Available only while stock lasts. \*A Book Riot Must-Read South Asian Book of 2022\* \*A BuzzFeed Highly Anticipated YA Book of Summer 2022\* She grew up battling the monsters that live in the black seas, but it couldn't prepare her to face the cunning cruelty of the ruling elite. Perfect for fans of *The Hunger Games* and *These Violent Delights*, this South Asian-inspired fantasy is a gripping debut about the power of the elite, the price of glory, and one girl's chance to change it all. Sixteen-year-old Koral and her older brother Emrik risk their lives each day to capture the monstrous maristags that live in the black seas around their island. They have to, or else their family will starve. In an oceanic world swarming with vicious beasts, the Landers—the ruling elite, have indentured Koral's family to provide the maristags for the Glory Race, a deadly chariot tournament reserved for the upper class. The winning contender receives gold and glory. The others—if they're lucky—survive. When the last maristag of the year escapes and Koral has no new maristag to sell, her family's financial situation takes a turn for the worse and they can't afford medicine for her chronically ill little sister. Koral's only choice is to do what no one in the world has ever dared: cheat her way into the Glory Race. But every step of the way is unpredictable as Koral races against competitors—including her ex-boyfriend—who have trained for this their whole lives and who have no intention of letting a low-caste girl steal their glory. As a rebellion rises and rogues attack Koral to try and force her to drop out, she must choose—her life or her sister's—before the whole island burns. The Magic of the Aurora Light: Free Reverse Harem Fantasy Romance Alexia S. Praks,Alexia Praks,2019-05-27 My name is Alfie. I'm nothing special. Just your average nineteen-year-old girl doing her best at life. Then that happens. The unexpected. The impossible. The magic. When I first set foot on St. James Manor, a charming old house my parents bought and turned into a retreat for writers, I feel a sense of connection with the magical place. One night, I'm inadvertently transported to another realm. Disorientated and afraid of my new, mysterious surroundings, I'm found by two dark warrior lords. Despite having a fun and adventurous soul, I find nothing exciting as these two gorgeous warriors, Caleb and Felix, take me back to their camp and proceed to grill me about my background. When a group of bandits pursues me, and I am lost in the wild, dangerous woods, an alluring vision-in-white of a lord appears. His name is Geoffrey, and his enthralling charm fascinates me. Alfie and the Seven Demon Lords story is a reverse harem fantasy romance. **Fantasy Nude Photography** Rayment Kirby, 2014-05-13 Of the many different types of fine art photography, fantasy nudes are among the more creative and daring. Since we're dealing in fantasy, anything is possible. It's not necessary to travel to exotic locales for a shoot or for that matter, limit yourself to locales that exist at all! With a little imagination, simple lighting arrangements and some computer postproduction, it's possible to simulate location shoots, create imagined locations or take a standard nude shot and make it into an exotic portrait. One of the benefits of creating images in this manner is that it frees the photographer up from needing a model to be in the right place at the right time. Working with preexisting nature or location shots, it's possible to photograph a model in the comfort of a studio and then combine the images by compositing. Kirby presents dozens of examples where he employed this method to great success. While creating fantastical and striking backgrounds are a big part of Kirby's work, thoughtful lighting plans when shooting the models is what makes the images really stand out. He experiments with different ways of using his lights, sometimes creating his own DIY lighting units, and shares the details throughout the book. Matching the light in the studio to the light of the imagined location is imperative. Each photo in the book has an explanation of the concept for the image, details on the execution of the shoot, and a lighting diagram. In addition, the images are also accompanied by alternate photos or before-and-after shots. Not every image in the book is rooted in fantasy. There are dramatic studio portraits and unique nature shots all created in the same manner that Kirby employs for his fantasy shots. Working in this manner allows for more trouble-shooting options. Sometimes it is necessary to create an image under less than suitable conditions. For instance, say your shoot requires a summery scene in mid-winter. In one of the lessons, Kirby used a previously taken picture of a bright cloudy sky, added lighting to the model as if the shoot were being done outdoors and photographed the model in front of blue screen allowing him the option to drop her into the landscape photo afterwards.

**The Year's Best Fantasy and Horror 2007** Kelly Link, Gavin Grant, 2007-10-02 For twenty years this award-winning compilation has been the nonpareil benchmark against which all other annual fantasy and horror collections are judged. Directed first by Ellen Datlow and Terri Windling and for the past four years by Datlow and Kelly Link and Gavin J. Grant, it consistently presents the strangest, the funniest, the darkest, the sharpest, the most original—in short, the best fantasy and horror. The current collection, marking a score of years, offers more than forty stories and poems from almost as many sources. Summations of the field by the editors are complemented by articles by Edward Bryant, Charles de Lint, and Jeff VanderMeer, highlighting the best of the fantastic in, respectively, media, music, and comics, as well as honorable mentions—notable works that didn't quite make the cut, but are nonetheless worthy of attention. *The Year's Best Fantasy and Horror: Twentieth Annual*

Collection is a cornucopia of fantastic delights, an unparalleled resource and indispensable reference that captures the unique excitement and beauty of the fantastic in all its gloriously diverse forms, from the lightest fantasy to the darkest horror.
