**UFOs, the Alien Invasion and the CIA** John Scott Chace,2021-03-25 UFOs, the Alien Invasion and the CIA first became available in March 2021, with photographs, artists' conceptions of UFOs, and factual content. What you get is a book filled with facts of CIA, KGB, and military UFO case files. Cases are presented one after another around the globe.UFOs, the Alien Invasion and the CIA is not a Science Fiction Novel; in fact, it is a compilation of declassified, and non-declassified UFO encounters from around the world. It is packed with 400 pages of UFO incidents from Europe, South America, Africa, Australia, the United Kingdom, Russia, the United States, and Asia.Research shows for, over the last 1000 + years, UFOs and their occupants have been monitoring this planet. I contend this visitation of humanoid beings of different species from other worlds is an advanced Invasion plan of planet Earth.This book is prepared to tell you the truth about UFO / UAP reality. It highlights the polarized differences between The Truth and Deception:1.On the one hand, we have DECEPTION with the World Intelligence Agencies (the Central Intelligence Agency and the KGB) hiding information from the public on UFO intrusions at top military sites and human contact with Aliens / Extraterrestrials. 2.And on the other, we have TRUTH, where Presidents Gorbachev and Ronald Reagan agreed to assist one another in a potential alien conflict. This desire for Truth extends to the American, British, and Russian Air Force and Naval Military Leaders that desired the public to be informed of the UFO reality. Statements by those in the know: Case 1: Russian General states: The UFO, with a diameter from 100 to 200 meters, was not accompanied by the sound of any kind and was distinguished by its startling maneuverability. It seemed the UFOs were completely devoid of inertia. In other words, they had somehow 'come to terms with gravity. At present, terrestrial machines could hardly have any such capabilities. (The KGB);Case 2: CIA Officer states: On the US obtaining a copy of a declassified KGB document on an alien incident, a CIA representative stated, It is horrific! If the KGB file corresponds to reality, this is an extremely menacing case. The Aliens possess technology that goes beyond all our assumptions. They can stand up for themselves if attacked.Case 3: US Naval Officer states: Official representatives of the US government, including the CIA, came aboard the aircraft carrier to debrief (interview) all the witnesses. After the debriefing, the 25 witnesses were transferred off the ship to other assignments, so they would not discuss the UFO case facts with each other.Case 4: Another US Naval Officer states: I read that if I ever talked about what it was that I didn't see, I could be fined up to \$10,000 and imprisoned for up to 10 years or both. In addition, I could lose all pay and allowances due or ever to become due. He asked me to sign a piece of paper stating that I understood the laws and regulations that I had just read governing the safeguard of classified information relating to national security.The author has researched thousands of declassified CIA, KGB UFO reports and military files, and newspaper articles to bring these stories to you.The Author: John Scott Chace is the author of over 12 books including UFOs In US AIRSPACE, UFO Motherships and Project Blue Book. John is the son of Colonel Chaplain Alston R. Chace (USAF) and Nephew of Colonel Frank C. Chace (USMC). A military brat, he lived on many of the US Air Force bases where several UFO incidents have taken place. John became a researcher and historian on the UFO phenomenon after sightings in Connecticut. This book contains the CIA, KGB, and US Air Force Project Blue Book case files, and more.

**Alien Offensive Book 5** Marsell Morris,2016-04-22 Thirty years ago, a distant alien race, whose home planet was in danger because of their failing red dwarf star, tried to invade Earth and kill off all life using mind controlling, nanobots. They had visions of eventually coming to a lifeless Earth and begin terraforming the planet to suit their needs. Thanks to the unusual talents of Dorothy Keets, an inspired physicist, the world was spared from the almost unstoppable alien weapon, but the aliens were nothing if not persistent. Ten years following the first attack, they tried again, this time coming to Earth while ensconced in their nearly indestructible vessels, and using several alien techniques and different weapons - they nearly succeeded. The world's armies, after failing to so much as slow the second attack, called upon the same brilliant, slightly older, scientist, who helped stop the first attack. She, while devising a unique, devastating, weapon, was able to stop the attack. Behind her second victory, she was recognized as a worldwide hero, but her weapon The Orb Weapon was so unique - so overpowering - so maniacal, and possibly world ending, the President of the United States ordered it deactivated, and secured inside a vault deep inside the bowels of Area 51 where it would remain to never be used again - at least, that was the plan. The aliens, now repelled for the second time, were already making plans to return - and they did while bringing with them new weapons, but their attack, again, was thwarted. Dorothy's unconventional fearful weapon was un-crated, dusted off, and with a few modifications and enhancements, implemented to save the world once more. Not only were the desperate aliens repelled for the third time, but while retreating to their home world, accidentally left behind one of their own, who was quickly captured by the United States military and then sequestered in Area-51 to be studied. Dorothy was able to gain access to and establish a line of communication with the extremely intelligent alien, and while displaying sympathy for the creature, gave it a name, George. While sensing Dorothy's compassion, George became friends with her, and taught her the secret of deep space travel. He taught her how to construct stable wormholes, while unintentionally giving humankind the ability to strike back at his home world and the still antagonistic, aggressive, alien species. Norman Wells, the then President of the United States, now becoming exasperated behind the repeated alien attacks, and using the newly learned wormhole technology, sent a flotilla of orb weapon armed space fighters to the offending alien's planet while totally destroying it with only a few of the alien species able to escape the destruction to become orphans in the cosmos, and to never be able to attack Earth, again. The final defeat of the aliens being a global effort, all of humankind united in peace. President Wells, being a visionary, wasn't content with the victory over the aliens - he had grand plans for the use of the newly learned alien technology. While wanting the worldwide peace to continue, he proposed a plan to build a massive deep space exploration vessel, later dubbed, Messenger Two, and while enlisting the efforts of virtually every nation on Earth, his design to maintain global peace succeeded as the entire world came together to build the space going city. With the building of Messenger, humankind's dreams of becoming a galactic explorer were finally realized. Now having the ability to go anywhere they wished, it was decided to find another planet in the galaxy suitable for human colonization. In this, the final episode, that planet is discovered, and named Novus. Unfortunately, the much anticipated colonization of Novus fails, while setting into action events resulting in a truly tragic ending.

**Alien Invasion** Travis S. Taylor,Bob Boan,2011-06-01 What if there really are aliens and they do attack? Read what two scientists reveal in this how-to survival manual for the space age. Some events (such as a deliberate asteroid strike) produce such a massive setback to life, the Earth and humanity that we must understand and prepare for them, even if the chances are low that they'll come about. But where to begin? Drs. Travis S. Taylor and Bob Boan are experienced scientists, physicists with expertise in both defense and military signal intelligence and experience working with the Department of Defense and NASA. These two intellectual heavyweights take us on an amazing journey through what we do<sup>3</sup>/<sub>4</sub>and do not<sup>3</sup>/<sub>4</sub>know about how to defend ourselves from space. Sure, that day may never come in our lifetimes<sup>3</sup>/<sub>4</sub>but everyone should have a copy of this lying around just in case. . . . **When UFOs Attack - Documented Cases of Hostile Alien Encounters** Chet Dembeck,2020-06-27 If there is one misguided theme I have heard repeated many times in and outside of the UFO community, it is the notion that UFOs and extraterrestrials are our benevolent technological and spiritual superiors, who are only trying to watch over us and gently guide human kind from a path of nuclear, biological and ecological self-destruction to an interstellar highway of spiritual enlightenment and prosperity. This mantra has been repeated ad nauseum ever since the first UFO was sighted and close encounter was experienced. Yet, there is much documented evidence that these aliens, extraterrestrials or inter-dimensional interlopers may not always be benevolent. On the contrary, there is much more proof that these uninvited guests, who boldly penetrate our airspace, have at times kidnapped, injured and killed innocent humans and animals. Thankfully, this wasn't the case in the latest, solidly documented close-encounter case recorded in a recently released Pentagon UFO study. The usually mum Department of Defense almost appeared eager to report the Nov. 14, 2004 UFO incident, experienced by former Navy pilot David Fravor, who repeated a familiar story to all of us who have studied the history of Ufology the last 70 years. While flying a routine mission off an aircraft carrier he and other pilots spotted a UFO that made incredibly sharp turns and reached speeds impossible for aircraft using Earth's technology. As he watched this mystery craft zip away at an extremely high speed, he came to the same conclusion many of his fellow, military pilots have come to: It was not of this world, Fravor told various news organizations. He added that no human could have possibly withstood the G force of such a tremendous thrust of sudden acceleration. In this concise report, I will present to you documented evidence of a pilot unlike Fravor, who suffered harm in such a mysterious encounter. Such incidents are vastly under reported. For example, until I really started researching this subject, I never realized that a U.S. Army pilot became the first known casualty as a result of such UFO aggression. Although the Army denied this, and summarily covered up this horrifying event with no less than three different, ever- morphing cover stories, I will present you with documentation and eyewitness accounts from credible witnesses that prove within a reasonable doubt that on a January afternoon in 1948 hostile extraterrestrials committed an act of war against the United States. It was likely not the first - and certainly - will not be the last. I will also present evidence that proves that the population of a small island was terrorized and its impoverished residents used as guinea pigs by an alleged flap of UFOs that harassed and injured scores of innocent men and women for a period of months. Some of these unfortunates still carry the scars from burns and wounds that were inflicted upon them by these unknown perpetrators. The proof consists of eyewitness accounts and secret documents that have been leaked out over several decades. Additionally, in this report, I will document numerous cases of aggressive and hostile UFO acts taken against both military and commercial pilots. As a bonus, I have also included many little known UFO sighting reports from the early 1860's to the present. Even though some of these are not directly hostile encounters, all of them invaded our airspace and in some cases crash landed, exposing humans to potential injury or death. Plus, I will

present documentation of ongoing cattle mutilations that remain a dark mystery but point to either nefarious government and alien culprits -- or a collaboration of both. In conclusion, I must warn you that some will not like this report. They will categorize my conclusions as alarmist and sensational. But as always, I leave it up to you the reader to decide.

**Bible Codes Revealed** Sherry Shriner,2005 In the beginning, Earth was without form, and civilization was nonexistent. Thousands of years later, signs of earlier life on Earth were discovered, indicating that extremely intelligent life had once existed. Author Sherry Shriner alleges that a cover-up began in 1954, when a race of aliens that had been orbiting the Earth landed at Holloman Air Force Base. Afraid that their planet was dying, the aliens landed a second time at Edwards Air Force Base. Shriner explains that this monumental event had been planned in advance, and, on the appointed day, President Eisenhower was whisked away to the base, under the guise of a visit to a dentist. After President Eisenhower met with the aliens, a formal treaty between the Alien Nation and the United States of America was signed. Has the United States government really been collaborating with aliens for the past sixty years? In Bible Codes Revealed, Shriner challenges readers to consider the possibility of a future global alien and UFO invasion, and more importantly, what we can and should do once this event transpires. According to the author, it's not a matter of IF but WHEN! And soon. The information you will read in these pages is shocking, and points to an imminent danger on every level of a global society teetering on the brink of human and spiritual slavery. Sherry Shriner's information will shock you, but most importantly, will challenge you to get involved now in spreading the truth about this horrific reality: that aliens exist and control much of what happens on planet Earth, and unless humankind takes a stand now, the world humans rely on, the possibility of future generations even, most certainly would be lost forever due mainly to the greed and criminality of the world's most powerful ruling bodies desiring short term technological progress in exchange for selling out the human race!

*2015 Alien Invasion - Book 1* Thd Abbot-Bishop David Michael Oc,2013-03-08 The writing of 2015 Alien Invasion reveals the hidden impact of aliens upon the development of the human species from the very beginning and such a truth is astounding. This book is extreme and will attack the very foundation of the theology held by most traditional Christians yet the reader is assured, they do not conflict with the Canon of the Christian Scriptures in any way. Abbot David is now revealing his dreams, prophecies and experiences in this book because time is short. The battle for the souls of mankind is extremely fierce and unrelenting. We are in a war with the forces of light of the armies of YHWH now fully engaged with the forces of darkness who are the armies of the great dragon called Satan. Knowledge is power and the more we can understand about how these forces of good and evil operate and conflict, the better we will be in overcoming evil in battle and in due time see truth prevail. Abbod David provides a solution he received from YHWH for the faithful in association with the Native American who are also awaiting the arrival of Messiah Y'Shua. This is evident in Ojibwe Prophecy of the Seven Fires and also revealed in the Hopi Pahana prophecy.
