Keith H. Edwards

Finding My Shine Nastia Liukin, 2015-11-24 Nastia Liukin is an Olympic gymnastics all-around gold medalist, but the road to her success was not an easy one. In *Finding My Shine*, she shares not only her personal journey of success, but also her biggest challenges, including her career ending fall during the 2012 Olympic Trials that she now says was the defining moment of her life. Throughout this book, she delivers her motivational tips toward reaching any goal, overcoming obstacles, and learning how to pick yourself up after the inevitable falls you will have in life. Nastia's story is a true American dream. Born in Moscow, Russia, her parents were both champion gymnasts in their native country. The Liukins moved to the United States when Nastia was two and a half, because they wanted to give their daughter every opportunity possible. Even then, Nastia was certain she wanted to be a gymnast, and spent every hour she could in training. That dedication paid off. Nastia became a key member of the US team, winning five Olympic medals. She also won nine world championship medals (four gold and five silver) making her one of the most celebrated gymnasts in US history. Nastia was in the spotlight again in 2015 when she became a competitor on *Dancing with the Stars*, partnered with Derek Hough. She now speaks to girls and young women across the country in the hopes of motivating them to turn their own dreams into reality. *Finding My Shine* is a moving story of a remarkable young woman who won Olympic gold, but whose passion truly lies in inspiring others.

Shine Star Jones Reynolds, 2009-10-13 Star Jones Reynolds had done it all. College on scholarship, law school on loans, and life by faith. She had achieved a prestigious career as a lawyer and prosecutor, provided much-needed calm and insight while reporting the Rodney King and O. J. Simpson trials on television, and landed a spot cohosting one of America's most popular daytime television shows, *The View*. Then why was she feeling so down? It all began when Star took a close look at herself and her life and realized she wasn't happy with what she saw: obesity precluded her from crossing her legs, she needed an asthma inhaler, she couldn't fasten her own necklace, and, worst of all, she got too tired to shop -- a disaster because Star Jones Reynolds is a seriously committed shopper. Then she realized something else: with all her extraordinary accomplishments, none of it mattered without true love. Thinking long and hard, she finally understood that she hadn't yet met the man of her dreams because she wasn't ready for him. Star decided to make it happen. She began a personal journey to reconstitute her physical look, emotional state, and already strong spirituality. Even if she didn't find love, it would be a win-win situation because she'd emerge from the experience a healthier, happier woman -- one who could truly shine. Unless you live on another planet, you know Star succeeded in her quest and did find true love -- and it wasn't that hard at all. In *Shine*, she shares it all in her wise, revealing, irreverent, laugh-out-loud style. *Shine* is divided into three main sections, each exploring core issues of interest to women. Part One guides women toward being their most attractive physical selves using Star's personal secrets on losing weight and finding hair, fashion, and makeup chic (inexpensively). Part Two asks tough questions about emotional preparedness for a relationship and shows you how to think like lawyers, and how to get your financial and emotional houses in order. Part Three delves into a woman's spiritual life -- discover how to talk to God no matter what your religion. Spiking the book are Star's absolutes -- truisms that have

always worked for her and continue to give her guidance -- quizzes and self-assessment exercises that will help you focus on your particular strengths and weaknesses. Everyone knows Star Jones Reynolds is a success story, a happy, rough-edges-to-emotional-and-financial-riches tale. Until you read this book, you won't know how she got there -- and how you can echo her triumphs and shine.

Shine! J.J. Grabenstein,Chris Grabenstein,2021-09-14 Everyone deserves to shine in this sparkling book about a girl who's trying to find her place in the universe--and middle school--from the New York Times bestselling author of *Escape from Mr. Lemoncello's Library*! Shine on! might be the catchphrase of twelve-year-old Piper's hero--astronaut, astronomer, and television host Nellie Dumont Frisse--but Piper knows the truth: some people are born to shine, and she's just not one of them. That fact has never been clearer than now, when her dad's new job has landed them both at Chumley Prep, a posh private school where everyone seems to be the best at something and where Piper definitely doesn't fit in. Bursting with humor, heart, science, possibilities, and big questions, *Shine!* is a story about finding your place in the universe--a story about figuring out who you are and who you want to be. **BONUS!** Science experiment included!

Born to Shine Kendra Scott,2024-04-16 **INSTANT NATIONAL BESTSELLER** This authentic and dynamic memoir from the CEO of Kendra Scott Jewelry delivers inspiration, leadership lessons, and spellbinding storytelling. For twenty years, Kendra Scott built her eponymous jewelry company from a hobby and an idea into a company worth more than a billion dollars, creating beautiful and affordable pieces with signature-cut natural gemstones packaged in a sunny yellow box. By any measure, she's the woman who has it all: a self-made billionaire, a generous philanthropist, and a mother of three with a squad of strong female friendships. Sounds pretty perfect, right? But perfection is a myth that doesn't serve any of us. A myth that encourages us to assume that we know what other people are going through, to judge each other on appearances and reputations, to present the best versions of ourselves and pretend like we've got it all together even when everything is falling apart. Perfection isn't just a lie, it's exhausting, and Kendra is tired of it. In this vulnerable, wise, and laugh-out-loud book, Kendra takes us on a journey of personal stories and hard-earned life lessons, from her humble beginnings as an awkward, bullied young girl in small-town Wisconsin to launching a business in her spare bedroom with \$500. With every pitfall, misstep, and failure, Kendra builds a life--and a career--rooted in joy, purpose, and doing good, a life she wants for every reader. With heart and humor, Kendra reminds us that not all that glitters is gold, and that there is no level of success that can insulate you from what it means to be a human being: that life is as messy as it is magical, that bad things happen to good people for no good reason, and that a good life does not mean a perfect one.

Shine Neisha Hernandez,2019-04-02 *Shine* is the handbook for any mom who wants to see her daughter grow into the best version of herself. Your child was born to be an amazing gift to the world! classroom, Neisha shares the proven tools for helping your kids navigate life and stay focused. Shine shows mothers how to connect with their daughters on a deeper level; how to unlock their hidden potential and gifts; own and know their own worthiness; and find their Purpose in Life. With the ability to be read and applied in bite-sized chunks for busy moms, SHINE teaches mothers how to lead their daughters into a life of great love, great service, and great purpose.

Shine Lauren Myracle, 2011-05-01 When her best guy friend falls victim to a vicious hate crime, sixteen-year-old Cat sets out to discover who in her small town did it. Richly atmospheric, this daring mystery mines the secrets of a tightly knit Southern community and examines the strength of will it takes to go against everyone you know in the name of justice. Against a backdrop of poverty, clannishness, drugs, and intolerance, Myracle has crafted a harrowing coming-of-age tale couched in a deeply intelligent mystery. Smart, fearless, and compassionate, this is an unforgettable work from a beloved author. Praise for Shine "Cat eventually uncovers the truth in a cliffhanging climax in which she confronts fear, discovers that love is stronger than hate and truly 'shines.' Raw, realistic and compelling." –Kirkus Reviews "The page-turning mystery and Cat's inspiring trajectory of self-realization will draw readers in and give them plenty to ponder." –The Bulletin of the Center for Children's Books "Dramatic in both content and presentation. –Los Angeles Times "Myracle captures well the regret that many feel for things in their past about which they are ashamed. Cat's reflections on these moments are spot-on." –School Library Journal AWARD: WINNER: Amelia Elizabeth Walden Award for young adult fiction YALSA 2014 Popular Paperbacks for Young Adults
