To Catch a Fallen Leaf Fearn Hill, 2021-09-13 Take one shy French gardener, mix in a naughty aristocrat, add a splash of water, a dash of sunshine, and wait for love to grow. If only it were that easy. Reuben Costaud counts his blessings daily. His run-in with crime is firmly behind him. He has a wonderful job gardening on the Rossingley estate, a tiny cottage all to himself, an orphaned cat named Obélix, and a friendly bunch of workmates. The last thing he needs is a tall, blond aristocrat strolling across the manicured lawns towards him. Falling in love is not part of his plan. Viscount Aloysius Frederick Lloyd Duchamps-Avery, Freddie to his friends, is in big trouble with everyone, from his father and his modelling agency, to his controlling older boyfriend. Seeking solace and refuge, he escapes to Rossingley and his adored cousin Lucien, the sixteenth earl. To take his mind off his woes, Lucien finds him a job with the estate gardening team. Mutual attraction blossoms amongst the gardening tools, and Freddie charms his way through Reuben's defences. But as spring turns to summer and Freddie's London life collides with their Rossingley idyll, Reuben's trust in him is ruptured. Will their love flourish or is it destined for the compost bin? **To Catch a Fallen Leaf** is a full-length MM

contemporary romance, the second in the Rossingley trilogy.

The Fort Gordon Korman, 2022-06-28 From the bestselling author of RESTART, the story of a middle-school “band of brothers” — five friends who need to stick together after they set up a hideout in an abandoned bomb shelter and discover that the only way to be true friends is to reveal their secrets and help each other out. The morning after Hurricane Leo rips through the town of Canaan, residents awaken to widespread destruction — power outages, downed branches, uprooted trees, broken windows and damaged roofs. Four eighth-grade friends — Evan, Jason, Mitchell, and CJ — meet to explore the devastation. The tight-knit group is dismayed to find that Evan has brought along a stray — Ricky, who is new to their town and school, and doesn’t have any friends yet. Ricky is the one to find the strange trap door that’s appeared in the middle of the woods — the door to an old bomb shelter, unearthed by the hurricane. Inside, the boys find a completely intact underground lair,

complete with electricity, food, and entertainment (in the form of videocassettes). The boys vow to keep the place's existence to themselves. Things soon get tense. Some bad locals keep snooping around. And what started out as a fun place to escape soon becomes a serious refuge for one of the kids who is trying to avoid an abusive home situation. In order to save the shelter, the friends must keep its secret... and in order to save themselves, they're going to have to share their individual secrets, and build the safest place they can.

Restored Chris Brown, 2022-03-29 Imagine a world in which every person's pain makes them better not bitter, kind rather than angry, and selfless instead of greedy and insecure. There is messiness in each of our stories, but we can use that mess intentionally to craft a life that points to God and proclaims his glory. In *Restored*, prominent pastor and speaker Chris Brown recounts some of the extraordinary tragedies and trials he has experienced, including homelessness, violence, abuse, drugs, and the loss of loved ones. Reflecting on these difficult times in his own story, Chris shares his hard-won countercultural perspective on pain, offering practical tips to inspire those of us who feel disqualified or discouraged by our circumstances. No matter how messy it was, our past is a gift because it paves the way for us to develop the unique Christ-honoring message the world needs us to

share.
