The Magnificent Mile Lights Festival Ellen S. Farrar,2008 Chicago's North Michigan Avenue, known as The Magnificent MileAA(R), has a long and rich tradition of celebrating the holiday season in grand style. Today the illumination of this world-famous avenue with more than one million white lights is considered by many the official start of the holiday season. The Magnificent Mile Lights FestivalAA(R) draws some one million visitors each November. Millions more watch the televised broadcast. The development of North Michigan Avenue, known in its humble early days as Pine Street, and the creation of its holiday and tree-lighting traditions are largely attributed to a dedicated group of entrepreneurs and business leaders, known as the Greater North Michigan Avenue Association. Over the years, this line of visionary Chicagoans recognized the avenue's potential and committed to making North Michigan Avenue a world-class street with world-class holiday traditions. The North Michigan Avenue district now features 56 hotels, 275 restaurants, 460 retail locations, and numerous educational, cultural, and health care institutions--and more than 18 million visitors annually. Music/City Jonathan R. Wynn,2015-12-08 Austin's famed South by Southwest is far more than a festival celebrating indie music. It's also a big networking party that sparks the imagination of hip, creative types and galvanizes countless pilgrimages to the city. Festivals like SXSW are a lot of fun, but for city halls, media corporations, cultural institutions, and community groups, they're also a vital part of a complex growth strategy. In *Music/City*, Jonathan R. Wynn immerses us in the world of festivals, giving readers a unique perspective on contemporary urban and cultural life. Wynn tracks the history of festivals in Newport, Nashville, and Austin, taking readers on-site to consider different festival agendas and styles of organization. It's all here: from the musician looking to build her career to the mayor who wants to exploit a local cultural scene, from a resident's frustration over corporate branding of his city to the music executive hoping to sell records. *Music/City* offers a sharp perspective on cities and cultural institutions in action and analyzes how governments mobilize massive organizational resources to become promotional machines. Wynn's analysis culminates with an impassioned argument for temporary events, claiming that when done right, temporary occasions like festivals can serve as responsive, flexible, and adaptable products attuned to local places and communities.

The Taste of Sugar Marisel Vera, 2021-07-06 It is 1898, and groups of starving Puerto Ricans, los hambrientos, roam the parched countryside and dusty towns begging for food. Under the yoke of Spanish oppression, the Caribbean island is forced to prepare to wage war with the United States. Up in the mountainous coffee region of Utuado, Vicente Vega and Valentina Sanchez labor to keep their small farm from the creditors. When the Spanish-American War and the great San Ciriaco Hurricane of 1899 bring devastating upheaval, the young couple is lured, along with thousands of other puertorriquenos, to the sugar plantations of Hawaii—another US territory—where they are confronted by the hollowness of America's promises of prosperity. Writing in the tradition of great Latin American storytelling, Marisel Vera's *The Taste of Sugar* is an unforgettable novel of love and endurance, and a timeless portrait of the reasons we leave home.

Chicago by Day and Night Paul Durica, Bill Savage, 2013-05-21 Showcasing the first Ferris wheel, dazzling and unprecedented electrification, and exhibits from around the world, the World's Columbian Exposition of 1893 was Chicago's chance to demonstrate that it had risen from the ashes of the Great Fire and was about to take its place as one of the world's great cities. Millions would flock to the fair, and many of them were looking for a good time before and after their visits to the Midway and the White City. But what was the bedazzled visitor to do in Chicago? *Chicago by Day and Night: The Pleasure Seeker's Guide to the Paris of America*, a very unofficial guide to the world beyond the fair, slaked the thirst of such curious folk. The pleasures it details range from the respectable (theater, architecture, parks, churches and synagogues) to the illicit—drink, gambling, and sex. With a wink and a nod, the book decries vice while offering precise directions for the indulgence of any desire. In this newly annotated edition, Chicagoans Paul Durica and Bill Savage—who, if born earlier, might have written chapters in the original—provide colorful context and an informative introduction to a wildly entertaining journey through the Chicago of

120 years ago.
