Dance of the Hands Rae Chandran,2015-09-01 Dance of the Hands is for everyone, not just people who are spiritually advanced. It is for any layperson, regardless of religion. This material is for those who have an interest in bettering themselves or improving their well-being — practitioners, teachers, masters, the spiritually advanced, neophytes, and children. The purpose of these mudras is to balance the body, mind, and soul. Like any spiritual practice, doing mudras brings balance to every area of your life. Practicing these mudras can bring you a sense of calmness, well-being, and heightened awareness. Each person will have individual results. Over time, you will notice a sense of balance and empowerment coming into your life. Relationships can be healed and reconciled. You will become more tolerant, more accepting, and less judgmental.

Your Move Ann Hutchinson Guest,2013-04-03 *Your Move: A New Approach to the Study of Movement and Dance* establishes a fresh and original framework for looking at dance. In examining the basic elements of dance - the Alphabet of Movement - and using illustrations of movement technique and notation symbols it provides a new way to see, to teach and to choreograph dance. This book gives a list of primary actions upon which all physical activity is based, focusing on both the functional and expressive sides of movement. It draws upon the author's broad experience in ballet, modern and ethnic dance to reinterpret movement and to shed new light on the role of movement in dance. *Your Move* is an important book not only for dancers but also for instructors in sport and physical therapy. Each copy of *Your Move* comes complete with exercise sheets, which can also be purchased separately. A teacher's guide has also been designed providing notes on each chapter, approaches to the exploration of movement,

interpretation of the reading studies, additional information of motif description and answers to the exercise sheets. An optional audio cassette, with music written and recorded especially for use with the book, is also available.

Touched by Time Kat Bussell,2014-10-06 I started writing poetry on Nov. 2, 2002 to present. My first poem was about how lost I felt in life. I made a goal to write 100 poems, when I accomplished that. I just kept writing it's how I express my feelings. I have tons of poems from over the years.. You will find a few short stories in: Touched By Time, I write on many different topics. About: Love, Romance, Loss, Nature if it inspires me. I also get poems when I am listening to music or watching something on tv. Or from a friend or a family member might say. My love for poetry comes from my grandfathers side of the family. They were musicians and loved playing for the people in Belgium, France.

Will one final note give them the courage to say yes to love on the wild Texas plains? *Killing Casanova*: In the small ranch community of Lindley, Nevada, Jake Caswell has a reputation as a womanizer—that is, until he meets Cassie Taylor, a blind woman who is oblivious to his normally irresistible charms. Chef's Kiss TJ Alexander, 2022-05-03 "Like a dish of comfort food you'll want to devour." —The Washington Post "It's hard to say which aspect of TJ Alexander's novel is sweeter: the slow-burn romance or the drool-worthy desserts." —Time A high-strung pastry chef's professional goals are interrupted by an unexpected career transition and the introduction of her wildly attractive nonbinary kitchen manager in this deliciously fresh and witty queer rom-com. Simone Larkspur is a perfectionist pastry expert with a dream job at The Discerning Chef, a venerable cookbook publisher in New York City. All she wants to do is create the perfect loaf of sourdough and develop recipes, but when The Discerning Chef decides to bring their brand into the 21st century by pivoting to video, Simone is thrust into the spotlight and finds herself failing at something for the first time in her life. To make matters worse, Simone has to deal with Ray Lyton, the new test kitchen manager, whose obnoxious cheer and outgoing personality are like oil to Simone's water. When Ray accidentally becomes a viral YouTube sensation with a series of homebrewing videos, their eccentric editor in chief forces Simone to work alongside the chipper upstart or else risk her beloved job. But the more they work together, the more Simone realizes her heart may be softening like

butter for Ray. Things get even more complicated when Ray comes out at work as nonbinary to mixed reactions—and Simone must choose between the career she fought so hard for and the person who just might take the cake (and her heart).
