The Barcelona Complex Simon Kuper, 2022-08-16 With rare and unrivaled access, bestselling coauthor of *Soccernomics* and longtime Financial Times journalist Simon Kuper tells the story of how FC Barcelona became the most successful club in the world—and how that era is now ending FC Barcelona is not just the world's highest grossing sports club, it is simply one of the most influential organizations on the planet. At last count, it had approximately 214 million social media followers, more than any other sports club except Real Madrid CF—and by one earlier measure, more than all thirty-two NFL teams combined. It has more in common with multinational megacompanies like Netflix or small nation-states than it does with most soccer teams. No wonder its motto is “More than a club.” But it was not always so. In the past three decades, Barcelona went from a regional team to a global powerhouse, becoming a model of sustained excellence and beautiful soccer, and a consistent winner of championships. Simon Kuper unravels exactly how this transformation took place, paying special attention to the club's two biggest stars, Johan Cruyff and Lionel Messi, who is arguably the greatest soccer player of all time. Messi joined Barça at age thirteen and, more than anyone, has been the engine and standard-bearer of Barcelona's glory. But his era is coming to an end—and with it, a once-in-a-lifetime golden run. This book charts Barça's rise and fall. Like many world-beating organizations, FC Barcelona closely guards its secrets, granting few outsiders access to the Camp Nou, its legendary home stadium. But after decades of writing about the sport and the club, Kuper was given access to the inner sanctum and the people behind the scenes who strive daily to keep Barcelona at the top. Erudite, personal, and capturing all the latest upheavals, his portrait of this incredible institution goes beyond soccer to

understand FC Barcelona as a unique social, cultural, and political phenomenon.

Maradona Guillem Balague, 2021-07-08 MARADONA is the definitive new biography of a true global icon, from world-renowned football writer and journalist Guillem Balagué. Diego Armando Maradona was widely acclaimed as a genius. One of the greatest footballers of all time, he was also one of the most controversial. In an international career with Argentina he earned 91 caps and scored 34 goals and played in four FIFA World Cups. With his unforgettable 'hand of God' goal and unsurpassed second one in the 1986 quarter-final against England, he captained his nation and led them to victory over West Germany in the final in Mexico. His vision, passing, ball control and dribbling skills, and his presence and leadership on the field, often electrified his own team's overall performance. Maradona's club career included dazzling spells in his own country at Argentinos Juniors, Boca Juniors and Newell's Old Boys, and in Europe with Barcelona, Napoli and Sevilla. Yet his life was one of relentless media attention, including tales of drug abuse and constant health issues. Based on in-depth interviews and first-hand stories, Guillem Balagué's masterly biography represents a psychological and sociological approach to the legend. This journey of exploration takes Guillem to Argentina, Spain, Italy and Dubai. Along the way, he asks what fosters such adulation, and how this adoration engendered a self-destructive personality. Even after his untimely death in 2020, Maradona continues to fascinate: his divine status seemingly preserved for ever.

Living Weapon Rowan Ricardo Phillips, 2020-02-18 Award-winning essayist and poet Rowan Ricardo Phillips presents a bracing renewal of civic poetry in

Living Weapon. . . . and we'd do this again And again and again, without ever Knowing we were the weapon ourselves, Stronger than steel, story, and hydrogen. – from Even Homer Nods A revelation, a shoring up, a transposition: Rowan Ricardo Phillips's Living Weapon is a love song to the imagination, a new blade of light honed in on our political moment. A winged man plummets from the troposphere; four NYPD officers enter a cellphone store; concrete sidewalks hang overhead. Here, in his third collection of poems, Phillips offers us ruminations on violins and violence, on hatred, on turning forty-three, even on the end of existence itself. Living Weapon reveals to us the limitations of our vocabulary, that our platitudes are not enough for the brutal times in which we find ourselves. But still, our lives go on, and these are poems of survival as much as they are an indictment. Couched in language both wry and ample, Living Weapon is a piercing addition from a "virtuoso poetic voice" (Granta).

tragedy is a universal story of a man struggling against his demons. 'It should be on every British football fan's reading list' Metro

Cristiano Ronaldo Guillem Balague, 2015-11-05 The definitive biography of Cristiano Ronaldo, named Football Book of the Year at the Cross Sports Book Awards 2016 Fully updated to include the 2017-18 season and Ronaldo's transfer to Juventus Cristiano Ronaldo is one of the greatest footballers of all time, a dream he pursued from the age of just twelve when he left his humble origins on Madeira behind. It wasn't long before he had the biggest clubs in Europe knocking on his door, but it was Manchester United who won the race for his signature. Under the tutelage of Sir Alex Ferguson, Ronaldo developed into the complete footballer and athlete, winning three league titles and a Champions League along the way. He then became the biggest galáctico of them all when he transferred to Real Madrid for a record-breaking fee. Unprecedented success in the Champions League and a record-equalling five Ballons d'Or followed, before his sensational move to Juventus in the summer of 2018. Guillem Balagué, respected football journalist and expert on the Spanish game, provides the definitive account of a twenty-first-century footballing icon.

Barcelona Dreaming Rupert Thomson, 2021-06-01 The Irish Times: Best Book of the Year New York Times Book Review: Editor's Choice The Times (UK): Book of the Week Pick Foreword Reviews: Book of the Day Pick Conde Nast Traveler: Best Book of the Season Pick Set on the eve of the financial crash of 2008, this evocative novel is made up of three stories linked by time and place, and also by the moving, unexpected interactions of a rich cast of characters. Barcelona Dreaming is narrated, in turn, by an English woman who runs a gift shop, an alcoholic jazz pianist, and a translator tormented by unrequited

love, all of whose lives will be changed forever. Underpinning the novel, and casting a long shadow, is a crime committed against a young Moroccan immigrant. Exploring themes of addiction, racism, celebrity, immigration, and self-delusion, and fueled by a longing for the unattainable and a nostalgia for what is about to be lost, Barcelona Dreaming is a love letter to one of the world's most beautiful cities and a powerful and poignant fable for our uncertain times.

Fear and Loathing in La Liga Sid Lowe, 2014-03-18 Fear and Loathing in La Liga is the definitive history of the greatest rivalry in world sport: FC Barcelona vs. Real Madrid. It's Messi vs. Ronaldo, Guardiola vs. Mourinho, the nation against the state, freedom fighters vs. Franco's fascists, plus majestic goals and mesmerizing skills. It's the best two teams on the planet going head-to-head. It's more than a game. It's a war. It's El Cláco. Only, it's not quite that simple. Spanish soccer expert and historian Sid Lowe covers 100 years of rivalry, athletic beauty, and excellence. Fear and Loathing in La Liga is a nuanced, revisionist, and brilliantly informed history that goes beyond sport. Lowe weaves together this story of the rivalry with the history and culture of Spain, emphasizing that it is never

about just the soccer. With exclusive testimonies and astonishing anecdotes, he takes us inside this epic battle, including the wounds left by the Civil War, Madrid's golden age in the fifties when they won five European cups, Johan Cruyff's Barcelona Dream Team, the doomed Galáico experiment, and Luís Figo's betrayal. By exploring the history, politics, culture, economics, and language -- while never forgetting the drama on the field -- Lowe demonstrates the relationship between these two soccer giants and reveals the true story behind their explosive rivalry.

Football's Secret Trade Alex Duff, Tariq Panja, 2017-05-01 A no-holds-barred exposé on the financial transactions of the world's favourite sport The transfer fees clubs pay to sign top players now top €4 billion a year but much of the money has been flowing out of the game. A small group of wealthy investors including Russian oligarchs, English racehorse owners and a former billionaire gold miner have seized the opportunity to enter this booming market. Some have moved in on the territory of banks and lent money to clubs in exchange for a share in fees generated by Cristiano Ronaldo, Neymar and dozens more of today's stars. Others have acquired obscure teams to get a piece of the pie. Even as the global financial crisis sent fortunes tumbling this select group found a profitable place to park their money. The size of the transfer market has continued to rise -- it increased seven-fold in value the last two decades, more than the FTSE share index. Between them, these wealthy investors have amassed hundreds of millions of euros in profits. At the same time, they have managed to stay out of the spotlight the world's most popular sport brings. Football's Secret Trade follows the money along a trail very few know about, from nondescript offices in the U.K. and ramshackle stadiums of South American clubs you have probably never heard of to offshore bank accounts in the Caribbean. Warning - you won't see a major transfer deal in the same light again.
