In GREETINGS FROM THE FINGER LAKES, local restaurateur Michael Turback profiles the best wineries, restaurants, farms, and markets surrounding the five largest lakes, and includes interviews with the proprietors, tasting notes, and even a few treasured local recipes. Featuring contact information for each location as well as photographs of the region's picturesque landscapes, GREETINGS FROM THE FINGER LAKES is the food and wine lover's companion to this up-and-coming culinary hot spot. A food and wine guide to the Finger Lakes region of upstate New York, featuring profiles, tasting notes, contact information, and recipes from the area's wineries, dairies, organic farms, orchards, cafes, inns, ice cream makers, brewing companies, blueberry farms, honey producers, u-pick farms, taverns, maple syrup companies, tea rooms, cider producers, and more. Finger Lakes Wine Country Sarah Thompson, 2015-03-23 For more than 150 years, Finger Lakes Wine Country has played a major role in American wine history. At its heart are the four deepest Finger Lakes, part of a group of 11 long, narrow lakes in central New York. There, nestled among Canandaigua, Keuka, Seneca, and Cayuga Lakes, farmers began planting vineyards in the 1830s. In 1860, the Pleasant Valley Wine Company became America's first bonded winery, turning Keuka Lake into a busy shipping hub for fresh grapes and award-winning champagnes. Other wineries soon followed, as did railroads and basket factories. Early 20th century business was good until Prohibition forced wineries to reinvent themselves. In the 1950s and 1960s, innovators like Charles Fournier, Dr. Konstantin Frank, and Walter S. Taylor experimented with hybrid and European vinifera grape varieties. But by the 1970s, local grape growers faced extinction; it would take a grassroots movement and landmark legislation in 1976 to bring about a Finger Lakes wine renaissance.

A Sense of Place Christopher Missick, 2013-01-22 A Sense of Place: A Discovery of Finger Lakes Wine History, and Villa Bellangelo Winery is primarily a tasting journal, but it also serves another role. The book provides readers with a short primer on the history of wine grape cultivation in the Finger Lakes, and how a geologically significant location blossomed into one of America's most important and fastest growing wine regions, particularly for Riesling. Next, the book looks at Villa Bellangelo, a winery located on Seneca Lake owned by the author's family, and expounds on the rich history of the site where the winery is located today, and the 1866 Vineyards that still remain. Finally, a brief introduction to wine tasting helps the novice taster approach wine simply and easily. A Sense of Place is a promotional item given to members of the winery's case club and wine club, and although it is by no means a comprehensive history of the region, it serves as a nice introduction to anyone interested in learning more about Finger Lakes wine.

Finger Lake Wine and the Legacy of Dr. Konstantin Frank Tom Russ,2019-07-15 The remarkable story of a refugee from Soviet Ukraine who found his way to upstate New York—and changed the American wine industry. Dr. Konstantin Frank forever changed the palate of American wine. Forced from his home in Soviet Ukraine during World War II, he was astounded by the terroir when he arrived in the Finger Lakes region, an agricultural scientist from a foreign land desperately looking for work. Against popular notions, he believed that the vinifera grapes that produced some of Europe's and California's finest wines would prosper in this part of New York State, but was met with skepticism and resistance. He proved his detractors wrong, and because he shared his knowledge freely with others, Konstantin's innovativeness has allowed the region to produce some of the world's finest Riesling, Chardonnay, Pinot Noir, and other varietals. Four generations of Franks have continued his legacy, and their winery has won record numbers of prestigious awards every year. This book tells the inspiring story. Includes photographs

Wines of the Finger Lakes Peter Burford,2016 New York's Finger Lakes region is rapidly establishing a world-wide reputation for its wines. This book looks at the wines, grapes, and wineries of the Finger Lakes and describes how the area is evolving as an important locale for Riesling, Chardonnay, Pinot Noir, Cabernet Franc, and many other wines. The book looks at the grapes grown in the region and the unique effect of the Finger Lakes themselves on the region's climate and wine-grape production. It surveys the long history of winemaking in the Finger Lakes, beginning in the early 19th century, to a time when the Finger Lakes produced much of the wine consumed in the US. And the book explores many of the most important and interesting of the over 100 wineries in the region that today produce world-class wines in one of the most beautiful areas in the eastern US. Any wine-lover who lives in or visits the Finger Lakes, or who enjoys American wine, will need this book--Publisher's website.

Finger Lakes Wineries Emerson Klees,2014 This book provides a history of the early wineries, such as Taylor Wine Company, Pleasant Valley Wine Company, and Urbana / Gold Seal wineries in Hammondsport and Widmer Wine Cellars in Naples. The many wineries that went out of business during Prohibition are discussed as well as Paul Garretts Garrett & Company, which moved north to Penn Yan. Walter S. Taylor of Bully Hill Vineyards, promoter of French American Hybrid grape varieties, and Dr. Konstantin Frank, cool-climate pioneer and driver of the renaissance with European varieties, are highlighted.

Seasons of a Finger Lakes Winery John C. Hartsock,2011-04-15 June is a time when the vineyardist thins and trains shoots, which seem to grow inches a day. During thinning and training one learns intimately about the personality of the grapevine. It is a strange creature, and one can see why in ancient Greece and Rome it represented the cycles of life. The bark on the main trunk tends to be cracked and crumpled, hanging in threads in some places, and reminiscent of a withered old man. It's not pretty to look at. But the vine comes to life in the smooth brown canes that were young growth the year before, and then in the tender, rubbery green shoots of the current season. In 1998, Gary and Rosemary Barletta purchased seven acres of land on the eastern shore of Cayuga Lake. Descending to the west from the state route that runs along on the ridge overlooking the lake, the land was fertile, rich with shalestone and limestone bedrock, and exposed to moderating air currents from the lake. It was the perfect place to establish a vineyard, and the Barlettas immediately began to plant their vines and build the winery about which they had dreamed for years. The Barlettas' story, as John C. Hartsock tells it, is a window onto the world of contemporary craft winemaking, from the harsh realities of business plans, vineyard pests, and brutal weather to the excitement of producing the first vintage, greeting enthusiastic visitors on a vineyard tour, and winning a gold medal from the American Wine Society for a Cabernet Franc. Above all, Seasons of a Finger Lakes Winery describes the connection forged among the vintner, the vine, and terroir. This ancient bond, when tended across the cycle of seasons, results in excellent wines and the satisfaction, on the part of the winemaker and the wine enthusiast, of tasting a perfect harvest in a single glass. Today, Long Point Winery sits on seventy-two acres (eight of which are under cultivation with vinifera grapes) and produces sixteen varieties of wine, a number of which are estate wines made from grapes grown on their property. With interest in winemaking continuing to grow, the Barlettas' experience of making award-winning wines offers both practical advice for anyone running (or thinking of running) their own winery, whether in the Finger Lakes or elsewhere, as well as insights into the challenges and joys of pursuing a dream.
