

Femdom Bdsm Game

Ada Worthington

Femdom : the Game : a BDSM Trilogy Erotika

Sabrina Jen Mountford, 2013-05-31 This is a 61,000 word, full length femdom and BDSM erotica title. It features female domination, chastity, forced bi, slavery, corporal punishment, discipline, fetish, forced feminization, predicament bondage and more. It is suitable for 18+ only and is not for the prudish. It is not realistic, it is pure fantasy in every sense and should be read as such. The three titles are also available separately as 'The Game', parts 1, 2 and 3. Jessie and Marcy live a fairly vanilla life, they fill the 'kink' gap in their lives by reading fetish and BDSM erotica on the Kindle. When an old school friend hooks up with Marcy on facebook, suggesting they go out for a drink, their lives take a turn for the bizarre. They find themselves taken to 'The Club' a fetish club run by the deviously inventive and beautiful 'Matilda'. There are no holds barred and no punches pulled as Matilda delights in dragging Jessie and Marcy deeper down the rabbit hole into the world of kink, female domination submission and extreme BDSM. Jessie and Marcy get drawn in to playing for higher and higher stakes in Matilda's inventive games. When it climaxes in a game where they play for a year as a chaste sissy maid and sex slave, neither of them realizes how drastically their lives will change, forever... Please feel free to read the 'Look Inside' of the three separate parts before making a decision to buy, though be warned this may involve accidentally reading 'spoilers'. Blackmail Game Teddi Lawless, 2016-09-26 A fantasy to fulfill. A trap set. Who's playing who in this kinky game? Let's talk about that night. Let's talk about the way I sprawled across a blanket of green bank notes. Imagine me-- twenty-seven years old in a steel-boned corset and shiny latex thigh-high boots. Honey-blond shoulder-length hair. Purple eyes. Not blue. Purple the color of Siberian amethyst. There's a guy in South Korea who does the eye work. I don't know what it cost. A man paid. A man always pays. I went to sleep, and when I woke up, I had twenty-fifteen vision in my purple eyes. They used to be gray but never again. So imagine. I'd been asked to play out today's fantasy any number of times over the last three years. The wanna-be slave-toy needs to see a hot, selfish, demanding mistress getting off on a bed of money. His money... **Blackmail Game** is a complete novella-length steamy thriller with NO cliffhanger and plenty of true-to-life D/s action involving a powerful dominatrix and the silly male submissive who thinks he can entrap her. Not for the timid. By the author of the Interview with the Femdom series.

111 Tips for Creative BDSM Games Bianca
Demel,Stefan Meyer,2024-02-28 Sadomasochism is so

much more than leather, latex, and cracking a whip on a slave's buttocks. The dark side of sexuality has countless variations between gentle and intense, between laughter and pain, between extreme and extremely unusual. Get inspired by the best ideas shared with us by nearly a hundred interviews with diverse couples who have explored BDSM (Bondage, Dominance, Sadism & Masochism) in all imaginable facets and have gained a wealth of erotic-practical experience – from the tickle fetishist to the dental sadist (and plenty of other erotic passions somewhere in between). Sounds unusual? It is! Because the imagination of these people with such inclinations goes in so many directions that we have compiled the best and even some quite explicit variations in this book. Our goal is to inspire you with new ideas if you already practice SM, or perhaps even show you the way to your very first naughty game with your partner. Prepare for a wild journey through various SM practices! However, for every suggestion, the rule is: everything can, but not everything must be implemented! When the candles are lit and the ropes are brought out from under the bed, always do what arouses you the most and satisfies you best. If you have already experienced SM practices, you may find new inspirations or develop an interest in practices you haven't tried before. Did you know, for example, that two coins can already be a rather mean torture device? Keep on reading! In any case, we want to inspire you with this book. And even if you do not practice BDSM yourself and just want an insight into the topic and its numerous facets,

then you are in the right place! The artist and documentary photographer Hermann Zeichen from Karlsruhe has lovingly illustrated this book with his atmospheric black and white photographs from the SM scene.

The Mistress in Control Veronica Milan, 2020-11-16 From childhood onwards, females are encouraged into subservient roles, so that taking the lead can feel strange and unnatural, even unfeminine and not nice. We are discouraged from aggressively grabbing what we want, and instead encouraged to sacrifice and nurture. We are taught to be prizes, not competitors. Surely, there has to be more to life than that. Many men - the ones who value assertiveness (and even a little cruelty) in their female lovers would agree. Men are ready to be dominated, owned and used by the strictest, most sensual, and cruelest women? The subservient slaves get put in their places and then punished in a variety of naughty ways until they understand their place...This book

is a rich resource of ideas for the woman who wants to embark upon FemDom journey with her man and is hungry for new kinky territory to conquer and in this guide, you'll learn practical steps towards becoming a professional dominatrix. Much of what is depicted about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are often times shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, One of the most common misconceptions surrounding a woman taking a dominant role is the assumption that she needs to be a display cruel behavior towards others, for the sake of her own gain or pleasure, and without consideration for their safety or well-being, it's not surprising that any woman would feel reluctant to adopt this role in her relationship. Taking the lead in bed doesn't mean being a sadist or demeaning your partner. It doesn't mean you have to change who you are. You're simply connecting with a powerful side of yourself that was always there, and sharing it with a person who wants to make you happy. It's about closeness and connection, not cruelty. FemDoms are to lead and not follow, be confident and be yourself, say what you mean and be attractive. A Warning for the Man/Men in Her Life, this book will teach your partner how to be more dominant, controlling, learn how to train you, learn how to punish you and hold you accountable for your actions. if you buy this book for her, you might get more than you asked for. You may want to quietly set it aside and buy her a

set of fuzzy handcuffs instead. You have been warned.

The BdsM Game Book Jideon Francisco

Marques, 2022-12-01 INTRODUCTION I can't tell you exactly what you're going to like sexually. What I can offer are practical tips, safety advice and insights into the psychology of the man, as well as anything that has to do with you. One thing I hope I can do here is help you understand and accept that it's okay to want sexual power – or any other kind of power, for that matter. Though I've had bizarre thoughts and done bizarre things for most of my life, I've encountered the same kind of difficulty in achieving self-acceptance as many Domes.

A Love Game Nicole Dere, 2013-06 An erotic novel with Femdom, BDSM, menage, ff, mm and bisexual themes. The diffident Marty Dixon is delighted to fall under the entrancing and dominant influence of the beautiful Clio, though marriage proves a rocky path. Switching to an expatriate life in Africa fails to alter Marty's helpless subservience as the passionate Clio becomes violently enamoured of macho South African, Anton Van Reis. She makes no secret of her affair, until her weak and sexually ambivalent husband is compelled to face losing her or becoming a slavish plaything in the lovers' new setup. Meanwhile, a few miles away, Janet Thoroughgood is enduring similar problems with her domineering husband, Patrick, her first and only boyfriend since her school days. Bisexual Janet develops an innocent friendship with Marty through their interest in drama, but also begins a secret sexual liaison with another married couple, Mags and Dave Evans. Though unaware of this, Patrick Thoroughgood is

furious at his timid wife's new independence and brutally rejects her. Utterly bereft, Jan searches for her friend, Marty, seeking out Ant Van Reis, who immediately drags her into their erotic enclosed circle. Jan and Marty become possessions of their master and mistress, both prized and despised, pleased and severely punished. But their unique household is threatened and finally dissolved by the machinations of the lecherous local police chief, Samwel Onama after being tipped off by someone from Jan's past life...

Forced Feminization : a Study in Sissification
(*Jacqueline's Submission to Slave Sabrina*
Mountford, 2013-06-21 This 16,850 word story is the surprising conclusion to Jacqueline Reed PhD's story. However after a brutal judicial caning leaves one of her subjects unable to sit down, suspicions are raised. Her career under threat, her secret life of domination and slave owning about to be exposed, there is only place Jacqueline can hide, only one person she can turn to, the dominant Mistress who has asked her to submit fully, and to her, to become her property, her sex slave, the dominant Mistress Mariella Jane Hall...*Warning this 16,850 word novella contains depictions of severe, judicial caning, corporal punishment, forced femme, genital piercing, branding and slavery and various fetish elements. Extreme Relentless Torture Jessica
Whip, 2017-02-26 This book is a Femdom Erotica book for adults only, if you are not interested in Femdom Erotica or not an adult, then please do not purchase this book. This is a story of humiliation, seduction, and torture, which reveals the terrible tortures I inflict upon my slave. I am a normal girl with a sadistic streak, and I love the feeling of breaking a man! This short

story is a work of fiction that resembles a relationship I have with a man I know. There are some elements of truth in it, but I don't want people getting in trouble copying what I have done, so let's just call the whole thing fiction. This is probably the best work I have written to date, and reveals the deep and twisted nature of the relationship between me and my slave.

Dominatrix Boss: A BdsM Femdom Tale Asher Lake, 2018-09-10 Tim wanted to kneel before his beautiful boss Ava more than anything. But the reality might be more than he can handle. What begins as a fantasy soon becomes a journey into real domination and submission that will change both Tim and Ava forever. From the Book I felt so small and embarrassed. Staring at me is one thing. It would be well within protocol to write you up for that alone. However, these websites are a violation of company Internet policy and subject to immediate termination... at my discretion. My mouth dropped open and I struggled to say something. I needed this job. Ava grabbed the papers from my hands and leaned on the edge of her desk. She crossed her ankles and started thumbing through the log of websites. What is 'femdom' Tim? Oh... Ava, are you sure you want me to... Let's hear it, Tim. I want to know what's so important that you would risk your job. Well... it means female domination. And that is... Ava... No, I want to know. It's when someone is submissive to a dominant woman. It's a type of relationship where the woman is completely in charge. Keep going... It often involves humiliation, corporal punishment, chastity, or service, just talking

about this was both excruciatingly embarrassing and, unfortunately, exciting to me. Really, whatever the woman wants. She clicked her tongue, What you do on your own time is your business Tim, but surely you don't think it's appropriate to look at sites like that at work? No... no, no, no... I shouldn't have ever done that. I'm so embarrassed. If you'll forgive me I promise to never do that again, I looked up at her, but she was still looking at the pages. Ava sat the pages down on her desk and leaned forward, she was inches from my face. I could smell her perfume this close, and it was intoxicating. You're going to have to do better than that. She emphasized every word of this next sentence, I want to hear you beg for your job. Reviews A realistic FemDom FLR (Female Led Relationship) - written with exquisite detail. There are conversations that could've been taken from real life - even my life! (I am a Dominatrix.) ...the situations, conversations and interactions are so believable that the writers' experiences and interactions with Dommies and subs is apparent. Well written, accurate and a definite page-turner! I'd highly recommend reading Dominatrix Boss: A BDSM Femdom Tale to my Domme peers, to submissive males...and those exploring the wonderful BDSM community (including couples.) Mistress DJ The Boss of my dreams Asher Lake's first book about BDSM clearly shows his love for beautiful dominant ladies, a kinky mind and the talent of an excellent writer. Once I started reading it was impossible to stop. Peter Degen Inspiring Content... Superior dominance unfolds, a definite must read! I

appreciate how Asher Lake (Author) details intriguing obstacles with many anxious chapters keeping me on edge wanting to know more. On a more personal note, I even had moments of arousal which felt perfect and I felt I could relate to the story. Provided, I have previous BDSM experience. This story brought out some special memories of my own past experiences. It was exciting! Cris Categories and Content Dominatrix Boss is intended for mature audiences only. This is a steamy kinky romance with dark themes. It contains scenes of spanking, grinding humiliation, strict discipline, chastity, foot worship, and much more.

Dominatrix Danielle J. Lindemann, 2012-10-03 Our lives are full of small tensions, our closest relationships full of struggle: between woman and man, artist and customer, purist and commercialist, professional and client—and between the dominant and the submissive. In *Dominatrix*, Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals, their work, and their clients. Prior research on sex work has focused primarily on prostitutes and most studies of BDSM absorb

pro-domme/client relationships without exploring what makes them unique. Lindemann satisfies our curiosity about these paid encounters, shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry. Upending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work, Lindemann makes a major contribution to cultural studies, anthropology, and queer studies with her analysis of how gender, power, sexuality, and hierarchy shape all of our social experiences.
