

Expansion Com

ML Morrison

The Split History of Westward Expansion in the United States Nell Musolf,2013 Describes the opposing viewpoints of the American Indians and settlers during the Westward Expansion--Provided by publisher.

The Expansion Sale: Four Must-Win Conversations to Keep and Grow Your Customers Erik Peterson,Tim Riesterer,2020-02-11 Proven customer engagement approaches for winning in the most important moments driving profitability and growth—customer retention and expansion Industry analysts report that up 70-80% of business growth comes from existing customers. So why are you still investing mainly in attracting new customers? And, leaving renewals and upsells to chance? Or, worse yet, using a one-size-fits-all approach to acquisition as you do for expansions? The Expansion Sale provides everything you need to seize the competitive edge in the customer-success space. Authors Erik Peterson and Tim Riesterer explain how the buying psychology of existing customers differs from that of new customers, and show how to adapt your commercial engagement strategies accordingly. They provide clear, easy-to-apply messaging frameworks for creating and delivering winning conversations in the four must-win commercial moments of customer success: ensuring renewals, communicating price increases, increasing upsells, and apologizing effectively for service failures.

Expansion Through Acquisition J. Hovers,1974

Opportunities and Dangers of Soviet-Cuban Expansion Richard J. Payne,1988-01-01 Combined with aggressive rhetoric and ideological hostility, the conventional approach to crisis resolution generates only military options and diminishes our prospects for less dangerous solutions. This book explains how a workable, pragmatic, and efficient foreign policy in relation to Soviet-Cuban activities in the Third World can evolve through negotiation, that de-emphasizes ideology. The focus is on problems within less developed countries--problems that provide opportunities for Soviet-Cuban involvement. The book examines several Third World conflicts in which the Soviet Union and Cuba are involved (The Horn of Africa, Afghanistan, Nicaragua, Southern Africa, and the Commonwealth Caribbean) and suggests a pragmatic policy tailored to each regional conflict. An objective assessment of Soviet-Cuban activities discovers opportunities for cooperation and mutual restraint.

Major League Baseball Expansions and Relocations Frank P. Jozsa, Jr.,2010-03-08 This study considers the importance of location for new and relocated major league franchises in the more than 130 years since the National League was founded. Included are an analysis of market differences and similarities, team performances and demographics and area economic comparisons. Market data are used to predict future expansions and relocations of major league teams.

Westward Expansion Teresa Domnauer,2010 Describes the causes, methods, people, and effects of the expansion of the original thirteen colonies to the West.

Quarterly Journal United States. Office of the Comptroller of the Currency,1990

The New Empire Walter LaFeber,1998 This classic work, by the distinguished historian Walter LaFeber, presents his widely influential argument that economic causes were the primary forces propelling America to world power in the nineteenth century. Cornell University Press is proud to issue this thirty-fifth anniversary edition, featuring a new preface by the author.In this Beveridge Award-winning study, Walter LaFeber... probes beneath the apparently quiet surface of late nineteenth-century American diplomacy, undisturbed by major wars and undistinguished by important statements of policy. He finds those who shaped American diplomacy believed expanding foreign markets were the cure for recurring depressions.... In thoroughly documenting economic pressure on American foreign policy of the late nineteenth century, the author has illuminated a shadowy corner of the national experience.... The theory that America was thrust by events into a position of world power it never sought and was unprepared to discharge must now be re-examined. Also brought into question is the thesis that American policymakers have depended for direction on the uncertain compass of utopian idealism.--American Historical Review

Expansion Through Acquisition: Expansion Strategy Based on Experience with a Large European Company J. Hovers,1973

SEC Docket United States. Securities and Exchange Commission,1988

Westward Expansion Ray Allen Billington,Martin Ridge,2001 Sets out the remarkable story of the American frontier, which became, almost from the beginning, an archetypal narrative of the new American nation's successful expansion.
