1001 Top Spanish Words in Context Diego Banos, 2018-11-22 Have you been desperately trying to learn Spanish but simply can't find the way to take the first steps? Do you dislike overly grammatical learning material and just want to learn in a natural, fun fashion? Are you looking for the most sensible, quickest and most reliable way to learn Spanish where the whole method is backed by reliable scientific research? If you answered yes to at least one of the questions above, then this guide is exactly for you. For those who've despaired of ever learning a foreign language, here, finally, is a book that will make the words stick long-term. Possibly the most feared challenge to learning Spanish is the challenge of memory; there are just too many words and too many rules to remember. For every new word we learn, we seem to forget two old ones, and as a result, fluency can seem out of reach. That is exactly why 1001 Top Spanish Words In Context was written. According to Professor Elfrieda H. Hieber from the University of California, Berkeley, The 100 most frequent words account for about 50% of the words in a typical text and the 1000 most frequent words for about 70%. Therefore it is evident that the first 1000 words of learning a language can provide you with an immense boost on your journey to master the language. In '1001 Top Spanish Words In Context' you'll discover: The 7 most common contexts to INSTANTLY kickstart your learning process (even if you barely know a word at the moment!) The exact formula to use expressions, proverbs, and sayings like a native speaker The latest scientific

research about language learning combined with a practical guide you will not find on your average online learning website The single best way to increase your reading and listening comprehension, and enable you to communicate with little or no grammar How a simple grouping of thematic vocabulary lists can take tremendous fear from getting started and make everything suddenly seem 10x easier The absolute basic 4 areas of phrases you HAVE to know to communicate in Spanish as quickly as possible (You might be missing out tremendously if you don't know these!) ...and much, much more! Even if you have already tried everything else without success, the beginner friendly and systematic choice of words and phrases are based on both practical experience as a native speaker and the latest scientific research. Thus, '1001 Top Spanish Words in Context' is your shortcut to master the hard beginning in the easiest way possible.
