, positive performance reviews and career success. Coach, trainer and former EU official Jan De Sutter draws on the best ideas and practice in current management thinking and applies them to the specific context of EU institutions, explaining how the various competencies fit into the EU system for staff selection, appraisal and promotion. The book includes self-assessment worksheets to allow you to discover your strengths and weaknesses and create a personal action plan. In addition, a specially created FREE ONLINE TOOLKIT accompanying the book allows you to do your self-assessment easily online, automatically generating a personalised competency passport and priorities for action. You can even, if you wish, get anonymised 360-degree feedback from family, friends and colleagues so you can compare your self-assessment with other people's evaluation of you! Using the book and free online toolkit in conjunction, you have a complete package for understanding the competencies, evaluating your own performance and planning your personal development needs.

The A Swing David Leadbetter, Ron Kaspriske, 2015-05-12 The national bestselling golf instructional, The A Swing, created by the world's #1 instructor to help golfers consistently hit good shots. David Leadbetter is the most recognized golf instructor in the history of the game. His book, The

A Swing, is an evolution of his swing theories that have successfully helped thousands of golfers globally. His tour players, whom he has coached over the years, have amassed 19 major golf championships. David has been prolific during his 30+ year career in producing books, videos, teaching aids that have inspired golfers of every level to reach their potential. The A Swing - A stands for Alternative - is a simple way to swing the club, which follows biomechanically sound, scientific principles, and only requires minimal practice. The A Swing has been thoroughly tested with a wide range of players, from tour level to beginner, junior to senior, and the results overall have been nothing short of dramatic. The A Swing is a way to develop a consistent, repetitive motion which will improve accuracy and distance, and is easy on the body. It will fix many of golf's common faults, and the book takes you through an easy, step-by-step approach. With over 200 illustrations, easy drills, and the 7-Minute Practice Plan, golfers now have the opportunity to play the way they've always dreamed of. Golf is a frustrating game, even for the top players, but the A Swing will make it easier and more fun. It could really change the way the game has been taught, which hasn't changed for years - it is not an exact method, and has leeway for individualism. David is excited that the A Swing will help golfers the world over enjoy the game more. In essence, the A Swing is a shortcut to great golf. Whatever your level of play is now, whatever your goals, however you've been struggling with the game, the A Swing could change your golfing life.

**Performance Management in International Organizations** Marco Amici, Denita Cepiku, 2020-04-23 This book provides a multilevel system analysis of performance in the production of global public goods, as well as a tailored analysis of the specific features of performance management systems in international organizations. The book compares performance management systems across a number of international organizations, including the European Union and the Organization for Economic Cooperation and Development (OECD).

**Particle Swarm Optimization** Maurice Clerc, 2013-03-04 This is the first book devoted entirely to Particle Swarm Optimization (PSO), which is a non-specific algorithm, similar to evolutionary algorithms, such as taboo search and ant colonies. Since its original development in 1995, PSO has mainly been applied to continuous-discrete heterogeneous strongly non-linear numerical optimization and it is thus used almost everywhere in the world. Its convergence rate also makes it a preferred tool in dynamic optimization.

**Jake and the Dynamo** D. G. D. Davidson, 2021-08 Jake Blatowski can't wait for high school--basketball, calculus, and a cafeteria that isn't under investigation by the health department. But he'll have to wait: A computer malfunction has assigned him to the fifth grade! It's bad enough that he bangs his knees on the desks or that Miss Percy is going over long division . . . again . . . but Jake has to sit next to Dana Volt, a perpetually surly troublemaker determined to make his life a living hell. Worse yet, Dana secretly belongs to a coalition of girls that protects humanity from the horde of deadly monsters plaguing the city--monsters that have chosen Jake as their next target! Jake's no hero; he just wants to make it to varsity tryouts. But now the impulsive and moody Dana is the only one who can save Jake from certain death--and Jake is the only one who can save Dana from herself.

**The Flower of Battle** ,2018-07-12 The Flower of Battle is Colin Hatcher's translation of Fiore dei Liberi's art of combat from the early 15th century. The work included high-resolution images and English text laid out in the manner of the original.

**The Ever-changing Union** Christian Egenhofer,Sebastian Kurpas,Louise van Schaik,2009 The Ever-Changing Union provides a concise overview of the EU's history, institutional structures and decision-making processes. As such, its aim is not to cover the breadth or complexity of information that can now be found in EU text books; this overview should provide the reader with all the information required to gain access to a complex institutional system that has been changing ever since its creation. In the first section the European integration process is described from its beginnings in the early 1950s to the current ratification problems of the Treaty of Lisbon. A second part presents the EU's main institutions with their distinct features and a third explains how these institutions interact within the European decision-making process as a whole. In addition, the Reader includes an overview of fundamental principles of the European integration process, a comparison between the EU and federalist systems, the basic features of the EU budget and the key innovations to be introduced by the Treaty of Lisbon. The book is written for those with an initial or occasional interest in European policies and politics. More particularly, the authors believe it to be useful for civil servants, diplomats, businesses, NGO representatives as well as students and scholars who encounter the European Union in their work.

**The Essential Oils Menopause Solution** Mariza Snyder,2021-04-20 Alleviate the symptoms of perimenopause and menopause with simple and safe DIY diffusions, tonics, and tinctures made with essential oils, from “a true innovator and thought leader in the field of women’s hormone health” (JJ Virgin, New York Times bestselling author of The Virgin Diet). What if menopause didn’t have to be a struggle? Your body is always changing—necessarily and beautifully—throughout life. During menopause, however, declining ovarian function and fluctuating hormones often clash with environmental toxins, stress, and digestive distress, leading to the symptoms we have been told we should expect: hot flashes, weight gain, brain fog, low libido, and irritability. But as women’s hormonal health expert and bestselling author Dr. Mariza Snyder explains, you can and deserve to experience a good night’s sleep, clear thinking, stable moods, an energized metabolism, and pain-free sex. The solution is not to medicate the changes, but instead get to the root cause of what’s really going on in the body. In The Essential Oils Menopause Solution, Dr. Mariza offers a cutting-edge, comprehensive plan to do just that, including: • a clear explanation of what’s happening in your body before, during, and after “the change,” and how certain lifestyle triggers exacerbate hormonal imbalance. • the latest science behind the benefits of essential oils as safe, effective solutions for perimenopause and menopause symptoms. • more than 75 recipes and

protocols designed to provide solutions for deep, restful sleep, anxiousness, mood swings, fatigue, hot flashes, low libido, brain fog, vaginal dryness, digestive distress, and much more. • a proven 21-day hormone-balancing program complete with meal plans, exercise recommendations, supplementation, and herbal therapies designed to reverse the myriad of symptoms affecting millions of women today. • easy self-care rituals to support every system of your body—from digestion and vaginal health to mitochondrial and liver function—throughout the perimenopausal and menopausal transition. Dr. Mariza Snyder is committed to helping women feel their best; her work is dedicated to solutions that heal a woman's health from the ground up. In as little as twenty-one days, The Essential Oils Menopause Solution will help you reclaim vibrant, optimal, and long-lasting health.

Histories of the Hidden God April D DeConick, Grant Adamson, 2016-04-08 In Western religious traditions, God is conventionally conceived as a humanlike creator, lawgiver, and king, a being both accessible and actively present in history. Yet there is a concurrent and strong tradition of a God who actively hides. The two traditions have led to a tension between a God who is simultaneously accessible to humanity and yet inaccessible, a God who is both immanent and transcendent, present and absent. Western Gnostic, esoteric, and mystical thinking capitalizes on the hidden and hiding God. He becomes the hallmark of the mystics, Gnostics, sages, and artists who attempt to make accessible to humans the God who is secreted away. 'Histories of the Hidden God' explores this tradition from antiquity to today. The essays focus on three essential themes: the concealment of the hidden God; the human quest for the hidden God, and revelations of the hidden God.
