

Female Orgasm Facts

Lowry Global Media Llc,Mark Schumacher

Woman's Orgasm Georgia Kline-Graber, Benjamin Graber, 1975

Orgasms: 101 Facts and Trivia Anura Guruge, 2015-05-26 This book details over 101 separate, diverse, self-contained true facts about human orgasms. They are divided into five categories: Hers, His, 'Fancy That', In the Media and 'Basking in the Afterglow'. Though the book is meant to be an entertaining and educational celebration of all things orgasmic, it could also be viewed as a 'Believe It Or Not' or a 'Well I Never' guide to orgasms. Would you, for example, be willing to believe that women who have 'vaginal orgasms' walk differently to those that have 'clitoral orgasms'? Well check item #92 of the book. Have you ever heard of the connection between Poughkeepsie (in New York State) and orgasms? That is #74. Any idea how many people around the world are orgasming, right now, while you are reading this? That is covered in #10. Have you ever celebrated an orgasm related holiday? There are at least three of them. While orgasm faking, by both genders, is talked about, multiple times, including in the context of the TV shows 'Seinfeld' and 'Sex in the City', what do you know about the deception involved in female copulatory vocalization (FCV). That is #8. Yes, the book does include lots of numbers, durations, lengths and volumes such as: 8 feet (you read that right), 20 seconds, 14 gallons (U.S.), 222, 35%, half a coffee cup full, 'about 4 minutes', less than 1, 100 per hour and 89 years old. You are also likely to be introduced to quite a few new terms and concepts such as: 'status orgasmus', refractory period, birthgasms, Orgasm Rating Scale (OSR), intravaginal ejaculation latency time (IELT), téléclitoridiennes, elephant posture, Skene's glands, edging and genetically modified orgasm (GMO). It is not really a 'How To' book. Nonetheless you will find plenty of information that will certainly help. You will read about: the best positions for achieving orgasms, orgasmic diets, natural remedies, medical solutions and the best day of the month - not to mention the best 'toys', e.g., the 'Crave Duet' for females and the 'Humpus' for males. You will even learn whether you should be wearing socks and what heel height might best serve the ladies. This is a book that covers a lot of ground. This is Anura Guruge's fourth '101 Facts & Trivia' book, his 23rd overall as a sole author. It is his first book on this topic, though probably not the last. He is best known for his books on popes, computer networking and comets. The Kindle version of this book (sans any of the images that appear in the print version) was published in April 2015. Version 1 Release 1, April - June 2015.

The Case of the Female Orgasm Elisabeth A. Lloyd, 2009-07 Why women evolved to have orgasms--when most of their primate relatives don't--is a persistent mystery among evolutionary biologists. In pursuing this mystery, Elisabeth Lloyd arrives at another: How could anything as inadequate as the evolutionary explanations of the female orgasm have passed muster as science? A judicious and revealing look at all twenty evolutionary accounts of the trait of human female orgasm, Lloyd's book is at the same time a case study of how certain biases steer science astray. Over the past fifteen years, the effect of sexist or male-centered approaches to science has been hotly debated. Drawing especially on data from nonhuman primates and human sexology over eighty years, Lloyd shows what damage such bias does in the study of female orgasm. She also exposes a second pernicious form of bias that permeates the literature on female orgasms: a bias toward adaptationism. Here Lloyd's critique comes alive, demonstrating how most of the evolutionary accounts either are in conflict with, or lack, certain types of evidence necessary to make their cases--how they simply assume that female orgasm must exist because it helped females in the past reproduce. As she weighs the evidence, Lloyd takes on nearly everyone who has written on the subject: evolutionists, animal behaviorists, and feminists alike. Her clearly and cogently written book is at once a convincing case study of bias in science and a sweeping summary and analysis of what is known about the evolution of the intriguing trait of female orgasm.

Circle It, Orgasm Facts, Word Search, Puzzle Book Lowry Global Media Llc, Mark Schumacher, 2014-01 You will be amazed at how much you don't know about your partner's orgasm (not to mention your own). Learn how to pick a woman, just by looking at her, who is more likely to be orgasmic during sex (See page 46). Learn how to give a man a more widespread, intense, and longer lasting orgasm (See page 50). Learn how to

possibly prevent preeclampsia (always consult your doctor) (See page 128). Find out where the G-Spot really is, or isn't (See page 40). Get yours today (the book that is...and of course all the orgasms you want....). Lowry Global Media has created new exciting Word Search books. No more boring lists of words . It is commonly said that your brain is a muscle that should be exercised to keep it strong and sharp. What better way to keep your mind stimulated than with interesting information and challenging puzzles. Be sure to get all of our Circle It Facts and Short Stories word search puzzle books. Get yours today.

O Jonathan Margolis,2005-09 Orgasm is one of society's most compelling, shaping forces -- and most of us probably think that we are living in its golden age. But are we? The history of the orgasm is as elusive as orgasm itself can be, for sex rarely makes the historical record. Now acclaimed British journalist Jonathan Margolis delivers the definitive history of the human orgasm, of sex for pleasure as well as conception -- from prehistory to Viagra. Most people manage just twelve minutes of orgasmic bliss per year. Some never experience it at all. Yet the urge for orgasm rules much of human life, across national and cultural boundaries. How much have we learned about female pleasure since the 1558 discovery of the clitoris? How has the drive for pleasure, and the fear of it, shaped various societies -- from Saint Francis of Assisi and the thorn bush, to primitive tribes who embraced maximum pleasure for both sexes? How much does the sensation of orgasm differ for different people? Drawing on the biology, literature, anthropology, psychology, and technology, Jonathan Margolis delivers the final word on both male and female orgasm in an enlightening history that is a pleasure to read.

The Technology of Orgasm Rachel P. Maines,Rachel Maines,2001-06-15 The author explores hysteria in Western medicine throughout the ages and examines the characterization of female sexuality as a disease requiring treatment. Medical authorities, she writes, were able to defend and justify the clinical production of orgasm in women as necessary to maintain the dominant view of sexuality, which defined sex as penetration to male orgasm - a practice that consistently fails to produce orgasm in a majority of the female population. This male-centered definition of satisfying and healthy coitus shaped not only the development of concepts of female sexual pathology but also the instrumentation designed to cope with them.

Ways Women Orgasm Jane Thomas,2011 *Ways Women Orgasm* is for couples who want to share ideas on enjoying sexual pleasure together, within the context of a healthy relationship and appropriate contraception. The aim is not to dwell on the difficulties but to accept that they exist and to suggest how couples can improve on what they already have. *Ways Women Orgasm* explores women's orgasm techniques including clitoral stimulation and sexual fantasies. The discussion is based on honesty not sexual ego and covers: sex drive, the role of fantasy and why orgasm from masturbation may always be different to orgasm from penetration. *Ways Women Orgasm* aims to inform and reassure women of all ages: all the pictures are clean. The site aspires to be open-minded but there is nothing that should offend. *Ways Women Orgasm* provides sex education for adults so that couples can compare notes on how women enjoy true sexual arousal and orgasm. *Ways Women Orgasm* is the most comprehensive and explicit source of information about female orgasm available today. Even well-informed and sexually experienced women can make more of their sexual relationships with men by appreciating the facts.

Female G-Spot and Massage Techniques Floating Pen,2012-10-22 This is a perfect help to obtain multiple orgasms for your female partner with the help of effective G-Spot massage.

Orgasms for Two Betty Dodson,2003-07-01 A down-to-earth guide to becoming happier and healthier through the benefits of mutually satisfying pleasure—from a renowned sex educator featured on Netflix's the goop lab with Gwyneth Paltrow In *Orgasms for Two: The Joy of Partnersex*, Dr. Betty

Dodson shows us how to get to know ourselves and our partners better, whether it's the inner and outer workings of the anatomy or the best sex toys to bring to bed. She writes often from her own experiences, because she feels people learn best through example, and she writes from the knowledge acquired through years of working with women and men, teaching workshops, and doing research. The knowledge gained through reading *Orgasms for Two* is like having a kindly, remarkably frank guide tell you all the things you've always wanted to know but never had anyone to ask. Open *Orgasms for Two* and see how rewarding it is to cast aside conventional beliefs about sexuality and begin to enjoy the best sex of your life.

The Orgasm Answer Guide Barry R. Komisaruk, 2009-12 Credible, readable, and easy to follow, *The Orgasm Answer Guide* tells you everything you ever wanted to know . . . but were afraid to ask. *The Orgasm Answer Guide* answers common questions many people have about one of life's most fascinating experiences. In an accessible question-and-answer format, four of the world's leading sexuality experts address every aspect of orgasms: how they happen, why they don't, and what can be done to enhance sexual experiences. The authors provide clear and informed answers to more than 80 common questions, including: • Can an orgasm cause a heart attack? • Does childbirth affect orgasm? • What is the G spot? • How can I tell whether my partner is faking an orgasm? • Do orgasms end at a certain age? The all-star author team includes neuroscientist Barry R. Komisaruk, bestselling author and sexual health researcher Beverly Whipple, BBC sexuality talk-show host Sara Nasserzadeh, and Mexico's leading sex researcher, Carlos Beyer-Flores.

Undrstdg Femal Orgasm Seymour Fisher, 1973-05-21

Why Women Have Sex Cindy M. Meston, David M. Buss, 2009-09-29 An unparalleled exploration of the mysteries underlying women's sexuality that rivals the culture-shifting Kinsey Report, from two of America's leading research psychologists Do women have sex simply to reproduce or display their affection? When University of Texas at Austin clinical psychologist Cindy M. Meston and evolutionary psychologist David M. Buss joined forces to investigate the underlying sexual motivations of women, what they found astonished them. Through the voices of real women, Meston and Buss reveal the motivations that guide women's sexual decisions and explain the deep-seated psychology and biology that often unwittingly drive women's desires—sometimes in pursuit of health or pleasure, or sometimes for darker, disturbing reasons that a woman may not fully recognize. Drawing on more than a thousand intensive interviews conducted solely for the book, as well as their pioneering research on physiological response and evolutionary emotions, *Why Women Have Sex* uncovers an amazingly complex and nuanced portrait of female sexuality. They delve into the use of sex as a defensive tactic against a mate's infidelity (protection), as a ploy to boost self-confidence (status), as a barter for gifts or household chores (resource acquisition), or as a cure for a migraine headache (medication). *Why Women Have Sex* stands as the richest and deepest psychological understanding of female sexuality yet achieved and promises to inform every woman's (and her partner's) awareness of her relationship to sex and her sexuality.

The Technology of Orgasm Rachel Maines, 1999-01-15 From the time of Hippocrates until the 1920s, massaging hysterical female patients to orgasm was a staple of medical practice among Western physicians. Hysteria, an ailment considered common and chronic in women, was thought to be the consequence of sexual deprivation. Doctors performed the routine chore of relieving hysterical patient's symptoms with manual genital massage until the women reached orgasm, or, as it was known under clinical conditions, the hysterical paroxysm. The vibrator first emerges as an electromechanical medical instrument in direct response to demand from physicians who, far from enjoying the implementation of pelvic massage, sought every opportunity to substitute the services of midwives and, later, the efficiency of mechanical devices.

Sex for One Betty Dodson, 2012-02-01 The classic guide to fully enjoying the pleasures of self-love, full of warmth, intelligence, and informative line drawings—from a renowned sex educator featured on Netflix's *The Goop Lab* with Gwyneth Paltrow Confronting one of our last and most deeply

rooted taboos—masturbation—noted sex expert and pro-sex feminist Betty Dodson, Ph.D., takes the shame out of self-love by creating a straightforward and appealing guidebook that reveals masturbation as a satisfying, vital form of sexual expression. Dr. Dodson demonstrates how anyone can learn to make love alone with feelings of guilt or loneliness, and explains why masturbation is sexually and spiritually fulfilling for both men and women. Not only is it the safest sex, but sharing masturbation can also be a sensual treat for couples who want to learn more about each other's sexual responses. Sex for One demonstrates that self-loving is not just for times in-between lovers or for social misfits. Masturbation is the joyful and ongoing love affair that each of us has with ourselves throughout childhood, adulthood, and the golden years of old age.

The Female Orgasm Seymour Fisher, 1973

Because It Feels Good Debby Herbenick, 2009-08-18 In our sophisticated, liberated, Sex and the City age, women are eager to enjoy sex to the fullest. But for many women, it's not quite that easy. In fact, Men's Health columnist Debby Herbenick receives thousands of letters and emails from women across the country who admit to having less than spectacular sex lives—and they're looking for advice. Herbenick is the kind of confidante every woman longs for—a sex advisor who is as approachable as a girlfriend and as knowledgeable as a sex education professor. At the core of her advice is the belief that sex should be fun, satisfying, and intimate—but first and foremost, it should simply feel good. From enlightening lessons on female anatomy to the complicated issue of libido to an overview of sex toys and positions, *Because It Feels Good* informs women about every aspect of sexual function, providing the knowledge they need to have the sex lives they deserve. This is a pleasure manifesto—and your handbook to a great sex life.

Making Sense of Sex Helen Singer Kaplan, 1979 Discusses the biology and psychology of the sexual experience, covering the realities and myths of sex; sexual desire, response, and orgasm; sexual problems; reproduction; birth control; and sexually transmitted diseases.

Women's Health Easy Orgasms Editors of Women's Health Magazine, Gillian Francella, 2015-06-09 Want to boost your odds of amazing sex, every time? Most of us would love our sex lives to be as steamy and satisfying as the thing of movies—but in reality, for most women, orgasms are elusive. The majority of women don't O every time they hit the sheets and there are plenty of surveys, studies—and personal experiences—to verify that. In fact here's one: Research shows up to 60 percent of women admit to faking an Oscar-worthy orgasm between the sheets. So, with the latest research and experts at their fingertips, the editors of Women's Health are closing the orgasm gap by bringing you an easy-to-follow, too-good-to-be-true, grown-up guide for better sex, *Easy Orgasms*. Nothing is too taboo for the editors of Women's Health—expert-backed and scientifically-based advice is carefully vetted to help you unleash your inner seductress, let your inhibitions loose, and get in tune with what you really want to empower the most electrifying orgasms every time you turn down the lights.

Sexual Dysfunction Richard Balon, 2008-01-01 The area of human sexuality, and sexual dysfunction in particular, has been undergoing enormous developments and advances. This volume, written by a team of international experts in the area of sexology, is an authoritative review of the latest developments in this field. Areas such as evaluation of sexual dysfunction, impact of psychotropic medications, mental and physical illness and substance abuse on sexual functioning are covered in a highly informative manner. In addition, several sexual dysfunctions, namely hypoactive sexual desire disorder, male erectile disorder and premature ejaculation are reviewed. A chapter on the developments in imaging of sexual dysfunction, an area that is undergoing rapid expansion, is also included. This publication, filled with a variety of clinically essential information, provides psychiatrists, psychologists, sex therapists, urologists, gynecologists, both clinically and research oriented, with the latest developments in the area of sexual dysfunction.

Female Ejaculation and the G-spot Deborah Sundahl, 2003 Like men, women also can ejaculate, enhancing and intensifying their sexual

pleasure. In an open, positive style, Deborah Sundahl presents information about female ejaculation including scientific findings, anatomical illustrations, historical accounts, a chapter on how men can help their female partners to ejaculate, and women's and men's experiences collected during the past two decades.
