Never Fall Down Patricia McCormick, 2012-05-08 This National Book Award nominee from two-time finalist Patricia McCormick is the unforgettable story of Arn Chorn-Pond, who defied the odds to survive the Cambodian genocide of 1975-1979 and the labor camps of the Khmer Rouge. Based on the true story of Cambodian advocate Arn Chorn-Pond, and authentically told from his point of view as a young boy, this is an achingly raw and powerful historical novel about a child of war who becomes a man of peace. It includes an author's note and acknowledgments from Arn Chorn-Pond himself. When soldiers arrive in his hometown, Arn is just a normal little boy. But after the soldiers march the entire population into the countryside, his life is changed forever. Arn is separated from his family and assigned to a labor camp: working in the rice paddies under a blazing sun, he sees the other children dying before his eyes. One day, the soldiers ask if any of the kids can play an instrument. Arn's never played a note in his life, but he volunteers. This decision will save his life, but it will pull him into the very center of what we know today as the Killing Fields. And just as the country is about to be liberated, Arn is handed a gun and forced to become a soldier. Supports the Common Core State Standards.

Fall Down 7 Times Get Up 8 Naoki Higashida, 2019-03-26 A follow-up to its bestselling predecessor, *The Reason I Jump* opens an extraordinary, rare window into the mind and world of an autistic, non-verbal person--now coping with a young man's life. Naoki Higashida wrote *The Reason I Jump* as a 13-year-old boy with severe autism, giving us all insight into a world never before open to us. Now he shares his thoughts and experiences as a 24-year-old. Based on his hugely successful blogs in Japan, he gives us, in short powerful chapters, his moving, beautiful insights into life, identity, education, his family, our society, and personal growth. He allows readers to experience profound moments we take for granted, like the thought-steps necessary for him to register that it's raining outside. Introduced by award-winning author David Mitchell (co-translator with his wife KA Yoshida), this book is part memoir, part critique of a world that sees disabilities ahead of

the individual, part self-portrait-in-progress of a young man who happens to have autism and wants to help us understand his world better.

All Fall Down James Leo Herlihy, 2018-04-17 A teenage boy's image of his older brother is shattered by tragedy in this "remarkable first novel" by the author of *Midnight Cowboy* (New York Herald Tribune Book Review). Some families get a reputation for being strange, and so it is with the Williamses of Seminary Street. The father, once an outspoken socialist, now keeps to his rocks glass. The mother has a reputation for scaring children. But the older son, named Berry-berry, is the most whispered-about of them all. A traveling vagabond, he's known for his cleft chin, loose morals, and streaks of violence. Then there's sixteen-year-old Clinton, who spends his time filling notebooks with every conversation he can overhear, word for word. When Clinton escapes the confines of home to find his big brother, he hopes to make a connection more real than anything he's put down on paper. But finding Berry-berry in coastal Florida will set off a tragic series of events that will stay with Clinton, and his family, forever. "There is something very wonderful about this book; it has a luminous thing that is the best thing in writing or any kind of art." –Tennessee Williams "Herlihy writes with an edge of iron." –Nelson Algren, National Book Award-winning author of *The Man with the Golden Arm*
