The Magic Red Carpet and the Groovy Wallpaper

David Gallagher, 2013-03-22 The Magic Red Carpet and the Groovy Wallpaper is the first of many ghostly and scary tales involving magic, mystery and a generally Kafkaesque atmosphere.

Fairy Tales Emelie Öberg, 2017-03-17 Reminiscent of classic Swedish fairy tales, Emelie Lidehäll Öberg's debut coloring book is full of sweetly sleeping animals, dolls come to life, and whimsical abodes.

Animating the Unconscious Jayne Pilling, 2012 As critical interest has grown in the unique ways in which art animation explores and depicts subjective experience - particularly in relation to desire, sexuality, social constructions of gender, confessional modes, fantasy, and the animated documentary - this volume offers detailed analysis of both the process and practice of key contemporary filmmakers, while also raising more general issues around the specificities of animation. Combining critical essays with interview material, visual mapping of the creative process, consideration of the neglected issue of how the use of sound differs from that of conventional live-action, and filmmakers' critiques of each others' work, this unique collection aims to both provoke and illuminate via an insightful multi-faceted approach.

American Nightmares Dale Bailey, 2011-06 When Edgar Allan Poe set down the tale of the accursed House of Usher in 1839, he also laid the foundation for a literary tradition that has assumed a lasting role in American culture. "The

House of Usher" and its literary progeny have not lacked for tenants in the century and a half since: writers from Nathaniel Hawthorne to Stephen King have taken rooms in the haunted houses of American fiction. Dale Bailey traces the haunted house tale from its origins in English gothic fiction to the paperback potboilers of the present, highlighting the unique significance of the house in the domestic, economic, and social ideologies of our nation. The author concludes that the haunted house has become a powerful and profoundly subversive symbol of everything that has gone nightmarishly awry in the American Dream.

My Epic Fairy Tale Fail Anna

Staniszewski, 2013-03-05 I know what you're thinking: Can she talk to animals? Yes, those chatty woodland creatures won't shut up. It's not as cute as you'd think. What's an Adventurer, You Ask? An underappreciated girl like me who travels around to magical Kingdoms saving creatures you don't even know exist. And trust me, they need a lot of help. My new mission is in the Land of Tales (the crazy place all fairy tales come from) to face off with an evil witch and complete Three Impossible Tasks. Easy, right? Being an adventurer is no fairy tale, but this is one mission I can't fail. —Jenny the Adventurer Praise for My Very UnFairy Tale Life: A light comic romp...Charming.—Kirkus A speedy and amusing ride...will keep readers entertained.—Publishers Weekly A magical world that's totally relatable. You'll find yourself wishing you were alongside Jenny fighting against unicorns (who aren't as peaceful as you think) and traveling to

fantastical realms.—GirlsLife.com

Goosebumps and Butterflies are Fairy Tales

Karline Smith, 2018-12-13 Two sets of close friends struggle with what love means for all. Their lives and loves collide and intertwine in a kaleidoscope of pain, tragedy, longing and belonging. "In the end, it's not who we love, but how we love, that matters." . . When several sexual dalliances almost cost 29-year old international soccer player Jonah Aaron Lewis his life, he goes AWOL from top Italian Club Portovenere, and returns to the UK to seek refuge and reignite his 'loveship-brotherhood' with ex-soccer player now entrepreneur Damien Gillen, the only person to ever give him goosebumps, even though his mind and heart tries to deny it. Damien, on the other hand, has fallen instantly for 'strictly no-strings' single-mother of one and fiercely independent diva-book writer TV personality Rhea Nicole Appleton, after she interviews him about the sudden appearance of his mother thought dead for twenty-four years. Used to getting what he wants,

Damien's intention is to capture, and keep, this evading butterfly. Rhea Appleton has men representing her different seasons, preferring each for whatever quality they offer. Rhea has no time for the suffocation of love or the boundaries of her time. She's involved with London Grime and Hip-Hop artist 'Q' and wealthy, older Italian businessman Gianni – Damien is set to add more flavour to the pot – until she looks into Damien's diamond blue-green eyes. Rhea's best friend, 28-year-old singer-songwriter Jade Trinity Moore-Meirelles, Trinity vowed never to sing another note after the abduction of her five-year-old brother in her care aged 13. On the verge of stardom, her singing career crashed. With mental health issues and a strained relationship with her teen son, deceived by a record producer, Trinity's life evolves when her son brings home another teenaged boy, Jonah's secret son.

Fairy Tales Hermann Hesse,2023-09-07 I cannot read Hermann Hesse without feeling that I am drawn into the presence of a deeply serious mind, a mind that is searching for the meaning of life. - Carl Jung A new 2023 translation of the original German manuscript of Nobel Prize-winning Hermann Hesse's novel *Fairy Tales*. This edition also contains an epilogue by the translator, a philosophical glossary of concepts used by Hesse and a chronology of his life and work. Hesse won the Nobel Prize in Literature in 1947. Hesse's *Fairy Tales* (*Märchen* in German) was first published in Berlin in 1919. It is significant for offering a more mythical and fantastical expression of

Hesse's philosophical ideas. The tales reflect Hesse's own lifelong interest in Eastern thought and spiritual exploration. Hesse dedicated a fairy tale to each of his three wives: to his first wife, Mia, the fairy tale *Iris* (1916); to Ruth Wenger, Pictor's *Metamorphoses* (1922); and, shortly after his marriage to Ninon Dolbin in March 1933, his last and very autobiographical fairy tale, *Vogel*.

The Style and Mythology of Socialism: Socialist Idealism, 1871-1914 Stefan Arvidsson, 2017-10-10
Arguably no modern ideology has diffused as fast as Socialism. From the mid-nineteenth century to the last quarter of the twentieth socialist ideals played a crucial part not only in the political sphere, but also influenced the way people worked and played, thought and felt, designed and decorated, hoped and yearned. By proposing general observations on the relationship between socialism, imagination, myth and utopia, as well as bringing the late nineteenth century socialist culture – a culture imbued with Biblical narratives, Christian symbols, classic mythology, rituals from freemasonry, Viking romanticism, and utopian speculations – together under the novel term ‘socialist idealism’, *The Style and Mythology of Socialism: Socialist Idealism, 1871–1914* draws attention to the symbolic, artistic and rhetorical ways that socialism originally set the hearts of people on fire.

Scotsmen Prefer Blondes Sara Ramsey, 2012-04-04
She never wanted marriage... When a friend is forced to consider a marriage of convenience, Lady

Amelia Staunton is determined to rescue her. But her plans trap her in an illicit seduction, and Amelia must marry him herself. Malcolm's all-consuming kisses and devilish humor might make up for her lost freedom, but she believes he will force her to abandon the Gothic romances she yearns to write. Since she can't escape him, she must distract him from her secret... He isn't looking for love... A powerful autocrat with a well-hidden rebellious streak, Malcolm MacCabe doesn't need another beautiful mistress - he needs an obedient wife. Obedience is not one of Amelia's virtues. But he's too enthralled by her wit and passion to let her go - even if it means risking the political reputation he is building to save his clan. Their hearts can't survive the scandal... Despite their intentions, every wicked embrace binds them together. But as their conflicting desires combust into insatiable hunger and unavoidable ruin, they must decide whether to pursue their personal destinies alone - or fight for the love that could destroy them both.
