🔍 [The European War, Vol. 2](#) Anthony Arnoux,2018-03-05 Excerpt from The European War, Vol. 2: March 1915 September 1915 For the sake of convenience in description, we shall divide this campaign into two sections, the first of which, the northern, begins at Westende on the Belgian sea coast and continues southeastwardly to Ypres; thence curving southwardly to Arras. At Arras the southern division begins; the line first running south as far as Noyon and thence running by irregular courses east wardly to Belfort. The reason these two divisions are made is because it permits us most conveniently to handle the correlated offenses of both the allies and the Germans on the Ypres and Arras front separately from those in Champagne, the Argonne, Vosges and Alsace to the east; thus making for clearness in comprehension of the military manoeuvres between March and the first of September. These two sets of manoeuvres, both in a topographical sense and in a military sense, are sharply divided. The objective of the German operations in the northern section was the conquest of the seaports of Dunkirk and Calais, and the objective of the allies' operations in this same region was the turning or piercing of the German left wing so as to compel its retreat, firstly, from Lille, its base in northern France, and, secondly, from the Belgian territory held by it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](#) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. 🔍 [America Fallen! the sequel to the European War](#) J. Bernard Walker,2017-08-12 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
