The Biggest Game in Town Al Alvarez, 2009-08-17  
Since its first publication twenty years ago, *The Biggest Game in Town* has become a sought-after cult classic. Acclaimed writer and critic Al Alvarez delves into the murky and compelling world of high-stakes Vegas poker, where 'the next best thing to playing and winning is playing and losing'. Uncovering an exotic underground rich in ambiance and eccentricity, *The Biggest Game in Town* is a real one of a kind, deftly capturing the skewed psyches and peculiar rites of professional poker players who descend every year for the World Series of Poker. It's a world that seems almost too surprising and bizarre to be true. 'A cool, precise, sharply witty, vivid evocation of a place and people, their appearances, behaviour and speech..Mr Alvarez is a shrewd analyst of the psychology of gamblers and a cleverly selective recorder of their bizarre talk with which, directly and indirectly, they reveal their secure grasp of unreality and their insane courage' Sunday Telegraph 'It will have most readers sitting on the edge of their seats' Sunday Times 'A new classic on gambling...it's quite brilliant' Time Out 'This is a magnificent book. Beyond the straights and full houses, Alvarez has written about people who are extremely good at what they do, and about America' San Francisco Chronicle

**Camp Boardwalk & Sometimes We Couldn't Even Get Ice** William P. Singley, 2021-01-18 At first, I hesitated to put two stories in one book. Their only connection is combat. Camp Boardwalk in 1945. Ice in Vietnam 1967. Camp Boardwalk is about men recovering from their wounds and celebrating the end of WWII. With the breakout of peace, what will their futures bring? Ice is a small part of an exhausting war that ended April, 1976, during the infamous helicopter exits. All the main characters are military. There are exceptions for cops and crooks in one book. Women in both. The author's intention is to provide the reader the opportunity to participate in the main events of 1945 and 1967. As often in his stories there are no heroes: just good guys and bad guys bumping against one another on jungle trails or city streets, discovering themselves, and facing life's difficulties. How they survive is their story and now yours.

**RIMROCK TRAIL (Western Classics Series)** J. Allan Dunn, 2017-04-11 This carefully crafted ebook: **RIMROCK TRAIL (Western Classics Series)** is formatted for your eReader with a functional and detailed table of contents. Excerpt: The three partners, saddle-chums for years, ever seeking mutual employ, known through Texas and Arizona as the Three Musketeers of the Range, sat on the porch of the ranch-house, discussing business and lighter matters. One year before they had pooled their savings and Sandy Bourke, youngest of the three and the most aggressive, coolest and swiftest of action, had gloriously bucked the faro tiger and won enough to buy the Three Star Ranch and certain rights of free range. J. Allan Dunn (1872–1941) was one of the high-producing writers of the American pulp fiction. He first made a name for himself in pulp magazine *Adventure*. He was a specialist in South Sea stories, and pirate tales. His main genres were adventure and western, but he also wrote a number of detective stories.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF

files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their

creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
