Contemporary Australian Business Law Mark Giancaspro, Gabrielle Golding, Beth Nosworthy, David Brown, Jessica Viven-Wilksch, Alexandra Wawryk, Sylvia Villios, Paula Zito, 2023-02-14 Australian businesses operate within a complex legal environment, so it's important students and professionals understand their legal obligations. Contemporary Australian Business Law is an authoritative text that makes key legal concepts accessible to business students, while maintaining academic rigour. Written for business students new to studying business law, this text introduces the fundamental legal topics encountered in business, including contracts, business structures, taxation, property and employment. Discussion in each chapter strikes a balance between accessibility and detail to assist understanding of these complex legal issues. A hypothetical scenario running through each chapter scaffolds learning and provides relevant real-world examples of the law in practice. Each chapter includes margin definitions, case boxes that guide students through landmark business law cases, and practice problems that test students' ability to apply their knowledge to realistic situations. Written by experts, Contemporary Australian Business Law is an essential introduction to the Australian legal system for business students.

The Shepherd Dan Bilodeau, 2012-04-28 Twenty years ago, Liam Sheehan successfully infiltrated and dismantled a sinister cult known as the Dominion of God. Now, the group has resurfaced and is more violent than ever. Following a series of terrorist attacks against religious targets across North America, Frank Drumlin, a soon-to-be-retired intelligence officer, and the newly recruited agent Jacob Hoffman are tasked with obtaining Liam's services yet again. Although initially reluctant to renew his affiliations with the group, Liam ultimately agrees to act as mole in exchange for cash to help him get out of a massive debt that could get him killed. At the direction of Agent Hoffman, Liam soon becomes embroiled in the group's recruiting and acts as a cross-border courier in order to learn of the group's inner workings and membership. His involvement brings him ever closer to the mysterious cult leader, Black Mamba, and he gradually becomes a trusted, well-respected member of the group. Despite his efforts, however, the group is always one step ahead. When Liam unwillingly becomes involved in abduction and murder, those behind the scenes begin to question his loyalty and credibility. Meanwhile, Liam's debt collectors are still on his tail. In the end, Liam must decide what matters more: saving his own life or

saving the world from a cult hell-bent on destruction. Intent on bringing the group to its knees once and for all, Liams journey into the dark world of religious extremism ultimately leads him to a disturbing reality not even he could have expected.

The Insider Stephen Frey, 2005-03-01 New York Times bestselling author Stephen Frey writes thrillers of ruthless financial terror (Chicago Tribune), intricately plotted, fast-paced novels where Grisham meets Ludlum on Wall Street (USA Today). Now Frey has written his most exciting novel yet, taking us even deeper into the volatile world of raw ambition, million-dollar deals, and wide-eyed dreamers willing to risk everything for a profit. Hungry to leave his dead-end banking job and to play in the big leagues, Jay West lands a coveted position with the powerful investment firm of Donovan & Lloyd, working for the influential, charismatic Oliver Mason, a deal-maker with the Midas touch, a fierce ally who handpicked Jay for the job. With the incentive of a million-dollar bonus at the end of the year, Jay strives to make his mark, unaware that he is stepping into an elaborate trap-baited with the seductive promise of power and influence. Jay soon suspects that Oliver's stellar track record is more than a result of hard work or good luck. The man seems to have everything--not just fast cars and a luxurious home in Connecticut, but a violent temper, a strained marriage, and a boundless hunger for money and prestige. The stakes are raised when a trusted coworker is brutally murdered and the beautiful Sally Lane joins the team, a mysterious blonde with the ability to coax secrets out of others--while seductively keeping her own. With a conspiracy of deceit and corruption beginning to close around him, Jay races to untangle the sordid lies that have quickly and too conveniently blackened his name. Trusting no one and remaining one step ahead of both the law and his unknown adversaries, Jay must rely on his own cunning and wits to stay in the game--and to stay alive. With breakneck pacing from the opening bell, *The Insider* is a multilayered, action-packed thriller of wealth and the lust for it, heated passion and ruthless competition, survival and power--no matter the cost.
