Student Exam Passport Samson Yung-Abu,2019-04-03 "While education might be the door to success, exam is the key to that door." The Exam Passport is perhaps one of the most important books written in the twenty-first century in academic history. Globally, the Exam Passport is a study guide written like never before. Beginning with a revelation of what exam is and its impact, the Exam Passport cleverly sets out the significant importance of exam taking in our current educational system around the world. The Exam Passport is a study guide that is laid out in a way that makes study and revision more urgent, more entertaining, more easy to follow, more thoroughly engaging, and a little more philosophical and novel-like. It is embedded with a real-life scenario and outlines common errors during an exam that all students can associate with. For example, it reveals scenarios that underpin an explainable cause of bad grades and proposes better study techniques that are detailed and concise to overcome bad grades. Among other things, it also explains the relevance of gathering only relevant information for revision, taking effective note. It touches on the role of our memory before and during the exam day. It also reveals that despite being intelligent, motivated, and hardworking, most students still struggle to remember much after hours of studying for an exam. One plausible answer is, the information we might want to retain has not made it into the long-term memory bank. It also consists of topics such as the following: –Accountability –Learning style –Memory –Significance of forgetting –Preparation and planning –Achieving top grade –And many other topics This study guide will help each student handle difficult exam situations and prevent academic failure.

100 Key Quotes for GCSE English Literature Revision: a Christmas Carol Sarah Hindmarsh,2019-10-13 Take the sting out of GCSE revision with the 100 Key Quote series.Do you want to know exactly what to write about some of the most important quotes in A Christmas Carol? The Book Thief Markus Zusak, 2007-12-18 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

The Biblical Museum James Comper Gray, 2023-05-02 Reprint of the original, first published in 1872. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

5 Steps to a 5 AP English Language Barbara Murphy, Grace Freedson, 2001-12-31 ENGLISH LANGUAGE ENGLISH LITERATURE Grace Freedson, Series Editor An exciting new series of study guides that lets each student design a course of study pitched to his or her individual needs and learning style Each year, more than one million U.S. high school students take one or more advanced placement (AP) exams, and, according to official projections, that number will continue to rise in the years ahead. That is because AP exams confer important benefits on those who do well on them. High AP scores are indispensable to gaining admission to most elite colleges. They provide students with a competitive edge when competing for grants and scholarships. And they allow students to bypass required university survey courses, saving on skyrocketing tuition fees. Designed to coincide perfectly with the most current AP exams, Five Steps to a 5 on the Advanced Placement Examinations guides contain several advanced features that set them above all competitors. Each guide is structured around an ingenious Five-Step Plan. The first step is to develop a study plan, the second builds knowledge, the third and fourth hone test-taking skills and strategies, and the fifth fosters the confidence students need to ace the tests. This flexible study tool is also tailored to three types of students. For the more structured student there is a Month-by-Month approach that follows the school year and a Calendar Countdown approach that begins with the new year. For students who leave studying to the last minute Basic Training covers the basics in just four weeks. Other outstanding features include: Sample tests that closely simulate real exams Review material based on the contents of the most recent tests Icons highlighting important facts, vocabulary, and frequently-asked questions Boxed quotes offering advice from students who have aced the exams and from AP teachers and college professors Websites and links to valuable online test resources, along with author e-mail addresses for students with follow-up questions Authors who are either AP course instructors or exam developers
