Voltaire Ian Davidson, 2012-03-12 The definitive biography of Voltaire's life—from his scandalous love affairs and political maneuverings to his inspired philosophy. We think of Voltaire as the archetypal figure of the enlightenment; in his own time he was also the most famous and controversial figure in Europe. This dazzling new biography celebrates his extraordinary life. Davidson tells the whole, rich story of Voltaire's life (1694-1778): his early imprisonment in the Bastille; exile in England and his mastery of English; an obsession with money, of which he made a huge amount; a scandalous love life; a long exile on the borders of Switzerland; his human-rights campaigns and his triumphant return to Paris to die there as celebrity extraordinaire. Throughout all of this, Voltaire's life was always informed by two things: a belief in the essential value of toleration in the face of fanaticism; and in the right of every man to think and say what he liked. It is rare to have such a vivid portrait of a great man.

The Alibi Rachel Sinclair, 2023-11-16 Ginger is back, and her mouth is as unfiltered as ever... Ginger Perry, Harper's star witness in her previous murder trial, left Kansas City for the greener pastures of the Los Angeles adult film scene. As soon as she gets out to the West Coast, however, she catches a case. A big case. A murder case. The victim is a powerful studio head. Ginger insists she was framed. Harper's not so sure. She wants to give Ginger the benefit of the doubt, but Ginger's always been a little shady. Nevertheless, she agrees to take the case. After all, she hasn't had a vacation in years, and a trip to Los Angeles is as much of a vacation as she's ever going to get - even if it's not really a vacation, but another murder case. Harper knows that she needs another murder case like she needs a hole in the head, but she just can't resist a lost cause. And Ginger's case seems to be as lost of a cause as you can get. With the twists, turns and lightning-fast pace you've come to expect from a Harper Ross Legal Thriller, *L.A. Defense* is not to be missed!

Katherine Galloway knew this moment of calm wouldn't last, blown away like the dandelion seeds she scattered as a girl. In 1880, three years after her husband's death, she struggles to run an Oregon boardinghouse and raise two girls alone. Things don't get easier when her critical, domineering mother moves in. Katherine must make the situation work, but standing up for herself and her family while honoring her mother isn't easy. And with a daughter entering the teenage years, the pressure on Katherine becomes close to overwhelming. Then she crosses paths with Micah Jacobs, a widower who could reignite her heart, but she fears a relationship with him might send things over the edge. She must find the strength, wisdom, hope, and faith to remake her life, for everything is about to change.

Story Writing in a Nursing Home Martha A John, 2014-04-08 Based on the belief that older people have good stories to tell, Story Writing in a Nursing Home was developed as part of a volunteer teaching service to a nursing home. Graduate students who were learning to teach this special population conducted story writing activities with older adults and found that even the frail elderly who are confined to nursing centers provided a unique perspective about events that emphasize the lasting verities in life. The idea of a patchwork was derived from one of the lessons taught and was suggested by one of the older participants who said, "We're sort of like a patchwork quilt." The information, memories, and humor the elderly see in situations is worth recording. In addition, Story Writing in a Nursing Home emphasizes the way to develop the mental stimulation that is so important for physical well being. This sensitive and insightful book provides a lesson plan outline and the type of content that was used as an example. It also provides a running commentary in the form of a diary that tells how to begin a teaching program for nursing center residents. Students and professionals interested in implementing a similar program can use these ideas for planning and for organizing the use of student help to better serve the

population. Fascinating reading, this book includes stories by frail elderly people, lesson plans, tips on working with administrators in a nursing center, and reasons for providing instruction. Teachers, volunteers, librarians, gerontology/sociology students, and others concerned with the well-being of the elderly will refer often to this instructive volume.

The Fatburn Fix Catherine Shanahan, M.D., 2020-03-24 A proven plan to optimize your health by reclaiming your natural ability to burn body fat for fuel The ability to use body fat for energy is essential to health—but over decades of practice, renowned family physician Catherine Shanahan, M.D., observed that many of her patients could not burn their body fat between meals, trapping them in a downward spiral of hunger, fatigue, and weight gain. In *The Fatburn Fix*, Dr. Shanahan shows us how industrially produced vegetable oils accumulate in our body fat and disrupt our body's energy-producing systems, driving food addictions that hijack our moods and habits while making it nearly impossible to control our weight. To reclaim our health, we need to detoxify our body fat and help repair our “fatburn” capabilities. Dr. Shanahan shares five important rules to fix your fatburn: 1) Eat natural fats, not vegetable oils. 2) Eat slow-digesting carbs, not starchy carbs or sweets. 3) Seek salt. 4) Drink plenty of water. 5) Supplement with vitamins and minerals. She then provides a revolutionary, step-by-step plan to help reboot your fatburn potential in as little as two weeks. This customizable two-phase plan is widely accessible, easy to follow, and will appeal to the full spectrum of diet ideologies, from plant-based to carnivore to keto and beyond. By making a few changes to what you eat and when, you will lose unwanted weight and restore your body's ability to store and release energy. With *The Fatburn Fix*, Dr. Shanahan shows how regaining your fatburn is the key to effortless weight loss and a new, elevated life, paving the way to abundant energy and long-term health and happiness.

Change Everything Natalie Bennett, 2024-03-21 We are living in a social, political, economic and environmental emergency. The status quo is profoundly unstable; change is inevitable. Now is the time to get together to build a far healthier and more balanced world, it is time to Change Everything. Natalie Bennett is on a mission to transform the way we think about our world. She explains how universal basic income will decommodify time and free people up to choose how best to use their energy and talents; she emphasises the importance of free education for everyone, for life; she encourages the pooling of assets, from sharing tools with your neighbour to fairly enjoying the planet's natural resources. From organising a litter pick or petitioning for a pedestrian crossing, from rethinking the financial markets and tax havens to re-evaluating the criminal justice system, Natalie has formulated a holistic, hopeful and practical vision for the future where people can really ‘do politics’. If we can bring together the imagination, talents and energy of everyone invested in change to rebuild and repair our societies, then a positive future is within our reach.

Lorna Mott Comes Home Diane Johnson, 2022-07-19 From the author of the best-selling *Le Divorce* and *Le Mariage*, a comedy of contemporary manners, morals, (ex)marriages, and motherhood (past, present, and future)—about an American woman leaving her 20-year marriage to her French second husband, returning to her native San Francisco and to the entwining lives of her children and grandchildren. “Delightful”—Claire Messud (*Harper's Magazine*); “Razor-sharp prose and astute observations ... a treat”—*Publishers Weekly* (starred review). Lorna Mott Dumas, small, pretty, high-strung, the epitome of a successful woman—lovely offspring, grandchildren, health, a French husband, a delightful house and an independent career as an admired art lecturer involving travel and public appearances, expensive clothes. She's a woman with an uncomplicated, sociable nature and an intellectual life. But

in an impulsive and planned decision, Lorna has decided to leave her husband, a notorious tombeur (seducer), and his small ancestral village in France, and return to America, much more suited to her temperament than the rectitude of formal starchy France. For Lorna, a beautiful idyll is over, finished, done . . . In *Lorna Mott Comes Home*, Diane Johnson brings us into the dreamy, anxiety-filled American world of Lorna Mott Dumas, where much has changed and where she struggles to create a new life to support herself. Into the mix--her ex-husband, and the father of her three grown children (all supportive), and grandchildren with their own troubles (money, divorce, real estate, living on the fringe; a thriving software enterprise; a missing child in the far east; grandchildren--new hostages to fortune; and, one, 15 years old, a golden girl yet always different, diagnosed at a young age with diabetes, and now pregnant and determined to have the child) . . . In the midst of a large cast, the precarious balance of comedy and tragedy, happiness and anxiety, contentment and striving, generosity and greed, love and sex, Diane Johnson, our Edith Wharton of expat life, comes home to America to deftly, irresistibly portray, with the lightest of touch, the way we live now.

Warning! This Book May Contain Life Richard A. Kershaw, 2002-09 Someone once said that the contents of the average head would astound those that were brave enough to peep inside. This is that very journey. A humorous and satirical, yet thought provoking tale awaits you within the contents of these pages. This is a tale of lost love, forgotten dreams and banished hopes as we journey through the treacherous regions of the mind. There is madness and mayhem, laughter and tears. You may even find yourself on the way. Or lose yourself. The choice is yours. Just turn the pages. There's a mirror on every one. There is chance that some may not return. But if a traveller you are, then a traveller you will always be. Perhaps it is time to venture inwards. But be warned; This book may contain life.
