*Fix My Face* The Foundation for Facial Recovery, 2020-06-26 This comprehensive, easy-to-follow resource is a must-read for anyone with recent-onset or persistent facial paralysis due to injury of the seventh cranial nerve. Written by a multidisciplinary team of facial nerve specialists with The Foundation for Facial Recovery, *Fix My Face* offers hope to patients struggling with facial palsy's many complications and uncertain outcomes by presenting a roadmap for pursuing the best possible recovery. Readers will gain: • a plan for managing symptoms • exercises to minimize synkinesis and improve circulation, function, and symmetry • an exploration of facial plastic surgery, including Botox® and facial reanimation procedures Healthcare providers on the front lines of diagnosing patients will find *Fix My Face* thought-provoking and helpful. Calling on research-based evidence and their own clinical results with hundreds of patients, the authors make the case for rethinking how facial palsy is treated, including: • A new approach to medications • Early intervention rather than “wait and see” • Coordinated treatment by physicians, facial plastic and oculoplastic surgeons, physical therapists, and other providers working together on behalf of the patient.

*The Doughnut Fix* Jessie Janowitz, 2018-04-03 Superfudge meets The Lemonade War in this funny, heartwarming series debut about change, adventure, family, and of course, doughnuts Tristan isn't Gifted or Talented like his sister Jeanine, and he's always been okay with that because he can make a perfect chocolate chip cookie and he lives in the greatest city in the world. But his life takes a turn for the worse when his parents decide to move to middle-of-nowhere Petersville—a town with one street and no restaurants. It's like suddenly they're supposed to be this other family, one that can survive without bagels and movie theaters. His suspicions about his new town are confirmed when he's tricked into believing the local general store has life-changing chocolate cream doughnuts, when in fact the owner hasn't made them in years. And so begins the only thing that could make life in Petersville worth living: getting the recipe, making the doughnuts, and bringing them back to the town through his very own doughnut stand. But Tristan will soon discover that when starting a business, it helps to be both Gifted and Talented, and It's possible he's bitten off more than he can chew... A perfect book for: Children with the entrepreneurial spirit! Parents and teachers looking to inspire a growth mindset! Young foodies looking for

fun recipes!

**You Have to Face it to Fix it** William D. Watley,1997 William D. Watley encourages readers to confront life's challenges and offers sermons on facing the things that can hold us back, including: difficulties with God, our enemies, our fears, persecution when doing the right thing, and even success. If you're willing to face yourself, says Watley, Jesus is able and willing to fix what's wrong. He's still in the fixing business.

**The 15 Minute Fix** John O. Parker,2014-09-08 Is your face showing its age a bit more than you would like? Is your lifestyle making you look older than you are? Do you want to be one of those people who retain a healthy, youthful look throughout your life? If so, The 15 Minute Fix: FACE is here to help. This book will teach you how to use face exercises to make your skin smoother, firmer, and healthier without the risk and plastic look of invasive procedures. You will also learn to use facial exercises to alleviate stress, sharpen cognitive function, improve communication skills, boost your confidence, and improve your overall health. It's like yoga for your face. These exercises have been designed to act as a natural face lift as part of an overall anti-aging strategy. The program is specifically designed to help you develop a younger looking face without cutting into your busy schedule. In less than 15 minutes a day, you can use these facial workouts to tackle wrinkles, bags or dark circles under the eyes, double chins, turkey neck, jowls, sagging cheeks, laugh lines and more. In addition to 56 different facial exercises targeting all parts of the face, including neck, chin, lips, cheeks, nose, eyes, and forehead, you will find: -Progress tracking tools -Sample workout plans -Tips for taking care of your face and promoting healthy skin - Suggestions on foods that are good for your face -Descriptions of topical ingredients that are good for your face - and others that are bad for your face - Further supporting materials are also available at the15minutefix.com The 15 Minute Fix: FACE will appeal to anyone who wants younger looking skin, but doesn't want the expense or risk of plastic surgery. You may not be able to entirely erase wrinkles, but The 15 Minute Fix: FACE will help you develop a youthful, vibrant face in just 15 minutes a day. These exercises for aging are not only designed to help you look young naturally, their numerous side benefits will help improve your quality of life. About The 15 Minute Fix: The 15 Minute Fix is a series of programs designed to help you age well. Regardless of how old you are now, 15 Minute Fix programs can teach you how to take care of yourself so that you stay healthy and youthful for many years. In addition to the main target area of each book (vision in this case), these anti-aging exercises will help you reduce stress, improve cognitive function, and otherwise promote a youthful mind, body, and soul. The 15 Minute Fix follows the tradition of innovative exercise programs such as Tim Ferriss's 4-Hour Body and Tony Horton's P90X series.

**Face It & Fix It** Mac Attram,2016-05-26 Face It & Fix It is the shot in the arm that everyowner of a struggling business needs. -T. Harv Eker, #1 NYT &International Bestselling author of thebook Secrets of the Millionaire Mind Half of all new businesses in the US and UK fail within five years. They fail for various reasons, but the main issue is that business owners either don't face up to their problems at all or when they do, it's too late. Running away from problems is a race that struggling businesses never win. According to leading business growth expert and coach Mac Attram, it is always best to face problems when you are at your strongest and when your problems are at their weakest. That's where Face It & Fix It comes in. Face It & Fix It is a must-read book for owners of struggling small businesses; those who don't have a moment to lose before disaster strikes and their business is lost. Mac made many mistakes when he first started in business, as many entrepreneurs do. Things changed when he took his head out of the sand, faced up to reality and, in a systematic, ingenious and determined way, set about fixing the problems. Face It & Fix It is a hard-hitting and easy-to-understand handbook that explains how any small business can be transformed into a success. Readers will learn: Why struggling small business owners need to finally face reality and the problems that must be solved.The 43 problems that research shows are guaranteed to lead to business failure if left unresolved. These all fit into one of the following categories: personal behavior, internal processes, external factors, or financial challenges.Seven inspiring, real-life business turnaround stories.The Fix-It Formula that Mac used to save his own business and that he now uses with

his own clients as a turnaround consultant.

**Fix Your Face!** Carolyn Hobbs,2009-09 Hattie's dark, pouting attitude becomes a family matter. A turn of events fixes her attitude and her face. Teaches a thankful spirit! - Publisher.

**Face It and Fix It** Ken Seeley,2009-05-05 World-renowned interventionist Ken Seeley, one of the hosts of A&E's hit television series Intervention, has spent the past twenty years helping people and their families deal with and overcome life-threatening addictions. His clients have ranged from the homeless to multimillionaires, each needing professional help with every problem imaginable, including alcoholism, drug dependency, excessive gambling, sexual addiction, abusive behavior, and mental disorders. A few years into his career, Ken realized that the one common characteristic with each of his clients was denial. He has since built his success on a proven program for pinpointing and dealing with this core issue. Whether coping with a severe or a soft addiction, a life-threatening situation, or just an impediment to true happiness, we're all in denial about something. It might be small and seemingly innocent, such as the fact that you're not trying to excel in your job as much as you could or should be. Or it could be much larger and even potentially lethal, such as a full-blown addiction that at this very moment is destroying your life. The truth is, no matter who you are, no matter how small or large your problems may seem, denial is holding you back from living your life to the fullest. Denial is the number one symptom of addiction. It's the mask that lets addicts ignore and avoid the consequences of their actions. But what most people don't know is that denial is also the fuel that creates an addiction in the first place—as well as nearly every other disorder, behavior, and habit that can negatively affect your life. In Face It and Fix It, Seeley leads readers through a three-step process to remove life-damaging denial in order to live balanced and healthy lives. He helps readers first to identify life-damaging behaviors; next he gives the tools necessary to break down the walls that denial builds up over time; and finally he shows how to maintain balanced lives and relationships. Whether you're looking for help for someone you love or struggling with an addiction of your own, Face It and Fix It will leave you with a greater sense of self-awareness and the skills you need to both improve your relationships and to live the life you deserve.

**The Park Avenue Face** Andrew Jacono,2019-05-07 Your face defines you. It influences how people perceive you at work, at play, and even at home. But what if something about your face doesn't make you feel like the real you? In The Park Avenue Face, dual board-certified facial plastic and reconstructive surgeon Dr. Andrew Jacono reveals how to achieve flawless, undetectable plastic surgery so you can fix what you don't like, restore what you've lost, or prevent signs of aging. From his elite Park Avenue aesthetic surgery center, Dr. Jacono has enhanced tens of thousands of faces not by prescribing an arbitrary standard of beauty, but by amplifying each patient's individual beauty for totally natural results. A global authority in advanced facial plastic surgery, he has presented clinical research and conducted live surgery in front of peer audiences at over 100 plastic surgery symposiums around the world, including at Harvard, Yale and Stanford Universities. Now, he's ready to share his expertise with you. High-end Park Avenue clients want to fight the signs of aging while highlighting their best features. They want lips that look like their own lips, eyes that look like their own eyes. They want facial features in line with their ethnicities. Park Avenue clients want to look powerful yet approachable, wise yet fresh, and above all, natural. With Dr. Andrew Jacono's advice, you can have the Park Avenue Face no matter who you are or where you live. The Park Avenue Face also

highlights a trend unique to the United States—a distinct difference between conceptions of beauty on the west coast versus the east coast. Where the West Coast Style is often about changing your personal signature, the East Coast Style prioritizes maintaining your personal signature. Through this up-close look at coastal trends, the reader will learn how to define and achieve a natural look—a face that reflects the person they have always been, and the person they strive to be, not someone they don't recognize in the mirror. If you want a face with character and depth that looks ageless and don't want a stretched, artificial or generic look, Dr. Jacono will show you how to get there. If you are considering any kind of facial enhancement, from minor and non-invasive treatments such as simple injections or a laser treatment to more involved surgical procedures such as a full-on facelift, this is your resource. The Park Avenue Face will show you how to avoid the quacks, the fads, the financial waste, and the dangers. Dr. Jacono will help you determine how you want to look and how best to get there. Featuring fascinating patient anecdotes, dozens of before-and-after photographs showing what the various procedures can accomplish and line drawings by veteran medical illustrator William Winn, this comprehensive guide will fully prepare you to step into a doctor's office and discuss your facial enhancement options. You'll know how each treatment works, how long you will take to recover, and how much change you can expect. If there is something about your face you think is holding you back—decide if making a change is right for you. Let The Park Avenue Face guide you to becoming your best you.

**Fix My Face** Carolyn V. Hamilton, 2023-06-26 Embark on a captivating journey alongside Carolyn V. Hamilton, a 79-year-old woman who dared to explore her dream of aesthetic transformation in an unconventional and remarkable way. This compelling memoir offers a firsthand account of her life-changing experience with world-class cosmetic surgery in the beautiful and affordable country of Ecuador. Driven by a desire to enhance her appearance and self-confidence, Carolyn sets out on a path less traveled, defying societal expectations and venturing beyond borders to find a solution. With Ecuador renowned for its cutting-edge medical facilities and highly skilled surgeons, it's the ideal place for her transformative journey. Through vivid storytelling and intimate reflections, Carolyn takes you by the hand and immerses you in the captivating world of cosmetic surgery. From the initial research and decision-making process to the exhilarating moments of anticipation and the profound impact of the final outcome, every step of her personal odyssey is laid bare. **FIX MY FACE** not only delves into the physical aspects of the journey but also explores the emotional and psychological roller coaster that accompanies such a life-altering decision. Witness the exhilarating highs and daunting lows as Carolyn confronts her fears, navigates cultural differences, and embraces the transformative power of self-love and acceptance. This extraordinary memoir transcends the traditional boundaries of personal narratives, shedding light on the global phenomenon of medical tourism and challenging preconceived notions about beauty, self-worth, and the pursuit of happiness. **FIX MY FACE** is a testament to the resilience of the human spirit and an inspiring reminder that the quest for self-improvement knows no bounds. Prepare to be captivated by this unflinchingly honest memoir that celebrates the indomitable spirit of self-discovery, all against the backdrop of a safe and affordable cosmetic surgery experience in the breathtaking country of Ecuador.

To Fix Torah in Their Hearts Jaqueline S. Du Toit, Jason Kalman, Hartley Lachter, Vanessa R. Sasson, 2018-10-30 In this volume, students of beloved teacher B. Barry Levy come together to honor his erudition, superb pedagogy, kindness, and verve, with a collection of essays that reflect Levy's wide range of interest and expertise. Levy, sensitive to the meaning of a text for its original and intended audience, but also to how that meaning changes and develops over the course of years of interpretation, gave his students the broadest education in the evolving context of biblical study. This expansive focus is evident in the essays included in this book. From a study of astronomical observations in the ancient Near East, to an exploration of the excesses of obedience and sacrifice as recounted in the stories of Abraham and Isaac and the Buddhist Vessantara Jataka, from Talmud, to modern Bibles for children, to the evolution of the Dead Sea Scrolls from text and artifact to sacred object, *To Fix Torah in Their Hearts* is a diverse and engaging collection, of value to scholars and general readers alike.

*Poverty Amid Prosperity* J. Edward Taylor, Philip L. Martin, Michael Fix, 1997 This book examines the socioeconomic links among farm employment, immigration, and welfare use not only within California's Central Valley, but also along the state's Central Coast and in its southern regions. Using U.S.

Census data and information collected from extensive community-level site visits, the authors find that immigration, largely from rural Mexico, is changing the face of rural California, increasing levels of population, poverty, and public service demands. The authors caution that upward mobility among these immigrant workers may be limited and that recent legislative changes are reducing the public resources available to help newcomers adjust, just as the number of immigrants is increasing.
