A Spool of Blue Thread Daily Books,2016-05-12 A Spool of Blue Thread: by Anne Tyler | Conversation Starters A Spool of Blue Thread features a typical family settled for a couple of generations in a house built by their grandfather. While they appear to be happy and united to outsiders, cracks gradually develop in the unity of the family. As we probe even further, it is shown that the family never had the kind of background people thought. In short, appearances can be deceiving, and families find a way to work despite all the problems they face. The underlying message of the book is that families can be defined by their individual members, but also by all the joys, sorrows, quirkiness, and events that take place within them. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to.. Thread and Other Stories Eric Halpenny,2017-07-13 Thread and Other Stories is a multi-genre collection of short stories (single author) that includes science fiction, fantasy, urban fiction, literary fiction, historical fiction, and espionage. There are seven stories in the collection. Prudence and her older brother Yannick face extreme poverty and hardship in Thread. They live day to day on the wages they earn at low paying, difficult jobs. They face hardships that seem insurmountable for two young children. Isidore, an impoverished boy trying to survive on his own, enters their lives with even greater needs than Prudence and Yannick. They integrate him into their family life even as their world begins to crumble around them. But, there is an ominous backdrop to these events as strange entities take a keen interest in the lives of the three children. A military psychologist evaluates a Vietnam war veteran who has experienced psychological damage in Shrink. The veteran's fellow soldiers and friends must support him as the psychologist

attempts to uncover the reasons behind his trauma. Emil, Annie, and their three children--Zona, Owen, and Abner--struggle to stay safe in a steampunk-inspired fantasy world in *Chance*. Abner finds himself in trouble as a powerful magical being terrorizes the family farm. Only Zona's quick thinking along with her parents' knowledge of magic will give them a chance against the dark sorcery of the enemy. John and Greg, bound by friendship, embark on a journey of trial and tragedy in *Conflict*, a 20th Century historical fiction. They must deal with death, loss, and grief as compatriots fall in battle during this poignant snapshot of the Canadian military in World War I. John and Greg show a contrast in the ways that these soldiers adapted to the psychological effects of war. Veera, an astrophysicist, begins to experience recurring déjà vu, the source of which she cannot determine in *Oversight*, a science fiction adventure. She is unknowingly set on a collision course with Misha, who challenges Veera's perception of the world as she struggles to determine what is real and what isn't. Misha must deal with his own psychological demons as he tries to salvage a failing mission that will either end in glory or in his own death. Dmitry is a hardened spy in the Cold War who has no mercy for his adversary Olyesa in the espionage thriller *Deception*. Olyesa and Dmitry navigate their way through the murky waters of agents and double agents while simultaneously struggling against each other for survival. When their divergent plans collide, it threatens to destroy them both. Explore a metaphysical debate in the literary short story

Conversation, which is woven between each of the short stories in this collection. An unnamed protagonist and an unidentified and secretive entity discuss the metaphysical and spiritual meaning behind science and what it means to gain knowledge.

1898 Taína Caragol, Kate Clarke Lemay, Carolina Maestre, 2023-12-12 A revealing look at U.S. imperialism through the lens of visual culture and portraiture In 1898, the United States seized territories overseas, ushering in an era of expansion that was at odds with the nation's founding promise of freedom and democracy for all. This book draws on portraiture and visual culture to provide fresh perspectives on this crucial yet underappreciated period in history. Taína Caragol and Kate Clarke Lemay tell the story of 1898 by bringing together portraits of U.S. figures who favored overseas expansion, such as William McKinley and Theodore Roosevelt, with those of leading figures who resisted colonization, including Eugenio María de Hostos of Puerto Rico; José Martí of Cuba; Felipe Agoncillo of the Philippines; Padre Jose Bernardo Palomo of Guam; and Queen Lili'uokalani of Hawai'i. Throughout the book, Caragol and Lemay also look at landscapes, naval scenes, and ephemera. They consider works of art by important period artists Winslow Homer and Armando Menocal as well as contemporary artists such as Maia Cruz Palileo, Stephanie Syjuco, and Miguel Luciano. Paul A. Kramer's essay addresses the role of the Smithsonian Institution in supporting imperialism,

and texts by Jorge Duany, Theodore S. Gonzalves, Kristin L. Hoganson, Healoha Johnston, and Neil Weare offer critical perspectives by experts with close personal or scholarly relations to the island regions. Beautifully illustrated, 1898: Visual Culture and U.S. Imperialism in the Caribbean and the Pacific challenges us to reconsider the Spanish-American War, the Philippine-American War, and the annexation of Hawai'i while shedding needed light on the lasting impacts of U.S. imperialism. Visions in Death J. D. Robb, 2005-01-25 Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 New York Times bestselling In Death series. On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have Dallas most alarmed. As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured

after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare...

The Stars and the Blackness Between Them Junauda Petrus, 2020-06-23 A Coretta Scott King Honor Book Told in two distinct and irresistible voices, Junauda Petrus's bold and lyrical debut is the story of two black girls from very different backgrounds finding love and happiness in a world that seems determined to deny them both. Port of Spain, Trinidad. Sixteen-year-old Audre is despondent, having just found out she's going to be sent to live in America with her father because her strictly religious mother caught her with her secret girlfriend, the pastor's daughter. Audre's grandmother Queenie (a former dancer who drives a white convertible Cadillac and who has a few secrets of her own) tries to reassure her granddaughter that she won't lose her roots, not even in some place called Minneapolis. America have dey spirits too, believe me, she tells Audre. Minneapolis, USA. Sixteen-year-old Mabel is lying on her bed, staring at the ceiling and trying to figure out why she feels the way she feels--about her ex Terrell, about her girl Jada and that moment they had in the woods, and about the vague feeling of illness

that's plagued her all summer. Mabel's reverie is cut short when her father announces that his best friend and his just-arrived-from-Trinidad daughter are coming for dinner. Mabel quickly falls hard for Audre and is determined to take care of her as she tries to navigate an American high school. But their romance takes a turn when test results reveal exactly why Mabel has been feeling low-key sick all summer and suddenly it's Audre who is caring for Mabel as she faces a deeply uncertain future. Junauda Petrus's debut brilliantly captures the distinctly lush and lyrical voices of Mabel and Audre as they conjure a love that is stronger than hatred, prison, and death and as vast as the blackness between the stars.

The Light Streamed Beneath It Shawn Hitchins, 2021-10-12 A Publishers Weekly Notable Book 49th Shelf Recommended Read A modern gay memoir exploring love, death, pain, and community that will resonate long after the last page. "This is an embodied story of love, loss, and recovery – raw, candid, and filled with a sense of awe at human resilience." – Shelf Awareness "A timely story so human, so beautiful, so bravely told with heart and humour." – Rosie O'Donnell A lifetime of finding punchlines in his heartache comes to a shuddering stop when comedian and writer Shawn Hitchins loses two great loves, five months apart, to sudden death. In this deeply poignant memoir that combines sober self-portrait with tender elegy, Hitchins explores the messiness of being alive: the longing and desire, scorching-earth anger, raw grief – and the pathway of healing he discovers when he lets his heart remain

open. Never without an edge of self-awareness, *The Light Streamed Beneath It* invites the reader into Hitchins's world as he reckons with his past and stays painfully in the present. As he builds an embodied future, he confronts the stories that have shaped him, sets aside his ambition, and seeks connection in what he used to deflect with laughter – therapy, community and chosen family, movement, spirituality, and an awareness of death's ever-presence. A heartrending and hope-filled story of resilience in the wake of death, *The Light Streamed Beneath It* joyfully affirms that life is essentially good, as Hitchins weaves his tale full of tenacious spirit, humor, kindness, and grit through life's most unforgiving challenges.

A Brief History of Oversharing Shawn Hitchins, 2017-09-05 From the author of *The Light Streamed Beneath*, a collection of hilarious and heartfelt autobiographical essays about accepting our quirks & flaws. Comedian Shawn Hitchins explores his irreverent nature in this debut collection of essays. Hitchins doesn't shy away from his failures or celebrate his mild successes—he sacrifices them for an audience's amusement. He roasts his younger self, the effeminate ginger-haired kid with a competitive streak. The ups and downs of being a sperm donor to a lesbian couple. Then the fiery redhead professes his love for actress Shelley Long, declares his hatred of musical theatre, and recounts a summer spent in Provincetown working as a drag queen. Nothing is sacred. His first major break-up, how his mother plotted the murder of the family cat, his difficult relationship with his

father, becoming an unintentional spokesperson for all redheads, and
-m-a-n-d-y- -m-o-o-r-e- many more. Blunt, awkward, emotional, ribald, this
anthology of humiliation culminates in a greater understanding of love, work,
and family. Like the final scene in a Murder She Wrote episode, A Brief
History of Oversharing promises everyone the a-ha! moment Oprah tells us to
experience. Paired with bourbon, Scottish wool, and Humpty Dumpty Party Mix,
this journey is best heard through a lens of schadenfreude. Praise for A
Brief History of Oversharing "I am so glad I am not Shawn Hitchins, but I
sure wish I could write like him. A Brief History of Oversharing is hilarious
and heartwarming. Reading it is like sharing a warm bath with the man
himself. At least I hope it's the bath that's warm." -Michael Urie, actor
(The Good Wife, Modern Family, Ugly Betty) "Hitchins's mix of raw emotion and
salty hilarity works beautifully. . . . Hitchins has a gift for telling
outwardly repulsive stories in a way that actually draws people in. He
doesn't gloss over hard times, but he does counterbalance them with a self-
deprecating, snarky humor that trades tears for laughter. He's not kidding
when he says he's oversharing, but somehow he makes the mix of raw emotion
and salty hilarity work." -Foreword Reviews

Life in the Balance Marla Shapiro,2006 To Canadians, Dr. Marla Shapiro is best known as the respected medical consultant for CTV News, the host of Balance: Television for Living Well and as a health columnist for The Globe and Mail. Admired for her intelligence and many accomplishments, Dr. Marla, or Canada's Doctor, as she is known, seemed to have it all. But on Friday, August 13, 2004, Marla Shapiro found out she had an invasive form of breast cancer. Like the more than 20,000 Canadian women who are diagnosed every year with this disease, her world changed forever. But unlike most of those women, her status as a physician meant she had an insider's knowledge of the disease and its treatments. Life in the Balance is Dr. Shapiro's intimate, inspiring and often surprising account of her battle with breast cancer, from the shock of the initial diagnosis to multiple surgeries, chemotherapy and her agonizing decision to have both breasts removed, followed by reconstructive surgery and recovery. She candidly recounts her struggle going from the woman who routinely delivered all the seemingly right answers to her patients and her family, to the woman who quickly discovered that there were no right answers when it came to her own life-altering decisions. A story infused with emotion, humour, family support and Dr. Shapiro's unwavering passion to learn-and teach-this is a book for anyone whose life has been touched by cancer or who knows someone who has.
