

Finger War

John E. Talbott

Wars, Lies, and Family Ties John R. Finger, 2017-07-17 A compelling story of the ties that bind and the forces that drive us apart, *Wars, Lies, and Family Ties* continues the saga of the Bateman family begun in John R. Finger's debut novel, *Wars Unwon*. Set against the backdrop of the major events of the first half of the twentieth century, *Wars, Lies, and Family Ties* depicts the complicated relationships and lives of the descendants of Civil War veteran-and thief-Shannon Bateman. Tracing the life of Shannon's grandson, Walter Stevenson, the story also features Shannon's second wife, Lyla; his two daughters Rosalinda and Sophia; and other relatives of dubious fame and notoriety. As Walter Stevenson, a career army officer, comes to terms with the many and varied problems that shadow him, he watches the world turn and values change throughout the course of World War I, the Roaring Twenties, the Great Depression, and World War II. A powerful exploration of the curious intertwining of love, jealousy, and hate amid one extraordinary and volatile family, *Wars, Lies, and Family Ties* will sweep you up in its scope and invite you to lose yourself in the saga.

Fate's Finger Robert W. Christie M.D., 2002-04-12 *Fate's Finger* is a fictionalized memoir based on the author's experience as a combat-inexperienced 2nd lieutenant sent to the ETO late in 1944 as a replacement platoon leader in an armored division. He arrived at the beginning of the Battle of the Bulge and fought with his division through three campaigns in Europe. Each chapter is introduced by a newspaper headline appropriate to the times, followed by a letter to or from a character in the book to folks back in the U.S. The events described in each chapter are based on reality, but dialogue, as well as personal names and character development are fictional. Graphics include photographs, news clippings, and maps. Authenticity, verisimilitude, and readability were the author's aims, and so the book is meant to be read as a military historical novel written by an old soldier attempting to preserve a micro-history of tank warfare in WW II. "...a 'bottom-up' account of tank warfare, unique in the annals of WW II, based on the cold, hard, terrifying facts of armored combat. The way the author develops the humanism of the characters, their language, their down-to-earth thoughts and emotions is truly remarkable." Col. Arthur F. Pottle, WW II troop commander, 86th Cav Rcn Sqdn, 6th Armored Division, Third Army "Fate's Finger is a great military micro-historical achievement, telling it like it was for the men on the line in WW II armored divisions, and it reeks with verisimilitude: the contemporaneous U.S. newspaper headlines, and the wonderful human insights in the letters to and from the folks back home. Absolutely authentic, a 'been there, done that'. I couldn't put it down!" Capt. Perry Swirsky, WW II tank company commander, 752nd Tank Bn. "Only a rare few WW II accounts have captured as this one has the turmoil that small groups of tankers and their machines endured to make the 'big picture' succeed. A must read for old – and new – tankers." 1st Lt. George A. Campbell, WW II tank platoon leader, 8th Armored Division.

Wars Unwon John R. Finger, 2012-05-01 Stealing, Shannon Bateman learns, is bad for one's health. As an Illinois cavalry officer during the Civil War, he purloins a fortune in gold, then struggles almost thirty years to elude its rightful owners. The treasure remains cleverly hidden while both sides employ guile, murder, and mordant humor. Dickensian characters appear, disappear, and rematerialize in various guises. Disconsolate after his wife dies, Shan abandons his daughter and thriving business and takes refuge in a roadshow. An unexpected meeting brings him back to family, including his resentful daughter. Both she and his new wife become strong, resilient persons who wage their own wars against him. They all end up in Kansas, where Shan again succeeds in business, survives an encounter with hundreds of Cheyenne warriors, and experiences more family troubles. His oldest and most persistent enemy pays a visit and makes him an offer. By the mid-1880s, Shan's spiraling dementia heightens a longtime animosity toward the Negroes he helped free during the war. He is committed to an insane asylum, where he and his assembled enemies, including a young black orderly, wage wars of a different sort. Overseeing the drama is a Civil War surgeon-cum psychiatrist who has his own troubles. Who is insane and who is not? Where's the gold? And who is the winner? A sprawling novel spanning four generations, *Wars Unwon* reveals the humanity in even the basest of its characters, along with the interwoven consequences of their actions.

Finger Print Magazine, 1919

A Finger in Lincoln's Brain E. Lawrence Abel, 2015-01-16 The author provides an in-depth analysis of the science behind the assassination, a discussion of the medical care Lincoln received at the time he was shot and the treatment he would have received if he were shot today, and the impact of his death on his contemporaries and the American public.

War Strategy Melissa Finger, 2023-06-13 This is Book Two in a fiction-based trilogy about an intense healing journey for a woman raised under the wide of conditions. Cindy had lived her entire life in the shadows of her painful childhood. She desperately wanted to live a life free from pain and trauma, but it was all she had ever known. Could there really be freedom from this terrible evil? Could her life ever be more than just surviving? Would the angelic guard assigned to keep her safe be enough to protect her from the building threat of shame and fear? Only God knows if the story of her past and the hope of her future will be able to come together into a solid identity in Christ for today. Book One: More Than Meets The Eye Book Two: War Strategy Book Three: COMING SOON!!

Fickle Finger of Fate Raymond Ives, 2020-10 Like the participants in all great battles of the past, the men of the Eighth Air Force flying out of England gradually slip into history, the sound of their living voices, like the tumult of their deadly missions, becoming only echoes in the minds of those

surviving them. A treasure of individual stories will die with most of them. Many want or wanted to quietly forget or withhold the details of those times. Some few leave us with more specific remembrances in poignant oral histories or the written word. The following account is one of those precious records. As a farm boy in central Pennsylvania, Ray Ives never imagined the course the world or his life would take as Europe fermented and eventually exploded into World War II. In this fairly brief and crisp telling of how he came to his fate in a German prisoner of war camp next to the North Sea, Ives, a commissioned 2nd Lieutenant, relives Black Thursday, the 14 October 1943 mission over Schweinfurt, Germany, through the eyes of a bombardier in the Plexiglas nosecone of a B-17 Flying Fortress. From wake up call to the order to bail out of his flak- and bullet-shattered plane at 25,000 feet above the French countryside, to his subsequent evasion, eventual capture and experiences in Stalag Luft I, Ray revisits the emotions and strange coincidences of the time. In doing so, he causes us to think of what must have been the thousands of other unique and fascinating stories of brave airmen shot from the skies and forced to wait out the war at the mercy of the Nazis. Devoid of soppy, fabricated emotions to develop interest, the 'real' story is worthy in itself of substantial publication as part of the archives of World War II history. Underlying it's telling is a tongue-in-cheek sense of humor that Ray has maintained to this day and which invigorates the text. 106 photos, illustrations, documents. A Merriam Press World War 2 Autobiography.

Two Finger Salute at Agincourt Walter Shields,2014-08-01 This book is a story about an 11 year-old boy who is inspired to become an archer by the stories of battle that are told to him by his father and grandfather. Eager to learn all that he can about the using and making of longbows and arrows the hero of the story, Crispin Bowyer finally achieves his ambition to become an archer in the King's army aged 25, when he takes up a key role in the battle of Agincourt. The Battle of Agincourt has become the most legendary victory in a series of battles between England and France that later became known as The Hundred Years War that occurred between 1337 and 1453. Taking place in a muddy field after heavy rainfall, the battle commenced after a series of taunts from either side. At 11 am on 25th October 1415 thousands of arrows rained down on the French Army. Ragamuffin English peasants, who were greatly outnumbered by the French, fought their way to victory against the odds. Poorly dressed, in ill-health, many with excrement dripping down their legs as they shot arrow after arrow into the French ranks. This legendary battle has been dramatised by Shakespeare in his play Henry V and many a film and educational documentary have portrayed this battle from the perspective of Henry V, in a glamourised account of this historical battle; which over the years has become distorted and most probably inaccurate of the facts. Two Finger Salute at Agincourt greatly differs from what is commonly written about the battle. The author has written this fictional story based around the facts that are most commonly known and apologises if they are not completely correct. Just as the plays and films have been embellished for the sake of good viewing and the facts become tainted, this book makes no excuse for any inaccuracies that the 'historians' may find. The book is written with the young boy in mind and will appeal to youths of 8 -16 years of age in particular. However, anyone who wishes to read about the era, and how life was for a peasant, would enjoy this book. There are many references to social issues and even the inadvertent creation of the 'V-sign', hence the title of the book. 2015 sees the 600th Anniversary of the battle and will no doubt be celebrated both in England and France. This book celebrates the common man, the peasants who fought disease and dysentery as well as a battle. The ordinary boy, Crispin Bowyer, who grows to be a man, wishing to better himself and join 'the band of brothers'. But where do his allegiances lie, with a French mother and English father? After being part of this victorious, yet dismal conflict, does this Anglo-French man still feel the same way about the glories of war? This book is a good read and opens up opportunities for further discussion, whether for educational reasons or simple interest in battles and bygone times. See the website for points of discussion, details of which are given in the glossary of the book.

Schmidt's Jahrbuecher ,1850

Fortune Favours the Brave A.J. Barker,2001-03-15 All too little remembered today, the Korean War was bitterly fought out under atrocious conditions of weather and terrain. Greatly outnumbered by their Communist Chinese and North Korean enemy, the United Nations forces fought with extraordinary resolve and gallantry. The Hook, the name given to a prominent ridge on the Peninsula, saw more blood spilt than any other feature in this prolonged and grisly war. Not surprisingly it became known as 'the bloody Hood'.The two costliest battles are described in detail in *Fortune Favours The Brave*, a classic account of the war. Both involved British infantry battalions of 29 Commonwealth Brigade. In November 1952, The Black Watch saw off a major Chinese attack against all odds. In May 1953 it was the turn of 1st Battalion, The Duke of Wellington's Regiment to face what must have seemed an overwhelming onslaught. Along a 1,000 yard front the greatest concentration of artillery fire since the Great War was brought to bear on Chinese human-wave attacks.In the morning the Dukes still held the ground despite heavy casualties. This feat of arms, achieved by battalion made up mainly of young National Servicemen from yorkshire, ranks among the finest in the long and glorious history of the British Army.

The Forever War: Forever War #2 Joe Haldeman,Gay Haldeman,2018-05-23 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} The Forever War raged for centuries... but Marygay was there to see it all. During the interstellar travel that took her years, generations came and went on Earth. She eventually arrived on Aleph-10 sometime after the end of the war, when humans and the enemy Taurans were at peace. There she learned that what's left of humanity is a hive mind known as MAN, that inhabits

10 thousand million entities. Making use of the time paradox, Marygay spent the next 286 Earth years in the Time Warp, where she aged just one month every 10 years. This allowed her to arrive, along with other Forever War veterans, on Middle Finger. There she was reunited with her lost love, William, and free to live amongst other heterosexuals and to procreate in the traditional mammalian way. But life on Middle Finger is not as idyllic as Marygay and the others assumed.

The Legend of Three-Finger Willie T. O. McFarland,2003-01-24 A local Civil War hero, admired by the townspeople, is found dead in the cold, swirling waters under the Federal Street pier. An accident or a murder? Nearly a hundred years later, three little boys with a yen for adventure and their indefatigable Grampa stumble upon an old grave and The Legend of Three-Finger Willie comes to life. Laced with the intrigues and insecurities that war brings in its aftermath, the true story behind the ghost haunting the streets of Belfast seeking forgiveness from his embittered sister is at last revealed. T.O. McFarland was born in Camden, a small town on the coast of Maine. His formative years were during the nineteen fifties when a kid's imagination was not influenced by television or computers. He is now living in Texas recording the adventures he had with his brothers and cousins and sharing them through his stories.

"One Finger's Worth of Historical Events" David Wolff,2000

Vietnam on Canvas Sandra Finger Lee,2018-06-19 Patrick Cullinan is the first member of the Australian Defence Force to climb Mount Everest. He achieved this as part of the 1988 Australian Bicentennial Everest Expedition.Patrick's journey to the summit of Everest start with his days as a cadet at Duntroon and continued through his time as the commander of Climbing Troop at the Special Air Service Regiment. He take us up Mount Gauri Shankar in Nepal (his apprenticeship), Broad Peak in Pakistan (the rehearsal) and then finally to Everest with the Bicentennial Expedition. The Expedition team decided to forgo the usual practice of using climbing sherpas. This prompted the Sherpa Sungdare, who at the time had climbed Everest five times, to say to one of the Australian expedition members, 'You guys are White Sherpas.'

Let's Call It Finger: A History of North McNairy County and Finger, Tennessee, and Its Surrounding Communities John E. Talbott,2014-12-09 Let's Call It Finger is the story of north McNairy County, Tennessee, in and around the small West Tennessee town of Finger from its early settlement to World War II. Great emphasis is placed on the general development of north McNairy County from the 1820s to 1900. The story shifts to the establishment of Finger in 1900 through the post-war era, including the area's settlement, the War Between the States and its effects, and the advancement of education, business and commerce, transportation, and medicine. Strange, peculiar, and interesting events are also discussed, as well as the people and happenings that left indelible marks on Finger and north McNairy County. Finally, tribute is paid to the dead of the area with the inclusion of up-to-date histories and censuses of some twenty-five local cemeteries that document the graves of more than 2,700 individuals. While no other work exists on this scale and to this extent, author John E. Talbott puts forth this work with hopes that it will assist future generations in their quest to chronicle their families and the history of the region.

Finger War Introduction

In todays digital age, the availability of Finger War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Finger War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Finger War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Finger War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Finger War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Finger War books and manuals, several platforms offer an extensive collection of resources. One such

platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Finger War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Finger War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Finger War books and manuals for download and embark on your journey of knowledge?

FAQs About Finger War Books

What is a Finger War PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Finger War PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Finger War PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Finger War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe

Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Finger War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression

reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
