Losing Brave Bailee Madison, Stefne Miller, 2018-01-30 Payton Brave's twin sister,

Dylan, has been missing for more than a year. So has Payton's memory. Amid the turmoil of her sister's disappearance, Payton feels lost as the one left behind. Her mental state wrought and reckless, she tumbles from the graces of popularity to the outskirts of high school society, where she attracts a rag-tag group of friends—and a troubling romance with her sister's boyfriend, Cole. Though Payton remembers nothing of the day Dylan disappeared, she must pry into her own mind when another missing girl's body is recovered from a nearby lake, the victim's features eerily similar to Dylan's. The further Payton presses into the recesses of her memory, the more danger surrounds her. The darkness around her sister's disappearance grows and the truth becomes more and more unbearable. What she finds might just cost Payton her life. *Losing Brave*: Is written by award-winning actress Bailee Madison (*Once Upon a Time*, *Bridge to Terabithia*) and Reader's Choice Award Finalist Stefne Miller Features forbidden romance, intense action, and high-stakes sacrifice

A Social Media Survival Guide Melody Karle, 2020-03-15 The every person's guide to social media... how to use it and what never to do. Are you trying to figure out how to safely use social media but finding yourself struggling? Here's a book specifically designed to help regular people figure out social media platforms. It begins with a chapter about social media basics: how they normally work, why people use them, and general safety tips. It is easy to get confused by the large number of options that are out there so this book breaks down each major network into its own chapter. Chapters are included for: Facebook Snapchat Pinterest LinkedIn Instagram YouTube Twitter Reddit, and Tumblr. Because each social media platform has its their own rules, benefits, and challenges, each chapter gives a summary of the platform and tells the reader why people use it. Next, each chapter has a glossary of terms to explain language and slang that are used. This will help people who are new to social media learn about terminology like subreddits, retweets, and more. If readers decide to use the platform (or already use it and want to learn more), each chapter guides users through a "how-to" of using each platform. This includes the basic functionality, setting up profiles, settings, and odd features that even current users may not know about. Privacy and safety are also covered, with a platform-specific section devoted to these important issues in each chapter. Two final chapters cover other notable social media platforms that readers might want to know about and archiving tips for saving social media posts and information. This book can help people new to social media,

people joining new social media, and people who are already on but want to learn how to better manage and protect their accounts.

The Complete Idiot's Guide to Facebook, 2nd Edition Mikal E. Belicove, Joe Kraynak, 2011-10-04 Expert tech authors cover all new features and functionality. Reveals Facebook's full potential and users' options to communicate, connect, and have fun.

Facebook Essentials Michael Miller, 2013 Do you use Facebook for social networking? With more than 1 billion active users worldwide, chances are your friends and family do. It's the way that many people today communicate and share with others. If you're just getting started with Facebook, it may seem a bit daunting or confusing, but it doesn't have to be. All you need to know is how to navigate the site, how to make Facebook friends, and how to keep in touch with those friends. In other words, exactly what you'll find in this series of videos. Facebook essentials, 3rd edition, is a series of 21 video tutorials that teach you how to use and get the most out of Facebook. The videos take you from basic operation to more advanced concepts, such as friends lists, video chat, and using Facebook on your mobile device. All the videos have been updated since the previous edition to cover Facebook's ongoing changes and additions, including new Timeline, photo sharing, and privacy features. When you want a quick and easy, and visual, way to learn more about Facebook, turn to Facebook essentials. These videos will teach you what you need to know and get you up and running with the Facebook social network!--Resource description page.
