  Between Five Lines Helena Jerman,1997 Transactions of the Finnish Anthropological Society No. 38 The research area of this study was once the focal point of colonial penetration in East Africa. The author traces the evolution of ethnicity from the 15th century until the post-colonial period. She argues that ethnic group identification is used as a self-referent. People's perception of the present is a reflection of the colonial practice of dividing people into tribes. Yet, villagers in the Bagamoyo District stress commonality -- another dimension of ethnic consciousness.

Five Lines No Waiting Tom McDermott,2019 Poetry. Art. Music. Now in an expanded second edition, this collection of alert, witty, and world-wise limericks by the great New Orleans jazz pianist and composer Tom McDermott, illustrated with his own drawings, is a snapshot of a restlessly creative mind and heart at play. These personal nursery rhymes demonstrate that simplicity of means need not be incompatible with sophistication of ends. In all their various modes--the frivolously comic, the self-deprecating, the wistful, the gently mocking, the philosophical--a very individual elegance and generosity of spirit are always to be found.

Dotted Lines Devney Perry,2021-03-02 Clara Saint-James is completing a journey started by an old friend. She'll return a Cadillac to California, a place she's avoided for more than a decade. But it's time for closure and to put old ghosts to rest. And it's time to find out if the feelings she's cherished for the boy from her past are just fanciful memories-or if there's a chance they are real. Timing was never on her side, especially when it came to Karson Avery. The two of them lived in a junkyard as runaway teens, and though she wanted more than his friendship, he always belonged to another-until that one night when he was hers. When Clara finds Karson living in a small, coastal town, she's not surprised the beautiful boy from her past grew into a stunning man. His smile is as captivating as ever. His eyes have the same roguish glint. But timing is still working against her. Clara must decide how far she's willing to go to battle for Karson's heart. Or if it's time to let him go and surrender to the dotted lines that have always kept them apart.
