Scott McKain

Why You Can't Find a Taxi in the Rain and Other Labor Supply Lessons from Cab Drivers Henry S. Farber, National Bureau of Economic Research, Princeton University. Industrial Relations Section, 2014 In a seminal paper, Camerer, Babcock, Loewenstein, and Thaler (1997) find that the wage elasticity of daily hours of work New York City (NYC) taxi drivers is negative and conclude that their labor supply behavior is consistent with target earning (having reference dependent preferences). I replicate and extend the CBLT analysis using data from all trips taken in all taxi cabs in NYC for the five years from 2009-2013. The overall pattern in my data is clear: drivers tend to respond positively to unanticipated as well as anticipated increases in earnings opportunities. This is consistent with the neoclassical optimizing model of labor supply and does not support the reference dependent preferences model. I explore heterogeneity across drivers in their labor supply elasticities and consider whether new drivers differ from more experienced drivers in their behavior. I find substantial heterogeneity across drivers in their elasticities, but the estimated elasticities are generally positive and only rarely substantially negative. I also find that new drivers with smaller elasticities are more likely to exit the industry while drivers who remain learn quickly to be better optimizers (have positive labor supply elasticities that grow with experience).

Taxi! Graham Russell Gao Hodges, 2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy. 2007 Noteworthy Book in Industrial Relations and Labor Economics, Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City's history and people, Graham Russell Gao Hodges's *Taxi!* is a remarkable evocation of the forgotten history of the taxi driver. This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream. From labor unrest and racial strife to ruthless competition and political machinations, Hodges recounts this history through contemporary news accounts, Hollywood films, and the words of the cabbies themselves. A new preface recalls the author's five years of hacking in New York City in the early 1970s, and a new concluding chapter explores the rise of app-based ridesharing services with the arrival of companies like Uber and Lyft. Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy, Hodges argues that the explosion of for-hire vehicles in Manhattan reversed decades of environmental anti-congestion efforts. He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies. Whether or not you've ever hailed a cab on Broadway, *Taxi!* provides a fascinating perspective on New York's most colorful emissaries.

Hailing Taxi Frank Lovece, Jules Franco, 1988-01-01

My Little Yellow Taxi Stephen T. Johnson, 2006 Kids must fasten their seatbelts as they prepare, by checking the mirrors, checking the oil, and starting the engine, to take their little yellow taxi for a wild ride, in this vibrant, interactive book that introduces the concept of telling time.

Taxi Betsy Maestro, Giulio Maestro, 1990-10 The reader is introduced to such typical city words as theater, museum, office building, and train station as a taxi travels through a hectic workday in and around the city.

Call Me A Cab Donald E. Westlake, 2022-02-22 The final unpublished novel by MWA Grandmaster – a wild, romantic road trip across America by taxi cab – demonstrates why this beloved author is so fondly remembered and so dearly missed. “A book by this guy is cause for happiness.” Stephen King DONALD E. WESTLAKE GOES OFF THE BEATEN PATH In 1977, one of the world’s finest crime novelists turned his pen to suspense of a very different sort – and the results have never been published, until now. Fans of mystery fiction have often pondered whether it would be possible to write a suspense novel without any crime at all, and in CALL ME A CAB the masterful Donald E. Westlake answered the question in his inimitable style. You won’t find any crime in these pages – but what you will find is a wonderful suspense story, about a New York City taxi driver hired to drive a beautiful woman all the way across America, from Manhattan to Los Angeles, where the biggest decision of her life is waiting to be made. From Pennsylvania to Ohio, Indiana, Illinois, Missouri, Kansas, Colorado, Utah, Arizona and Nevada on the way to California, the characters’ odyssey takes them through uncharted territory – on the map and in their lives. It’s Westlake at his witty, thought-provoking best, and it proves that a page-turner doesn’t need to have a bomb set to go off at the end of it in order to keep sparks flying every step of the way.

The Last Taxi Driver Lee Durkee,2020-03-03 A Kirkus Best Book of 2020 “A wild, funny, poetic fever dream that will change the way you think about America.” –George Saunders Hailed by George Saunders as “a true original—a wise and wildly talented writer,” Lee Durkee takes readers on a high-stakes cab ride through an unforgettable shift. Meet Lou—a lapsed novelist, struggling Buddhist, and UFO fan—who drives for a ramshackle taxi company that operates on the outskirts of a north Mississippi college town. With Uber moving into town and his way of life vanishing, his girlfriend moving out, and his archenemy dispatcher suddenly returning to town on the lam, Lou must finish his bedlam shift by aiding and abetting the host of criminal misfits haunting the back seat of his disintegrating Town Car. Lou is forced to decide how much he can take as a driver, and whether keeping his job is worth madness and heartbreak. Shedding nuts and bolts, The Last Taxi Driver careens through highways and back roads, from Mississippi to Memphis, as Lou becomes increasingly somnambulant and his fares increasingly eccentric. Equal parts Bukowski and Portis, Durkee’s darkly comic novel is a feverish, hilarious, and gritty look at a forgotten America and a man at life’s crossroads.

A Truly Great Taxi Driver Is Hard to Find Difficult to Part with & Impossible to Forget Greattime Books,2019-12-23 A perfect journal for anyone! Buy one for your favorite co-worker, friend, husband, wife, partner or just about anyone who enjoys a good laugh!

Taxi (English edition) Khaled Al Khamissi,2012-03-15 A best-selling modern masterpiece in the author's home country of Egypt, Taxi consists of fifty-eight fictional monologues with Cairo taxi drivers that have been recreated from the author's own experience, taking the reader on a roller-coaster of emotions as bumpy and noisy as the city's potholed and chaotic streets. Described as an urban sociology, an ethnography, a classic of oral history - and a work of poetry in motion - it tells Herculean tales of the struggle for survival and dignity among Greater Cairo's 80,000 cab drivers.

Adriana Estrada The Taxi Adriana Estrada,2012

Experiences As A Taxi Driver Wilburn Belfield,2021-03-22 The legendary life and times of a Chicago Taxi Driver. After 37 years of working the streets of Chicago, the author tells of some of his experiences and adventures while being a dedicated taxi driver. Read the book just to find out what a cab driver could share but found it to be pretty good, laughed a little, felt sadness, and wondered why anyone would subject themselves to such danger. Living in a city like Chicago would lend driving a cab very dangerous as it has proven to be in other large cities, but the author allows you a full view of his world

Torture Taxi Trevor Paglen,A. C. Thompson,2007 A story of how the CIA's darkest secret of the War on Terror - the 'extraordinary rendition' programme - was exposed. This work takes a look at the logistics of torture which shows how far Bush is prepared to go in the 'war on terror'.

New York Cab Driver and His Fare Charles Vidich,2017-09-29 Using information derived from research and interviews with cab drivers, Vidich has written a basic work on New York City cab drivers (hacks) that also provides passengers (fares) with a survival manual. Cab drivers are quoted by newspaper columnists, politicians, and at dinner parties; yet a hard look at the profession and its role in the transportation system of the city has been completely lacking. Vidich brings out in clear language the conflicts between the cab driver's position as a dispenser of a public service and his needs as a working person subjected to violence and pressure. It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition. At the same time, this book provides insight into the history and sociology of an important urban institution. It is a book about cab drivers everywhere; and cab drivers and fares in all cities have a new handbook in this volume.

Taxi Driver Wisdom Risa Mickenberg,1996-04 The fact is, New York cab drivers are the world's most accessible source of truth and wisdom.--Introduction.

Taxi Confidential Amy Braunschweiger,2009-09 An outrageous encounter in a cab is a rite of passage in New York City. Trap two or more strangers in a careening yellow sedan and add an unexpected variable-say, a well-armed transvestite hooker, the urgent need for a restroom, or a stabbing victim-and the story that emerges is sure to be worth telling. In Taxi Confidential, cabbies ranging from a lead-footed pothead to a philosophizing immigrant sage grapple with what chance tosses their way. Author Amy Braunschweiger uncovers the best taxi stories from the 1970s through present day, and takes the reader on a 100-mile-per-hour ride through Gotham's darkest alleys, roughest neighborhoods, and hidden sweet spots.

Confessions of a New York Taxi Driver (The Confessions Series) Eugene Salomon,2013-01-31 Driving a cab for more than 30 years Gene Salomon has collected a remarkable selection of stories. He shares the very best in this unforgettable memoir.

7 Tenets of Taxi Terry: How Every Employee Can Create and Deliver the Ultimate Customer Experience Scott McKain,2014-05-23 Inspired by the Ideas and Insight of Taxi Terry...The Best Guide to Customer Service You Will Ever Read No matter who you are, what you do, where you work, or how much money you make, you can learn a lot from a cab driver--especially when it is Taxi Terry, a successful self-starting entrepreneur who combines passion with effort and skill to create distinction in his job and in his life. Bestselling author and Hall of Fame speaker Scott McKain was so impressed by Terry's joyful approach to customer service, he incorporated the driver's inspiring personal philosophy and uplifting advice into his business speeches at corporate events--with stunning success. These are the 7 Tenets of Taxi Terry: Set high expectations--then, exceed them! Delivering what helps the customer . . . helps you. Customers are people--so, personalize the experience. Think logically--then act creatively and consistently. Make the customer the star of your show! Help your customers to come back for more. Creating joy for your customer will make your work--and life--more joyful! If you want to be more than just a job title, Taxi Terry will inspire you to be better at what you do and become the best

in your field. You'll find step-by-step strategies for each of the seven tenets, with actionable solutions that can be applied to an endless range of workplace problems. Also, with a special focus on internal customers--the people you rely on every day within your own company--the book addresses one of the most destructive issues in business today: employee disengagement. Using the same techniques that win over customers, you can actively engage coworkers, clients, and colleagues more effectively. In other words, everybody wins. 7 Tenets of Taxi Terry is your road map to an extraordinary journey--full of wonderful encounters and mutually rewarding experiences--that will take you anywhere you want to go. PRAISE FOR 7 TENETS OF TAXI TERRY: Scott McKain is a great storyteller and Taxi Terry delivers: it provides you what you need to know and do to provide your customers the kind of experience that will delight them and keep them coming back for more. -- Mark Sanborn, author of The Fred Factor and CEO of Sanborn and Associates McKain clearly shows again why he is the master at teaching companies how they can out-market, out-sell, and out-service their competition. -- Dr. Tony Alessandra, author of The Platinum Rule and The NEW Art of Managing People McKain shows you how to consistently deliver a level of service that makes you and your business distinctive in the hearts and minds of your customers. You will want every person in your company to read this book and apply its lessons. -- Randy G. Pennington, author of the award-winning bestseller Make Change Work This book is another masterpiece from the brilliant business mind of Scott McKain. -- Patricia Fripp, CSP, CPAE, former president of the National Speakers Association and a leading executive speech coach I have loved the story of Taxi Terry every time I've heard Scott tell it. It's entertaining, funny, and always a crowd pleaser. In this great book, Scott gives you a chance to go deeper into the story and learn the lessons you need to deliver a great customer service experience. -- Larry Winget, television personality and six-time bestselling author of Grow a Pair and Shut Up, Stop Whining, and Get a Life!

Find Taxi Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Find Taxi PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly

experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Find Taxi PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Find Taxi free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal

growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Find Taxi Books

What is a Find Taxi PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Find Taxi PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Find Taxi PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Find Taxi PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Find Taxi PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
