**Trapped in Wonderland** Dani Hoots, 2017-02-01 FOR THE MONTH OF JANUARY ONLY: Book 1: FREE (regularly \$2.99) Book 2: \$0.99 (regularly \$5.99) Book 3: \$2.99 (regularly \$5.99) Book 4: \$2.99 (regularly \$5.99) Never did Meredith "Alice" Hughes expect to stumble upon a portal to another world in some boy's locker, and that portal leading to Wonderland. After something shoves her through, she runs into her classmates and discovers that they are characters from Lewis Carroll's "Alice's Adventures in Wonderland". They make her forget everything she saw, but that doesn't mean she is out of trouble yet. The White Rabbit has other plans for her as he sneaks into her hometown of Salem, Oregon and tries to kill her before she can stop the evil taking over Wonderland. But just before he succeeds, the Cheshire Cat saves her and takes her back to Wonderland. Except now she is stuck in the fantasy world and has to fight the Cirque de Rêves, a group led by Morpheus that is trying to take over Wonderland. However, it's not just Wonderland that is in trouble, but also the people in her world as each citizen in Wonderland represents a human's dream. Can Alice overcome her fears and insecurities to defeat Morpheus? Or will he be able to lock her away in darkness forever? Fantastic Worldbuilding Wondrous Characterization Eccentric Plot Fragments of charming romance Refreshing YA fairytale! - Amazon Review I loved the premise of the story: something is wrong in Wonderland, but the original Alice isn't there to save it this time. A new Alice is pulled into Wonderland to defeat the latest evil, finding that pieces of Lewis Carroll's original story were based in truth and now she must step into the shoes of a legendary hero. Details from the original Alice in Wonderland are brilliantly woven into the novel, and usually with a twist that makes it fresh. - Amazon Review I found myself becoming completely immersed into Wonderland and this particular story. I liked the various nods to the original story, while keeping true to this retelling. I have read a few Alice in Wonderland retellings, and Trapped in Wonderland is probably my favorite. - Goodreads Review

**City of the Uncommon Thief** Lynne Bertrand,2022-03-01 A dark and intricate fantasy, City of the Uncommon Thief is the story of a quarantined city gripped by fear and of the war that can free it. Guilders work. Foundlings scrub the bogs. Needles bind. Swords tear. And men leave. There is nothing uncommon in this city. I hope Errol Thebes is dead. We both know he is safer that way. In a walled city of a mile-high iron guild towers, many things are common knowledge: No book in any of the city's libraries reveals its place on a calendar or a map. No living beasts can be found within the city's walls. And no good comes to the guildler or foundling who trespasses too far from their labors. Even on the tower rooftops, where Errol Thebes and the rest of the city's teenagers pass a few short years under an open sky, no one truly believes anything uncommon is possible within the city walls. But one guildmaster has broken tradition to protect her child, and now the whole city faces an uncommon threat: a pair of black iron spikes that has the power of both sword and needle on the rib cages of men has gone missing, but the mayhem they cause rises everywhere. If the spikes are not found, no wall will be high enough to protect the city—or the world beyond it. And Errol Thebes? He's not dead and he's certainly not safe.

*The Fall of the Readers* Django Wexler,2017-12-05 In this thrilling conclusion to Alice's adventures in The Forbidden Library she must lead her band of friends, magical beings, and creatures against the collected might of the Old Readers—perfect for fans of Story Thieves, Inkheart, Coraline, and Harry Potter. When Alice defeated her uncle Geryon and declared war on the totalitarian ways of the Old Readers, she knew she would have a hard fight ahead. What she didn't anticipate was the ruthlessness of the Old Reader—who can control magic and enter worlds through books. All the creatures she promised to liberate and protect are being threatened, and slowly all of Alice's defenses are being worn away. So when Ending (the giant cat-like creature who guards the magical labyrinth in Geryon's library) hints at a dangerous final solution, Alice jumps at the chance, no matter the cost to her life. She and her friends—a fire sprite, Ashes the cat, and the other apprentice Readers she met during her previous adventures—go on a quest to free the one creature possibly strong enough to overturn the Old Readers once and for all. But before it's all over, Alice will be betrayed, her true identity will be revealed, and she'll have to be willing to give up the person she loves the most. This is beautifully written, classic, bold historical fantasy—brave, bloody, action-packed and adventurous—with a girl at the center.
