Cats Don't Fart Colleen Frank,2023-12-11 Cats Don't Fart Right In Your Face Dogs Will Fart All Over The Place. This story is a tribute to my beautiful, kind, and very polite Gray Tabby: Stanley Cup Frank. He had a tummyache and nothing was making him feel better. I looked at him and thought, If only you could fart, that might help. Then I thought of our hilarious English Springer Spaniel Dog Child, Casey Goofy Hector Protector Gugenheimer Frank, who was the King of Farts. He would sprawl across our coffee table in a crowded room and let out farts like sonic booms. On a scale of 1 to 10, he scored a billion. Everyone would run out of the room covering their noses and gasping for air. There are differences between cats and dogs and we love them all. Just another example: Cats will circle their food And give you THAT LOOK If they don't like it Dogs will sniff anything On the ground And bite it.

Does It Fart? Nick Caruso,Dani Rabaiotti,2019-07-02 A hilariously informative book of facts, farts, and fun! Dogs fart. Cats fart. Horses fart (a lot). But what about snakes? Spiders? Octopuses? What about chimpanzees? Cheetahs? Or dinosaurs? In this gaseous guide to kids' favorite animals (and some they've probably never heard of), young readers will discover not only which animals pass gas, but also which have the stinkiest farts, which fart the most, and where all this smelly stuff comes from. They'll even learn which species has its own secret fart code! Perfect for reluctant readers, and with full-color illustrations throughout, Does It Fart? is the funniest book you never knew you needed. Based on the New York Times bestseller Does It Fart?: The Definitive Field Guide to Animal Flatulence.

The Stray Cat Handbook Tamara Kreuz,2008-04-21 Finally, a book that deals with stray cats; a how-to guide to trapping and dealing with a stray cat. As a pet owner, animal lover and director of a humane organization that deals with stray cats every day, this book gives us one more tool to offer to people who want to help the thousands of strays that wander our streets. Bravo! Joseph J. Sprague, Jr., Executive Director, Tree House Animal Foundation Tamara Kreuz cares about the plight of stray and feral cats and gives practical ways to help them. Individuals and shelters can benefit from this book. If those who find stray animals can themselves set about to help by finding homes for domestic strays, or by creating safe havens for feral cats, this will make life a lot easier for shelter personnel, who are all too often overburdened by the number of animals they receive. We highly recommend The Stray Cat Handbook. Louise Holton and Becky Robinson, Co-founders, Alley Cat Allies: The National Feral Cat Network This is a must read for those considering animal rescue work. The information and suggestions provided are first rate and are based on actual experiences. Linda A. Heller, Division Manager, Orange County Animal Services (Florida) A Howell Cat Book of Distinction

They conclude with specific recommendations for pet owners, the pet food industry, and regulators. A road map to the most nutritious diets for cats and dogs, *Feed Your Pet Right* is sure to be a reference classic to which all pet owners will turn for years to come.

Speed and Kentucky Ham William S. Burroughs, 1993-10-01 A pair of autobiographical novels with “a compelling narrative that balances the methedrine horrors with the outcast’s romantic search for identity (Rolling Stone). William S. Burroughs, Jr.—son of the legendary outlaw author of Naked Lunch—often felt he was “cursed from birth.” Following in his father’s footsteps in tragically uncanny ways, Burroughs chronicled his own experiences in the novels Speed and Kentucky Ham. Each presents a methedrine-inspired odyssey, and a vision of alienated youth at its most raw and uncensored. Speed follows Billy as he hustles for dope and money, crashing in garbage-strewn apartments and guiding a paranoid friend through the perilous city streets. With tough, gritty detachment, he describes the stages of his own drug addiction and physical and emotional deterioration. Kentucky Ham takes him from the squalor of the East Village crash pads to his father's literary hideaway in Tangier, and finally to incarceration at the Federal Narcotics Hospital in Lexington, Kentucky. Through both these autobiographical novels, William S. Burroughs, Jr., tells a story of generational isolation that is as relevant today as when it was first written.
