**Family Inc.** Douglas P. McCormick,2019-02-06 Actionable, intelligent CFO training for the Chief Family Financial Officer Family Inc. is a roadmap to financial security for the family CFO. Too much personal wealth management advice essentially boils down to goal-setting, which isn't helpful or effective in terms of overall financial planning. This book takes a different track, giving you a crash course in corporate finance and the tools to apply the field's proven, time-tested principles in the context of your family's financial situation. You'll learn the key principles of wealth creation and management, and learn how to make your intellectual and real capital work for you. Your family situation is unique, and your principles must sometimes differ from the standard financial advice—and that's okay. Life is not a template, and even the best strategy must be able to adapt to real-life situations. You'll learn to chart your own path to financial security, utilizing the author's own tools that he developed over 15 years as an active board member, chairman of the board, or chief financial officer of multiple companies. Oversimplified wealth management advice does not leave you equipped to manage your real-world finances. This guide is written with intellectual rigor, but in the language of family discussion, to give you a real, practical guide to being an effective family CFO. Create your own financial prosperity and security Align financial acumen with your family's specific situation Adapt to real-world situations and make your financial advisor work for you Utilize powerful financial tools to help you build financial independence Every family needs a CFO to manage wealth, and the principles of corporate finance apply from the boardroom to the living room. Family Inc. delivers actionable advice in the form of CFO training to help you plot a real-world family financial plan.

The Family CFO Mary Claire Allvine,Christine Larson,2004-01-17 At some point in every relationship, money becomes an issue. It often happens when couples first consider moving in together or getting married, or when they're facing a major life decision such as buying a home or having children. Whether it happens sooner or later, though, finally taking control of your financial future is a huge step toward solidifying your relationship and realizing your shared dreams. The Family CFO introduces couples to a personal-finance plan that turns managing your money into a romantic experience. By applying the tools and rules of the business world to minimize conflict and anxiety, you and your partner can focus on setting priorities and reaching goals instead of arguing over budgets. Then, after learning how to run the Family CFO system, you can work out personalized solutions to some of the biggest challenges couples face, including: \* Wresting control of debt \* Maintaining your lifestyle if one of you loses your job \* Deciding whether to change careers \* Arranging for one of you to stay at home with the kids. In plain language illustrated with real couple's stories and supplemented with helpful worksheets, The Family CFO offers best family practices worthy of even the most accomplished chief financial officer. And as the authors well know and show, approaching your joint finances like a business can lead to a lifetime of shared pleasure.

**The Family Money Farm: The CFO Project** Thomas W. Young,2020-02-14 The Family Money Farm The CFO Project By: Thomas W. Young "Tom Young lays out a solid approach for all of us. Many authors can write but Tom writes and thinks along with the reader. This is a must read." - Jody, BOO YAA! MMP "With being a Former Congressman I have met Tom over the year through the people I work with. I have found that he has a great way of thinking about money, how to manage it and shows you that what he says can be mathematically proven. He is a man that can make anyone understand the way you can make your money work better for you. He is someone that is above the rest and I feel that this book will be a great read and will help anyone get ahead in their life if they just listen and do what he tells them to do." -The Honorable Bob McEwen
