Sven Jungclaus,2021-01-27 Step by step to self-sewn men's clothing. You quickly learn to sew - but tailoring requires passion, dedication and perseverance. Similar to learning an instrument, dexterity and an eye for the essentials must be trained. The step-by-step instructions in this book with numerous photos and drawings lead safely to the finished garment. Detailed explanations ensure that you always have an overview and that the individual working steps are carried out in the correct order; different processing variants leave room for individuality. Absolute beginners may need a little more patience than experienced - but with the tips and tricks provided by master tailor Sven Jungclaus and a little practice, the first successes can be achieved quickly. Those who proudly hold the self-sewn piece in their hands, easily find the courage for further tailoring projects.

Naked at Noon 1 Jean Le Baptiste,2014-04-19 Nudist, or naturist, magazines comprising photographs of naked men and women enjoying outdoor activities first appeared as far back as the beginning of the 20th century. Nudist culture boomed in the 1950s and early 1960s, following a landmark ruling which permitted such material to be freely distributed via the US mail. Of course, these publications were not aimed solely at fellow naturists; although their content and context was strictly non-sexual, the ample swathes of female flesh they offered nonetheless provided the average man with the only masturbatory material which was freely available. Jean le Baptiste has assembled from his own collection a stunning array of vintage photographs from these magazines, a collection which takes us back to the unashamed, unclothed splendour of more innocent decades in the sun. Naked At Noon 1 contains over 60 classic images, with many in full colour. For those who prefer women with no tattoos, no silicone, and hair where nature intended.
