Fake Love Ebou Gaye, 2010 The protagonist of this novel, Ya Rose, quit her job in her native country and travelled to the United Kingdom to seek greener pastures. There, she found life extremely hard contrary to her expectations. Consequently, she resorted to luring men into relationships with the aim of manoeuvring her way out of the awkward situation in which she found herself. The book is multi-themed, touching on marriage, religion, female circumcision, politics, journalism, etc. Below are excerpts: 'I'm always longing to see you or at least hear your melodious voice. I couldn't sleep a wink last night because I was thinking of you after we chatted on the phone ' 'You are beautiful and it will be very good to have you as a wife in addition to Awo who is equally gorgeous. I think history is about to repeat itself now that I'm planning to marry a second charming lady.' 'I will be saying pleasant things to you and giving you good things to make you feel comfortable and happy if you marry me. I will transform you into a very young boy ' 'I believe you can make me happy, but I wonder how you can turn an old man into a young lad. Do you have magical powers to do that?'

*So Good They Call You a Fake* Joshua Lisec, 2023-06-15 They call you a fake because you're the best. Being called a fake is the last rite of passage on the internet. In the relentless pursuit of excellence, you only know you've arrived when you have "haterz"—your most valuable marketers. So Good They Call You a Fake is how you get there. This book teaches step-by-step with no steps skipped how to get the visibility you've already earned, become an energy monster who thrives on all kinds of attention, and then monetize that attention to the max.

*Fake Me a Match* Lauren Barnholdt, 2011-10-04 When thirteen-year-old Avery LaDuke is put in charge of the eighth-grade charity project, an on-line matchmaking service, and tampers with the program to try to match her new stepsister and best friend, Blake, with the most popular boy in school, things quickly go awry.

*Fake Me on the Bayou* Corilyn Holloway, It was just a childhood promise that somehow turned into a pretend relationship. But suddenly, our fake love is feeling like the real deal . . . This one time at church camp, Tim Chaney and I made a promise. If neither of us was married by the time we turned twenty-five, then we'd marry each other. But deep down, I wasn't worried. I knew I was going to marry Brent Faulkner one day. So when I find out Brent's about to get hitched to someone else, I decide Tim is the person to help a girl out. There's only one problem... he thought our long-ago agreement was for real. I've been smitten with Annie Broussard since the moment I met her. We were just fourteen, but I knew the spunky, smart--if a teeny bit awkward--redhead was all I'd ever want. That feeling only got stronger because Annie grew up to be a beautiful woman. The only trouble is, she doesn't have eyes for me. When Annie reaches out to me in a last-ditch effort to snag the man of her dreams, I find a fresh swell of determination... and that childhood promise is my ace in the hole. Dip your toes into the ocean waters of Simoneaux Bayou and let the warm sands and wild waves carry your soul to a place where love can always be found...

Make Time Jake Knapp, John Zeratsky, 2018-09-25 From the New York Times bestselling authors of *Sprint* comes "a unique and engaging read about a proven habit framework [that] readers can apply to each day" (Insider, Best Books to Form New Habits). "If you want to achieve more (without going nuts), read this book."—Charles Duhigg, author of *The Power of Habit* Nobody ever looked at an empty calendar and said, The best way to spend this time is by cramming it full of meetings! or got to work in the morning and thought, Today I'll spend hours on Facebook! Yet that's exactly what we do. Why? In a world where information refreshes endlessly and the workday feels like a race to react to other people's priorities faster, frazzled and distracted has become our default position. But what if the exhaustion of constant busyness wasn't mandatory? What if you could step off the hamster wheel and start taking control of your time and attention? That's what this book is about. As creators of Google Ventures' renowned design sprint, Jake and John have helped hundreds of teams solve important problems by changing how they work. Building on the success of these sprints and their experience designing ubiquitous tech products from Gmail to YouTube, they spent years experimenting with their own habits and routines, looking for ways to help people optimize their

energy, focus, and time. Now they've packaged the most effective tactics into a four-step daily framework that anyone can use to systematically design their days. Make Time is not a one-size-fits-all formula. Instead, it offers a customizable menu of bite-size tips and strategies that can be tailored to individual habits and lifestyles. Make Time isn't about productivity, or checking off more to-dos. Nor does it propose unrealistic solutions like throwing out your smartphone or swearing off social media. Making time isn't about radically overhauling your lifestyle; it's about making small shifts in your environment to liberate yourself from constant busyness and distraction. A must-read for anyone who has ever thought, If only there were more hours in the day..., Make Time will help you stop passively reacting to the demands of the modern world and start intentionally making time for the things that matter.

And then to make things worse, she loses her job. In an act of reimagination, she splurges her wedding savings on renting an apartment in a building she's always dreamed of living in and kits out her wardrobe to match. **The Fake and Deceptive Science Behind Roe V. Wade** Thomas W. Hilgers, 2020-08-20 Our schools and healthcare institutions have abandoned the Hippocratic Oath and the Declaration of Geneva and replaced it with a policy of lethalism ...This is a direct result of the Court's acceptance and promotion of archaic scientific reasoning (Roe v. Wade) that, at best, would be considered pre-medieval and clearly out of touch with scientific reality. Fallout includes the expansion into fetal experimentation, human cloning, embryonic stem cell research, infanticide, and even physician-assisted suicide programs. The respect for life ethic has slowly been removed as the Supreme Court has so strongly supported the "lethalism becomes a way of life" ethic. Especially interesting is the

lack of support for any positive solutions to these issues. The recognition is that life at all stages in the womb is precious and able to make extraordinary contributions to our ability to love and to be loved, to bring about peace and to be at peace, to extract love in ways that only a very young and precious life is able to extract, and to express love in ways that can be boundlessly meaningful. As we move to reestablish the human right to live, we must also move beyond lethargy and install positive, life-affirming and meaningful solutions to real human problems. God bless us all as we move in this direction!

The Story of the Spirit Pin Nancy Johnson, 2020-08-03 The Story of the Spirit Pin is a tale about seeking perpetual peace on Earth to protect the most vulnerable population - the individual.
