Telecom Expense Management for Large Organizations Luiz Augusto Carvalho & Claudio Basso, 2014-01-24 Managing telecom expenses is not easy; what's more, the larger the organization is, the more complicated that management gets. In *Telecom Expense Management for Large Organizations*, authors Luiz Augusto de Carvalho and Claudio Basso, who have each worked for more than a decade in the telecommunications industry, share their wealth of knowledge so you can slash expenses and manage business properly. This practical guide is divided into five sections: managerial issues, managerial processes, bill processing, traffic analysis and specific aspects. Each section builds upon the previous one, helping you contract and negotiate with telecom service providers; design a well-controlled telecom structure; oversee the inventory of assets and services; manage contracts, processes, and challenges; and process invoices and navigate auditing processes. This book discusses several techniques which will help you to organize the telecom cost/expenses management in your organization. Take control of your organization's future and plot a path that can help you enhance the quality of your telecom expenses management .
