Rethinking School Bullying Roz Dixon, Peter K.

Smith,2011-03-31 What would make anti-bullying initiatives more successful? This book offers a new approach to the problem of school bullying. The question of what constitutes a useful theory of bullying is considered and suggestions are made as to how priorities for future research might be identified. The integrated, systemic model of school bullying introduced in this book is based on four qualitative studies and incorporates theory from systemic thinking; cognitive, social, developmental and psychoanalytic psychology; sociology, socio-biology and ethology. The possible functions served by bullying behaviour are explored. Consideration is also given to the potential role of unconscious as well as conscious processes in bullying. The model suggests a number of causal processes within one-to-one relationships and peer groups, and highlights factors within individuals and schools that shape the form, intensity and duration of bullying behaviour in practice. The issue of 'difference' is also addressed, focusing on childhood deafness.

The House on Mango Street Sandra

Cisneros,2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” –The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last

fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. "In English my name means hope," she says. "In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros's masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis's *Main Street* or Toni Morrison's *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one's story and of being proud of where you're from.
