No Crowns in the Castle Fantasia Taylor, Kendall Taylor, 2022-04-26 A Grammy Award-winning singer and her husband share what a Godly marriage looks like and encourage readers with faith-forward and Biblical relationship advice. □ Fantasia Taylor—American Idol, Grammy-winning vocalist, and chart-topping singer—and her husband businessman Kendall Taylor were both successful and living in their purpose when they met and married three weeks later. Their marriage has had its ups and downs, but the one thing that has sustained them through all of it is the practice of taking off their crowns—the accolades, their egos, the things the world tells you matter—and serving each other within the home. It doesn't matter who you are in the world—you need to humble yourself and serve your partner in order to put your marriage, your family, and your faith first. Seven years later, after facing a host of real-world challenges—from marital stress to professional and financial pressures, to their high-risk pregnancy and the premature birth of their daughter—Fantasia and Kendall's marriage has become a beacon of hope and love as they have opened up about their lives in their weekly 'Taylor Talks' broadcast. Now, in their first book together, Fantasia and Kendall dish about their shared experiences and struggles, opening up about the challenges and triumphs they've faced together and how they have come out stronger for them. They also share stories about how they've made their relationship work against all odds and why they try to always treat each other like royalty. In their trademark no-nonsense, real-talk style, they discuss topics that affect all relationships, including the importance of submitting to one another, handling conflict, clearing the lines of communication, keeping the romance alive, navigating the challenges of blended family, and how to maintain healthy relationships when you haven't seen them modeled before. Insightful, wise, and grounded in faith, Fantasia and Kendall's story offers hope and encouragement and gives straight-up advice about making your relationships last.

"You have wondered why I came to this era, and it ought to trouble you, for I do not travel time lightly, as you believe." I've made a mess of my life here in eleventh century Europe. My defiance cost Augustin his name, and now he's banished from the Teuton community. And it just so happens that I'm pregnant with his child. Either I face public ostracism—or choose to marry Joel, who's been trying to woo me ever since he got over his girlfriend's death. I guess the time travelers ought to stick together. Just hope he doesn't bother to count the months. My only escape now is a magical dream world I share with Augustin. Reality is bleak, since Joel has a penchant for knocking me up—and the Teutons' destruction looms on the horizon. I have to find a way to save my children from the impending apocalypse, and then gear myself up to look death in the eye. Will my romance with Augustin withstand a demon's wiles? The Queens of Animation Nathalia Holt,2019-10-22 From the bestselling author of *Rise of the Rocket Girls*, the untold, richly detailed story of the women of Walt Disney Studios, who shaped the iconic films that have enthralled generations (Margot Lee Shetterly, New York Times bestselling author of *Hidden Figures*). From *Snow White* to *Moana*, from *Pinocchio* to *Frozen*, the animated films of Walt Disney Studios have moved and entertained millions. But few fans know that behind these groundbreaking features was an incredibly influential group of women who fought for respect in an often ruthless male-dominated industry and who have slipped under the radar for decades. In *The Queens of Animation*, bestselling author Nathalia Holt tells their dramatic stories for the first time, showing how these women infiltrated the boys' club of Disney's story and animation departments and used early technologies to create the rich artwork and unforgettable narratives that have become part of the American canon. As the influence of Walt Disney Studios grew -- and while battling sexism, domestic abuse, and workplace intimidation -- these women also fought to transform the way female characters are depicted to young audiences. With gripping storytelling, and

based on extensive interviews and exclusive access to archival and personal documents, *The Queens of Animation* reveals the vital contributions these women made to Disney's Golden Age and their continued impact on animated filmmaking, culminating in the record-shattering *Frozen*, Disney's first female-directed full-length feature film. Life Is Not a Fairy Tale Fantasia,2006-05-02 Fantasia Barrino, star of the 2023 film *The Color Purple*, tells the story of her astonishing rise from hopeless high school dropout to American Idol superstar in the inspirational New York Times bestseller *Life Is Not a Fairy Tale*. In one moment, with one tearful performance of *Summertime*, the nineteen-year-old Fantasia captured the hearts—and the votes—of millions of American Idol fans. Her powerful voice and independent style made her an overnight national sensation. But life wasn't always sensational for Fantasia. At the age of seventeen, despite the promise of her extraordinary voice, Fantasia was in danger of becoming just another sad statistic: an uneducated, unmarried teenage mother living in the projects. But Fantasia had been raised by two strong, influential women: Both her grandmother and mother are preachers, and she was raised with an unshakable faith. In *Life Is Not a Fairy Tale*, Fantasia speaks—with a spirit as strong as her voice—about what it takes to believe in the power of one's self. She turns all that she's learned into uplifting life lessons, including: • Recognize your gift • You made your bed, now lie in it • Give props where props are due • Like mother, like daughter • It ain't about the bling Fantasia keeps it real with her sassy, self-confident style and down-to-earth advice, making us laugh and cry with her. *Life Is Not a Fairy Tale* is more than just a celebrity success story. It's a book of revelations that will inspire everyone to reach for their greatest potential.

Leopoldstadt Tom Stoppard,2020-08-25 **Winner of the Tony Award for Best Play** Finally making its Broadway debut in a limited engagement run, Tom Stoppard's humane and heartbreaking Olivier Award-winning play of love, family, and endurance At the beginning of the twentieth century, Leopoldstadt was the old, crowded Jewish quarter of Vienna, a city humming with artistic and intellectual excitement. Stoppard's epic yet intimate drama centers on Hermann Merz, a manufacturer and baptized Jew married to Catholic Gretl, whose extended family convene at their fashionable apartment on Christmas Day in 1899. Yet by the time the play closes, Austria has passed through the convulsions of war, revolution, impoverishment, annexation by Nazi Germany, and the Holocaust, which stole the lives of 65,000 Austrian Jews alone. From one of today's most acclaimed playwrights, Leopoldstadt is a human and heartbreaking drama of literary brilliance, historical verisimilitude, and powerful emotion.
