Worse, with a 56-to-1 "scam ratio" in work-at-home ads, the terrain is a minefield of fraud. Nevertheless, customer service agents, researchers, test scorers, tutors, writers, and concierges are just a few of the many people regularly hired to work from home. A growing number of Fortune 500 companies, including UnitedHealth Group, American Express, and Northrop Grumman, also hire home-based personnel. In *Work at Home Now*, you'll learn: The top insider tips on good and bad Google search terms. How to find the needles in the haystack on Craigslist, Indeed, Monster, CareerBuilder, and other big sites. Where the real jobs for mystery shoppers, transcriptionists and similar part-time specialties can be found. Scam-spotting tips that even law enforcement doesn't know. Including interviews with hiring managers and successful home-based workers, *Work at Home Now* is the ultimate guide to finding the work-at-home job or project you want most.

There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Work from Home Serge Chapter, 2019-01-12 Every weekday morning, working people leave the comfort of their homes to head to work. Some of them live so close to their places of employment, they're able to walk. Others commute on trains, in cars and even on bicycles. Many of these people dream of working from home. They reflect on the joys of awakening and walking with their coffee from the kitchen to their home office (even if it's the kitchen table). They sigh ruefully, not believing that the work from home dream could be theirs, if only they were to think a little outside the box. I'm writing this brief book to let you know that the work from home dream is for anyone who's willing to reach for it. It's not an impossible dream, either. As I write, there are millions of people all over the world, working from home. They're in their pajamas at the kitchen table. They're sitting in the park. They're drinking coffee at the corner java joint. Wherever they are, they're making money and they're making it on their terms and on their schedule. Wouldn't you like to be your own boss, keeping the hours that suit you best? Wouldn't you like to make commuting

to work a thing of the past? It can be done. This book seeks to prove my point. It's a collection of key information based on case studies, which demonstrates that working from home is not just a possibility. It's something that will change your life, recreating it as more prosperous and less stressful, just because you were willing to make a change. But the road to professional independence may not be perfectly smooth. You may not make all your money from one sole revenue stream, to start with. That means variety, which is the spice of life, the last time I checked. Making a living online and from home means understanding the ebb and flow of work and how to make it flow more than ebb. So, come along with me to discover how you can live the dream of working from home, making as much as \$10,000 per month. The proof is in the pudding and this collection of case studies has been prepared to give you a gentle push in the right direction. Let's find out how to get yourself out of the rat race and into a work from home situation that pays the bills and makes your life a happier one.
