**Move! You Are Blocking the Cameras! the Jesse Jackson Story** Christopher Jansen, 2008-08-12 This is a funny and sarcastic fake book, which consists of an irreverent cover and 128 blank pages for entertainment purposes, and is politically incorrect (depending on your opinion). More information and more fake books inquire at: [funnybooks@mail2world.com](mailto:funnybooks@mail2world.com)

**This Book Is a Camera** Kelli Anderson, 2015-11-20 This is a working camera that pops up from the pages of a book. The book concisely explains--and actively demonstrates--how a structure as humble as a folded piece of paper can tap into the intrinsic properties of light to produce a photograph. The book includes:- a piece of paper folded into a working 4x5 camera- a lightproof bag- 5 sheets of photo-paper film- development instructions (from complete DIY to outsource it)- a foil-stamped cover- a satisfying demonstration of the connection between design & science / structures & functions

**Fake Photos** Hany Farid, 2019-09-10 A concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Stalin, Mao, Hitler, Mussolini, and other dictators routinely doctored photographs so that the images aligned with their messages. They erased people who were there, added people who were not, and manipulated backgrounds. They knew if they changed the visual record, they could change history. Once, altering images required hours in the darkroom; today, it can be done with a keyboard and mouse. Because photographs are so easily faked, fake photos are everywhere—supermarket tabloids, fashion magazines, political ads, and social media. How can we tell if an image is real or false? In this volume in the MIT Press Essential Knowledge series, Hany Farid offers a concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Farid, an expert in photo forensics, has spent two decades developing techniques for authenticating digital images. These techniques model the entire image-creation process in order to find the digital disruption introduced by manipulation of the image. Each section of the book describes a different technique for analyzing an image, beginning with those requiring minimal technical expertise and advancing to those at intermediate and higher levels. There are techniques for, among other things, reverse image searches, metadata analysis, finding image imperfections introduced by JPEG compression, image cloning, tracing pixel patterns, and detecting images that are computer generated. In each section, Farid describes the techniques, explains when they should be applied, and offers examples of image analysis.

#### **Performance, Transparency, and the Cultures of Surveillance** James M.

#### **21st Century Security and CPTED** Randall I. Atlas, 2013-06-25 The concept of Crime Prevention

Through Environmental Design (CPTED) has undergone dramatic changes over the last several decades since C. Ray Jeffery coined the term in the early 1970s, and Tim Crowe wrote the first CPTED applications book. The second edition of 21st Century Security and CPTED includes the latest theory, knowledge, and practice of CPTED as it relates to the current security threats facing the modern world: theft, violent crime, terrorism, gang activity, and school and workplace violence. This significantly expanded edition includes the latest coverage of proper lighting, building design—both the interior and exterior—physical security barriers, the usage of fencing, bollards, natural surveillance, landscaping, and landscape design. Such design concepts and security elements can be applied to address a wide variety of threats including crime prevention, blast mitigation, and CBRNE threat protection. Authored by one of the U.S.'s renowned security experts—and a premiere architect and criminologist—the book is the most comprehensive examination of CPTED and CPTED principles available. This edition includes a complete update of all chapters in addition to five new chapters, over 700 figure illustrations and photos, numerous tables and checklists, and a 20-page color plate section. This latest edition: Features five new chapters including green and sustainable buildings, infrastructure protection, and premises liability Presents step-by-step guidelines and real-world applications of CPTED concepts, principles and processes—from risk assessment to construction and post-occupancy evaluation Outlines national building security codes and standards Examines architectural surety from the perspective of risk analysis and premises liability Demonstrates CPTED implementation in high-security environments, such as hospitals, parks, ATMs, schools, and public and private sector buildings A practical resource for architects, urban planners and designers, security managers, law enforcement, CPTED practitioners, building and property managers, homeland security professionals, and students, 21st Century Security and CPTED, Second Edition continues to serve as the most complete and up-to-date reference available on next-generation CPTED practices today.

**Dakota Steele FBI Suspense Thriller Bundle: Without Remorse (#2) and Without A Past (#3)** Ava Strong, 2022-09-19 A bundle of books #2 (WITHOUT REMORSE) and #3 (WITHOUT A PAST) in Ava Strong's Dakota Steele FBI Suspense Thriller series! This bundle offers books two and three in one convenient file, with over 100,000 words of reading. MMA champ-turned-FBI Special Agent and BAU specialist Dakota Steele is as tough as they come—and as brilliant, too, able to crack serial killers that no one else can. "The plot has many twists and turns, but it is the ending, which I did not see coming at all, that totally defines this book as one of the most riveting that I have read in years." —Reader review for Not Like Us In WITHOUT REMORSE (Book #2), when bodies turn up in scrap metal yards, displayed in dramatic and disturbing ways, Dakota may have finally met her match. As the case grows more complex, leading down a maze of dead ends, Dakota realizes there may be one clue just out of reach. And after a shocking twist, Dakota realizes that this killer may not be who she thinks he is. He may just be far more diabolical. Yet Dakota must still battle her own demons—the disappearance of her sister, the estrangement of her father—as all of it bears down on her at once. Can she hold it together long enough to solve the case? Or will she finally reach her breaking point? In WITHOUT A PAST (Book #3), when a new serial killer appears, using dangerous chemicals to murder victims, it's up to Dakota and her partner to track him down. But this killer is unlike any she's seen before—and Dakota may just find her own life in danger. Dakota's personal life offers no refuge from the stress. She has finally summoned the courage to contact her father, but their relationship is rocky at best, and Dakota is no closer to finding the answers she needs to unravel the mysteries of her past—and of her sister's disappearance. Can Dakota stop the killer in time to save the next victim? Can she find her own sister's killer? Or will her past remain a mystery forever? A complex psychological crime thriller full of twists and turns and packed with heart-pounding suspense, the DAKOTA STEELE mystery series will make you fall in love with a brilliant new female protagonist and keep you turning pages late into the night. Books #4 and #5 in the series—WITHOUT PITY and WITHOUT HOPE—are now also available. "This is a chilling, suspenseful page turner that just might leave you scared at night!" —Reader review for Not Like Us "Very intriguing, kept me turning page after page... A Dakota Steele FBI Suspense Thriller Bundle: Without Mercy (#1) and Without Remorse (#2) and Without A Past (#3) Ava Strong, 2022-09-19 A bundle of books #1 (WITHOUT MERCY), #2 (WITHOUT REMORSE), and #3 (WITHOUT A PAST) in Ava Strong's Dakota Steele FBI Suspense Thriller series! This bundle offers books one, two, and three in one convenient file, with over 100,000 words of reading. MMA champ-turned-FBI Special Agent and BAU specialist Dakota Steele is as tough as they come—and as brilliant, too, able to crack serial killers that no one else can. "The plot has many twists and turns, but it is the ending, which I did not see coming at all, that totally defines this book as one of the most riveting that I have read in years." —Reader review for Not Like Us In WITHOUT MERCY (Book #1), Dakota's last case broke her, driving her to quit the FBI and return to the hard streets of her South Dakota hometown. She is weighed down by a lifetime of fighting, and by the demons of her dark past: her missing sister who vanished when Dakota was a teenager. Her estranged father, who she still can't bring herself to speak to. The killer she let get away. Dakota has hit her low point. Only the most desperate case—and the tough love of her partner—can lure her back. Victims are disappearing along empty stretches of desert highway, with no witnesses. The landscape is desolate, the people tough and dangerous. And the police are stumped. Time is running out before the next victim is taken, and it's up to Dakota to connect the dots. Can Dakota stop him in time? Or will her own demons take her for good? In WITHOUT REMORSE (Book #2), when bodies turn up in scrap metal yards, displayed in dramatic and disturbing ways, Dakota may have finally met her match. As the case grows more complex, leading down a maze of dead ends, Dakota realizes there may be one clue just out of reach.
