

Fire Trucker

Peter Sis

Big Frank's Fire Truck Leslie McGuire,2014-08-27

Big Frank tells young readers all about firefighting and the many other important jobs firefighters do: fire safety training, fire inspection, helping at accident scenes, and more. It's all in a day's--and night's--work for our firefighting friend and his crew. The detailed full-color illustrations in this paperback book will fascinate readers.

Fire Truck Peter Sis,1998-09-17 Matt loves fire trucks, and one morning when he wakes up, he is a fire truck--right down to his hoses, hooks, and ladders! His wheels and sirens couldn't be handier for performing many important duties around the house, especially rescuing teetering teddy bears or precariously placed pets. And a gatefold spread of Matt's fully loaded rig will have happy young viewers counting from one to ten--over and over again--in this fun-filled ode to the classic red fire truck by Caldecott Honor-winning Peter Sis.

Heard It in a Love Song Tracey Garvis

Graves,2021-11-09 From Tracey Garvis Graves, the bestselling author of *The Girl He Used to Know* comes a love song of a story about starting over and second chances in *Heard It in a Love Song*. Love doesn't always wait until you're ready. Layla Hilding is thirty-five and recently divorced. Struggling to break free from the past--her glory days as the lead singer in a band and a ten-year marriage to a man who never put her first--Layla's newly found independence feels a lot like loneliness. Then there's Josh, the single dad whose daughter attends the elementary school where

Layla teaches music. Recently separated, he's still processing the end of his twenty-year marriage to his high school sweetheart. He chats with Layla every morning at school and finds himself thinking about her more and more. Equally cautious and confused about dating in a world that favors apps over meeting organically, Layla and Josh decide to be friends with the potential for something more. Sounds sensible and way too simple—but when two people are on the rebound, is it heartbreak or happiness that's a love song away?

It only costs a buck-- what luck! Mom buys Chuck the truck, and he loves everything about it. At home, he plays with it nonstop: in the sandbox, the yard, and the mud. But after bath time, once Chuck is squeaky clean, his fire truck is nowhere to be seen! Dumbstruck, Chuck hunts all over the house. Where is his truck?! Was it sucked up into the vacuum, now stuck? Finally, Chuck and his truck are reunited, just in time for bed. With humor and warmth, it's a lovable read-aloud that captures a child's joy for their favorite toy.
