Find Your Voice Tabby Biddle, 2015-04-26 #1 Bestseller in Women in Politics & Business Leadership Women's rights advocate and leadership consultant Tabby Biddle has written a practical, courageous and urgent call to action for women of all ages. This book brings to light the dark patches of our culture where women's voices are still silent and aims to make a change agent out of every reader. An alchemizing combination of manifesto, personal narrative, and practical guide, Find Your Voice serves as an experiential read for every woman who is ready to remember her innate feminine wisdom, unearth her purpose, and step fully into her power. With equal parts research and heart,

Tabby leads the way to form a sisterhood of all women who are up to the task of bringing the collective feminine power to the forefront of society in order to initiate real change. Whether or not you consider yourself to be a leader or even the least bit political, this book is an essential tool for you to begin to stand in your unique power as a woman and finally be heard. Why it Matters The research is in. Women's voices and women's leadership are in demand. According to the latest studies, when women are in leadership, workplaces and communities are more productive, innovative and successful. When more women are leaders, we change society's view of what leaders look like, how they operate, and how they respond to social, economic and political needs. When more women are leaders, we raise the aspirations of women and girls around the world. With women outnumbering men in earning undergraduate and master's degrees, while at the same time representing less than 20 percent of leadership in business, politics, media, health, education and every other industry, there has never been a better time to bring more women's voices into the social and political dialogue, and be inspired to speak out. Fast paced and well written, Find Your Voice takes you on a powerful journey and spits you out on the other side with a new-found sense of purpose, and an arsenal of tactics to find your voice and 'get out there' with it.
