The Ultimate Help Guide For Low-Income Americans , Every day, Americans work hard to obtain the prized American Dream. Obtaining a well-paying job, permanent housing, healthcare, making sure the bills are paid, and providing consistent, healthy meals for those we love are key steps along the road to making The American Dream a reality. Yet, millions of Americans continue to struggle when it comes to affording the most basic and essential needs. We understand how difficult it can be to support yourself and your family while on a low-income. The truth is, finding immediate help isn't easy. Contacting and visiting aid offices for general information can be time-consuming. So is sorting through webpages with conflicting and confusing information. That's why our team of researchers have spent countless hours gathering all the necessary resources you need to find help right away! Simply put, we've done all the research for you! The Ultimate Help Guide For Low-Income Americans is an easy-to-follow guide specifically designed to point you and your family in the direction of FREE and LOWCOST help and assistance from a variety of reputable sources! In this book, you will find five helpful sections: Emergency Food & Housing Help, Low-Income Food Help For Families, Children and Seniors, Housing Assistance Programs & Resources, Low-Income Medical Assistance & Healthcare Options, and Unemployment Support & Job Search Strategies. Plus, we've added a final Bonuses & Extras section with great tips & tricks to help you start saving (and keep saving) money now! In this comprehensive guide, you'll discover invaluable information such as program eligibility requirements, application processes, links to key website you need to instantly locate top government and private aid programs, help-based organizations, and private charities. Our mission is to help you find immediate relief and to show how you can benefit from existing programs to break the low-income cycle and improve your life today!

Dictionary of Trees, Volume 2: South America M.M. Grandtner,Julien Chevrette,2013-09-21 Dictionary of South American Trees provides a single-source reference for botanists, biologists, ecologists, and climatologists on the many native trees in South America. The index lets readers find a tree in four languages, by its common name, or

abbreviation, followed by taxonomy that includes common uses for each part of the tree. Using this information, scientists and students can identify and classify plants, their growth structure and environment, the uses of their products, and alternative options with similar characteristics. Complete coverage of all native South American trees—the only single-source reference for botanists, biologists, ecologists and climatologists working in this diverse and changing region Includes taxonomy at genera, species, sub-species, and varietal levels, providing information from the most basic level up and allowing readers to identify their subjects using numerous criteria Indicates Latin, English, French, and Spanish names as well as common names and abbreviations, facilitating accurate and efficient identification Provides growth information, climatology, ecology and uses for the tree to provide insight into each tree as well as for comparative purposes when seeking similar tree-based resources
