In this sequel to The Halloween haunter, Jenny and Jonathan are swept up into a new adventure. The black horse rescued at Halloween has been given a new home but little does the family know he is not the only one in need of help! As the family prepares for Thanksgiving and the Civic Event, Henry introduces his Native American skill of tracking to Jonathan and Jenny to practice in the vast forests of the farm. An unexpected emergency leads the family into a life or death experience with a stranger. But it is Jenny's new skill of tracking that saves her loved ones and the animals that find sanctuary in the woods. Be sure to read the other books in The Jenny Adventure Series: A NATIVITY CHRISTMAS, THE EASTER MIRACLE, HAMILTON SAVES THE 4TH OF JULY, and THE HALLOWEEN HAUNTER. A NATIVITY CHRISTMAS is the first book: Jenny's animal friends are waiting for her at Grandpa Bob's farm

to read the annual Christmas story. On the way, a sudden snowstorm hits, causing the truck to lose control and collide with a pack of wolves! Stuck in a snow bank, and surrounded by wolves, Jenny and her family need help. Sensing danger, the farm animals sound the alarm and help rescue the family they've all grown to love. THE EASTER MIRACLE is the second book: Millie, the beloved family cow, is due to deliver her baby any day. Jenny and her new friend, Jonathan, are to sing in the church's Easter concert. That same night, Millie's labor begins and she's in trouble. The farm animals must somehow warn the family in time to save Millie's baby. HAMILTON SAVES THE 4TH OF JULY is the third book: It's summertime. Jenny and her new friend, Jonathan, have been busy helping Dr. Ben with the neighborhood animals...including Sophia, the big pink pig that gets into lots of trouble. One day, an unexpected visitor shows up on the farm and is welcomed to make it his home. It is the love for his new family that enables him to face the danger that threatens Jenny and Jonathan and to save Eli Saunders' farm! THE HALLOWEEN HAUNTER is the fourth book: Soon it will be Halloween and it's a time for Fall Festivals in the country area where the children live. But bags full of horse feed are disappearing and the town is becoming uneasy because of the continued theft. Who is taking them? Why haven't the dogs warned the farms? During a walk in the woods to gather leaves and boughs for a fall cornucopia, Jenny and Jonathan are thrown into a new adventure as they discover the thief and the mystery of the hidden graveyard that has become his home. All these books are

**The Invisible Farm** Thomas Pawlick,2001

The nature of rural life and food production is changing dramatically but remains overlooked by the major media. The Invisible Farm provides the first substantial accounting of this problem, addressing issues such as habitat destruction, loss of biodiversity, pollution, and soil degradation. Pawlick supplies readers with frightening examples of events taking place

worldwide without public awareness. As these environmental problems get worse, farm reporters are disappearing from newspapers and television. Rural news and environmental issues are increasingly neglected. Pawlick argues that this lack of interest is partly due to less agricultural journalism training at universities. As a result, massive changes in farming, distribution, and production continue unabated while the consuming public is left uninformed. A Burnham Publishers book
