**Fish Tales and Other Lies** Stephen Tate,2004 Steve Tate has been soakin' worms since he was old enough to stretch the truth. His collection of fishing stories from around the world will entertain fishermen, and people who have never been near the water.

**LaBlance Fish Tales Two** Peter LaBlance,2023-04-28 These tales are just a small window into the lives of commercial fishermen on the Great Lakes. Their Dad and Mom taught them the value of good, hard work, and expected everyone to work on the fish tugs. Their lives were shaped by moving around to follow the fish from Lake Michigan to Lake Huron and Lake Superior. LaBlance's Fish Tales Two is a collection of fishing stories with an element of truth in each -- you just have to find it. The author has also included stories from his dad, old newspaper clippings, and his firsthand perspective. Fish tales in this book also include stories from his brothers Mike, Robert, Jim, Albert, his sister Catherine, and his wife Deborah, and his cousin James Muscott.

**Reel Chance Fish Tales** Captain Rick Percy,2017-12-14 Capt. Rick, Thank you so much for the great red fishing trip today. Me and my boys had a fantastic day. I truly appreciate the time and attention you gave my boys (Grayson 13 and Carson 10) while fishing today. You are an excellent captain and good teacher which is a rare combo. As you could probably tell today, fishing is a very important part of my family and we could not have asked for a better day fishing or a better guide to show us the finer points of fishing the low country. The boys are already talking about the May Multi-species Wreck trip. We will start saving now. Had a blast! Attached are some good pics, use what you like. Please stay in touch. All My Best, Garth D. Spendiff M.S., CSCS P.S. the count was: Dad = 3, Grayson = 11, Carson = 5, Team Spendiff = 19

*Lofdoc's Stories: Short and Sweet* Lofdoc,2013-08-23 The stories that I offer you, are a compilation of many subjects, thoughts and emotions. They are, when viewed in their entirety, a veritable snapshot of my life on this planet. There are stories that have happy endings and, alas, many with sad conclusions. There are many animal, nature and sports stories and, best of all, stories about aquatic life (fish). As I have encountered life's mysteries throughout my life's journey of 86 years, I have recorded the psychological, emotional and physical impact on the human and animal world.

Fish Tales 2004 D. O. Norton,2021-09-21 I grew up with a fishing rod in my hands and an incredible passion to catch anything that swims. My earliest recollections are from fishing at Rice Lake, in Canada when I was only 5 or 6 years old. Too young to take a boat out by myself, I can remember sitting on the dock with my brothers, fishing rods in hand, catching bluegills and perch. As I got older, my father taught me and my brothers how to cast, how to troll and how to flyfish, long before we ever reached our teen years. His passion became our passion as we all grew older and started our own families. In 2004, I was invited to write a weekly fishing column for the Highlands Today newspaper. One column, often lead to two columns a week, as I attempted to follow bass club news, as well as bass tournaments, and my own fishing exploits. I wrote my column, Fishing Tales, from 2004-2006. In 2012, I

returned to Florida and began writing another column for the newspaper, except this time, it was for the NEWS SUN. Again, I covered bass tournaments, my bass fishing guide trips, saltwater fishing and new trends in fishing tackle until 2017. I hope you enjoy my stories from Highlands County Florida in 2004!
