Jay Calderin

Fashion and Cultural Studies Susan B. Kaiser, Denise N. Green, 2021-11-04 Bridging theory and practice, this accessible text considers fashion from both cultural studies and fashion studies perspectives, and addresses the growing interaction between the two fields. Kaiser and Green use a wide range of cross-cultural case studies to explore how race, ethnicity, class, gender and other identities intersect and are produced through embodied fashion. Drawing on intersectionality in feminist theory and cultural studies, Fashion and Cultural Studies is essential reading for students and scholars. This revised edition includes updated case studies and two new chapters. The first new chapter explores religion, spirituality, and faith in relation to style, fashion, and dress. The second offers a critique of “beauty” and considers dressed embodiment inclusive of diverse sizes, shapes and dis/abilities. Throughout the text, Kaiser and Green use a range of examples to interrogate the complex entanglements of production, regulation, distribution, consumption, and subject formation within and through fashion.

That's What Fashion Is Joe Zee, Alyssa Giacobbe, 2015-10-13 Joe Zee, the editor-in-chief of Yahoo Style takes readers behind the scenes of the crazy and wonderful world of fashion in *That's What Fashion Is*, packed with never-before-seen colour photographs from Joe's personal collection. From his early years styling shoots for Vanity Fair's 'Hollywood' issue with famed photographer Annie Leibovitz to his role playing himself on MTV's reality show *The City* to making celebrities look fabulous in the pages of ELLE and reporting live from the red carpet, Joe lets readers in on how the fashion industry really works, from the fashion disasters to the blockbuster successes. First-person stories are combined with accessible and practical tips for women everywhere, including what to wear on your first day of work, how to take a great selfie, and how to look amazing at any age.

Luxury Fashion Branding U. Okonkwo, 2016-01-18 This groundbreaking fashion branding and management text brings an analytical business dimension to the marketing and corporate techniques of the luxury fashion goods industry. It will make engaging reading for anyone who wishes to learn about the captivating business of turning functional products into objects of desire.

Guide to Producing a Fashion Show Judith C. Everett, Kristen K. Swanson, José Blanco F., 2018-09-06 *Guide to Producing a Fashion Show*, Fourth Edition, explains all aspects of fashion show production including: reasons to produce a show, planning, model selection, merchandise selection, staging and music, budgeting, show preparation, execution, and evaluation. The fourth edition has behind-the-scenes examples, best practices and innovative approaches in fashion show production—from promotion using social media to selecting music and models. Whether you are experienced or a novice, this text shows you step-by-step how to plan, organize, promote, and execute an exciting fashion show. New to this Edition - Includes examples from couture and ready-to-wear shows, as well as innovative approaches including non-traditional fashion shows and fashion presentations - New information on careers in the fashion industry that are related to fashion show production, like styling, public relations, and event management - New perforated worksheets include documents and templates to plan a fashion show - 25% new photographs - Discussions of diversity in the fashion industry and current trends - More coverage and examples from menswear and global fashion capitals

Edith Wharton and the Making of Fashion Katherine Joslin, 2009 The origins of the modern fashion industry as seen through the works of Edith Wharton

Form, Fit, Fashion Jay Calderin, 2009-12-01 An indispensable primer for students and first-stop reference for professionals, *Form, Fit, and Fashion* guides the fashion designer through the entire design process, from conceiving a garment to marketing it. This handbook collects the information and ideas essential to planning and executing fashion projects of every scale and distills them in an easy-to-use format that is compact enough to slip into a tote. Linking six central phases in the cycle of fashion—research, editing, design, construction, connection, and evolution—*Form, Fit, and Fashion* will help designers to develop effective strategies for building a cohesive collection and communicating their vision.

Queen of Fashion Caroline Weber, 2007-10-02 In this dazzling new vision of the ever-fascinating queen, a dynamic young historian reveals how Marie Antoinette's bold attempts to reshape royal fashion changed the future of France Marie Antoinette has always stood as an icon of supreme style, but surprisingly none of her biographers have paid sustained attention to her clothes. In *Queen of Fashion*, Caroline Weber shows how Marie Antoinette developed her reputation for fashionable excess, and explains through lively, illuminating new research the political controversies that her clothing provoked. Weber surveys Marie Antoinette's Revolution in Dress, covering each phase of the queen's tumultuous life, beginning with the young girl, struggling to survive Versailles's rigid traditions of royal glamour (twelve-foot-wide hoopskirts, whalebone corsets that crushed her organs). As queen, Marie Antoinette used stunning, often extreme costumes to project an image of power and wage war against her enemies. Gradually, however, she began to lose her hold on the French when she started to adopt unqueenly outfits (the provocative chemise) that, surprisingly, would be adopted by the revolutionaries who executed her. Weber's queen is sublime, human, and surprising: a sometimes courageous monarch unwilling to allow others to determine her destiny. The paradox of her tragic story, according to Weber, is that fashion—the vehicle she used to secure her triumphs—was also the means of her undoing. Weber's book is not only a stylish and original addition to Marie Antoinette scholarship, but also a moving, revelatory reinterpretation of one of history's most controversial figures.

Changing Clothes in China Antonia Finnane, 2008-01-24 Based largely on nineteenth and twentieth-century representations of Chinese dress as traditional and unchanging, historians have long regarded fashion as something peculiarly Western. But in this surprising, sumptuously illustrated book, Antonia Finnane proves that vibrant fashions were a vital part of Chinese life in the late imperial era, when well-to-do men and women showed a keen awareness of what was up-to-date. Though foreigners who traveled to China in the early decades of the twentieth century came away with the impression that Chinese dress was simple and monotone, the key features of modern fashion were beginning to emerge, especially in Shanghai. Men in blue gowns donned felt caps and leather shoes, girls began to wear fitted jackets and narrow pants, and homespun garments gave way to machine-woven cloth, often made in foreign lands. These innovations marked the start of a far-reaching vestimentary revolution that would transform the clothing culture in urban and much of rural China over the next half century. Through Finnane's meticulous research, we are able to see how the close-fitting jacket and high collar of the 1911 Revolutionary period, the skirt and jacket-blouse of the May Fourth era, and the military style popular in the Cultural Revolution led to the variegated, globalized wardrobe of today. She brilliantly connects China's modernization and global visibility

with changes in dress, offering a vivid portrait of the complex, subtle, and sometimes contradictory ways the people of China have worn their nation on their backs.

Fashion Fads through American History Jennifer Grayer Moore,2015-12-14 Perfect for any reader interested in fashion, history, or popular culture, this text is an essential resource that presents vital information and informed analysis of key fashion fads not found elsewhere. *Fashion Fads Through American History: Fitting Clothes into Context* explores fashion fads from the 19th century to the current decade, providing the reader with specific insights into each era. The text draws fascinating connections between what we see in fashion phenomena—including apparel, accessories, hair, and makeup—and events in popular culture in general and across history. Written by an art and design historian, the book is ideal for a wide range of student research projects, especially those in American history, social studies, art, and literature classes. It covers topics overlooked by fashion history texts because of their origination outside of the formal fashion system. Each entry provides critical historical context to help readers understand why the fad originated and why it resonated with consumers, and presents vital information and analysis of key fashions that were intimately related to currents in contemporary culture. The text also considers the resurgence of some fashion fads in the late 20th and early 21st centuries and provides context for their relevance.

Basics Fashion Design 05: Fashion Drawing John Hopkins,2009-12-02 Presenting a fresh perspective on the basic principles and practices of contemporary drawing styles, this work describes the process of fashion drawing, offers advice on the selection of materials and media, discusses the stylized proportions of the fashion figure, and more.

In an Influential Fashion Ann T. Kellogg,2002-03-30 Annotation Identifies the major designers and retailers who have impacted 19th- and 20th-century American fashion and culture.

Becoming a Fashion Designer Lisa Springsteel,2013-05-06 The complete guide to the fashion industry, featuring interviews with top designers who explain the intricacies of the world of fashion design Anyone who has ever tried to launch a fashion design career knows how grueling it can be. The fashion industry is a highly prominent field, yielding a competitive environment that is greatly guarded, secretive, and difficult to infiltrate. *Becoming a Fashion Designer* provides all the information, resources, and tools you need to help you navigate these obstacles and successfully launch a career in fashion design. Communicating Fashion Myles Ethan Lascity,2021-03-25 Winner of the John G. Cawelti Award for Best Textbook / Primer How did you decide what to wear today? Did you base your selection on comfort or style? Did you want to blend in or stand out - or was it just the cleanest outfit available? We each make these decisions every day, reflecting how we view ourselves and impacting how others see us. Our choices matter - not just to us personally, but also to the magazine editors, brand ambassadors and trend forecasters who make a living by selling to us. *Communicating Fashion* introduces key concepts from the intersecting worlds of fashion and communication studies to connect how we all use clothing to express ourselves and how media systems support that process. In doing so, Myles Ethan Lascity explores social, cultural and ethical issues through the work of fashion journalism, brand promotions and the growing role of online influencers as well as the impact of film, television and art on self-image and expression. Key topics: - Advertising, Branding and Fashion Retail - Clothing, Art and Cultural Significance - Clothing as Group and Cultural Norms - Clothing, Identity and Interpersonal Communication - Fashion News and Tastemaking - Fashion, Social Media and Influencers - Meaning within the Fashion System - On-screen Clothing

Updated and expanded career opportunities sections and enhanced activities provide real-world simulations and insights. - New online STUDIO resources offer students self-study quizzes, flashcards, additional projects and online resources.

Full-Color Sourcebook of French Fashion Pauquet Frères,2003-08-04 These color plates by Hippolyte Pauquet and his brother Polydore, reproduced directly from a rare and valuable nineteenth-century publication, magnificently depict 500 years of French fashion. Starting with the flamboyant headgear and voluminous robes of fifteenth-century royalty, the artfully rendered illustrations progress chronologically to the high-waisted Empire styles of the Napoleonic era. Members of the nobility and upper classes are well represented here. Portraits of lavishly garbed court ladies and gentlemen--many in fur-trimmed robes--appear next to dapper pages and handsome knights. Bourgeois fashions (including lace-trimmed garments for both sexes) are presented as well, along with the more modest attire of chamber maids, milkmaids, and shepherdesses. Images of such historic figures as King Henri IV, Madame de Pompadour, Madame du Barry, and Marie Antoinette complete a splendid collection. A valuable reference for costume designers and fashion historians, this beautifully reproduced volume will also serve as a grand treat for fashion enthusiasts.

Fashion Design Essentials Jay Calderin,2012-11 The advice offered throughout this book supplies a selection of starting points for fashion designers of all levels. It provides a wide variety of useful examples for each stage of the design process including: How to define concepts and render them; Understanding textiles and the process of selecting fabrics; Developing sewing skills and constructing garments; How to build a reputation and find an audience for your work.--Cover p. [4].

The Fashion Set Federico Poletti,Giorgia Cantarini,2016 High fashion remains the ultimate in modern luxury, but gone are the days of special previews of new collections in hushed rooms behind locked doors. In the last ten years, the fashion show has been utterly transformed, since innovators like Dries van Noten marched models down a glamorous banquet table and Lagerfeld trooped his Fendi collection along the Great Wall of China. Social networking and digital media have redefined the value of the fashion show and international brands are now throwing down the bespoke gauntlet to one another to produce stunning, theatrical events.

The Hidden History of American Fashion Nancy Deihl,2018-02-08 This book is the first in-depth exploration of the revolutionary designers who defined American fashion in its emerging years and helped build an industry with global impact, yet have been largely forgotten. Focusing on female designers, the authors reclaim a place in history for the women who created not only for celebrities and socialites, but for millions of fashion-conscious customers across the United States. From one of America's first couturiers, Jessie Franklin Turner, to Zelda Wynn Valdes, the book captures the lost histories of the luminaries who paved the way in the world of American fashion design. This fully illustrated collection takes us from Hollywood to Broadway, from sportswear to sustainable fashion, and explores important crossovers between film, theater, and fashion. Uncovering fascinating histories of the design pioneers we should know about, the book enlarges the prevailing narrative of fashion history and will be an important reference for fashion students, historians, costume curators, and fashion enthusiasts alike.

The Dynamics of Fashion Elaine Stone,Sheryl A. Farnan,2018-02-22 For fashion students who want to be both in the now and in the know!
