Bass Pro Shops Hunting and Fishing Directory

Marv Fremerman, 2001-07-27 Planning a hunting or fishing vacation can be a daunting task. How do you make sure that you are booking a lodge that is clean, has good food, and is well managed? How about that guide? Does he really know where the best lakes for large mouth bass or trout are located? Now you can rest assured that you will be in good hands when you take your hunting and fishing trips. Bass Pro Shops, the largest outdoor retail chain in the U.S., know the people who are expert trackers, fishermen and women, and outfitters. They are passing along these pearls of information in one complete book. Everything from price to license requirements and bag limits, even the history of the lodges is included! Not content with focusing on one country, Marv Fremerman has included countries around the world known for their spectacular scenery and impressive hunting and fishing locales. Some of the countries included are the U. S., Canada, Bahamas, U. S. Virgin Islands, Argentina, Belize, Brazil, Chile, Costa Rica, Honduras, Mexico, Australia, Norway, Russia and even safari trips in Africa and the Far East. From hunting whitetails to grouse, from fishing for trout to perch, this book offers a complete directory of lodges, guides and outfitters for the outdoorsman or woman who doesn't want to spend their vacation cursing the bad information they received.
