Hot Pink Susan Goldman Rubin,2015-09-08 Shocking pink-hot pink, as it is called today-was the signature color of Elsa Schiaparelli (1890-1973) and perhaps her greatest contribution to the fashion world. Schiaparelli was one of the most innovative designers in the early 20th century. Many design elements that are taken for granted today she created and brought to the forefront of fashion. She is credited with many firsts: trompe l'oeil sweaters with collars and bows knitted in; wedge heels; shoulder bags; and even the concept of a runway show for presenting collections. *Hot Pink*-printed with a fifth color, hot pink!-explores Schiaparelli's childhood in Rome, her introduction to high fashion in Paris, and her swift rise to success collaborating with surrealist and cubist artists like Salvador Dalí and Jean Cocteau. The book includes an author's note, a list of museums and websites where you can find Schiaparelli's fashions, endnotes, a bibliography, and an index.

Hot & Heavy Virgie Tovar,2012-10-16 In this fun, fresh, fat-positive anthology, fat activist and sex educator Virgie Tovar brings together voices from an often-marginalized community to talk about and celebrate their lives. *Hot & Heavy* rejects the idea that being thin is best, instead embracing the many fabulous aspects of being fat-building fat-positive spaces, putting together fat-friendly wardrobes, turning society's rules into personal politics, and creating supportive, inclusive communities. Writers, activists, performers, and poets-including April Flores, Alysia Angel, Charlotte Cooper, Jessica Judd, Emily Anderson, Genne Murphy, and Tigress Osborn-cover everything from fat go-go dancing to queer dating to urban gardening in their essays, exploring their experiences with the word "fat," pinpointing particular moments that have impacted the way they think and feel about their bodies, and telling the story of how they each became fat revolutionaries. Ground-breaking and long overdue, *Hot & Heavy* is a fierce, sassy, thoughtful, authentic, and joyous collection of stories about unapologetically-and unconditionally-loving the body you're in.

Front Row Jerry Oppenheimer, 2007-04-01 From the New York Times bestselling author of Just Desserts: Martha Stewart: The Unauthorized Biography comes a scrupulously researched investigative biography that tells the inside story of Anna Wintour's incredible rise to power From her exclusive perch front row center, glamorous Vogue magazine editor in chief Anna Wintour is the most powerful and influential style-maker in the world. Behind her trademark sunglasses and under the fringe of her Louise Brooks bob she determines whether miniskirts are in or out, whether or not it's politically correct to wear fur. She influences designers, wholesalers, and retailers globally from Seventh Avenue to the elegant fashionista enclaves of L'Avenue Montaigne and Via della Spiga. In the U.S. alone a more than \$200 billion fashion industry can rise or fall on Anna Wintour's call. And every month millions of women- and men-read Vogue, and are influenced by the pages of the chic and trendy style wish-book that she has controlled with an iron hand in a not-always-so-velvet glove since fighting her way to the most prestigious job in fashion journalism. Anna Wintour's fashion influence extends to celebrities and politicians: because of it, Hillary Clinton underwent a drastic makeover and became the first First Lady to strike a pose on the cover of Vogue in the midst of Monicagate; Oprah Winfrey was forced to go on a strict diet before Wintour would put her on Vogue's cover. And beauties like Rene Zellweger and Nicole Kidman follow Anna Wintour's fashionista rules to the letter. Now in her mid-fifties, as she nears her remarkable second decade at the helm of Vogue, comes this revealing biography that will shock and surprise both Anna's fans and detractors alike. Based on scores of interviews, Front Row unveils the Anna Wintour even those closest to her don't know. Oppenheimer chronicles this insecure and creative powerhouse's climb to the top of the bitchy, competitive fashion magazine world, showing up close, as never before exposed, how she artfully crafted and reinvented herself along the way. She's been called many things-Nuclear Wintour, by the British press, cold suspicious and autocratic, a vision in skinniness, by Grace Mirabella, the editor she dethroned at Vogue, and the Devil by those who believe she's the inspiration for a recent bestselling novel written by a former assistant. Included among the startling revelations in Front Row are: * Anna's silver spoon childhood spent craving time with her father. * Anna's rebellious teen years in London, obsessed with fashion, night-clubbing and dating roguish men. * Anna's many tempestuous romances. * Anna's curious marriage to a brilliant child psychiatrist, her role as a mother, and the shocking scandal that led to divorce when she had an affair with a married man.

How to Look Hot in a Minivan Janice Min, 2012-09-18 In 2003, as the newly named editor in chief of Us Weekly magazine, Janice Min was busy documenting a seismic cultural shift: the making of the Hollywood Mom. Think Angelina Jolie, Victoria Beckham, Halle Berry, and Beyoncé-stars who proudly displayed their pregnancies, shed the baby weight overnight, and helped turn the once-

frumpy bump industry into seriously big business. In the blink of an eye, it seemed, skinny jeans had replaced mom jeans. Bugaboos had become status symbols. Motherhood itself had become an exciting style statement. And then—just eight weeks after her big promotion—Janice discovered that she was pregnant, too. I started ogling, with morbid fascination, the photographs that flooded my office—red-carpet and paparazzi shots of celebrities in bikinis and bandage dresses mere weeks after giving birth, she writes. I'd stare at my own ever-expanding body. Then I'd stare at Heidi Klum (who gave birth one month before my due date and managed to bounce back before I'd even hit the delivery room). How did these women do it? I wondered. How to Look Hot in a Minivan was born. With her trademark self-deprecating style and tongue-in-cheek humor, Janice set out to debunk some of Hollywood's biggest mommy myths. Then she brought together the industry's biggest experts in fitness, fashion, beauty, and all-things-baby to divulge the secrets behind the stars' seemingly effortless postpartum style. Serving up practical, honest, and often surprising advice for new moms everywhere, Janice and her arsenal of experts reveal:

- The 10 Wardrobe Essentials every chic mom should own
- How to style red carpet-worthy hair, even on school days
- The secrets to hiding a postnatal stomach pooch
- The truth behind the C-tuck (Do celebrity moms sometimes slim down courtesy of a combination cesarean section-tummy tuck?)
- Hollywood's Biggest Losers (What did it really take for stars like Kate Hudson, Milla Jovovich, and Poppy Montgomery to lose the baby weight?)

In *How to Look Hot in a Minivan*, Min dispels the idea that looking great post-pregnancy is only for the rich, the pampered, and the lucky. With Min's guilt-free, stay-sane strategies, moms everywhere can look and feel like stars—whether their baby is six months or sixteen years.
