Dare to Repair Julie Sussman, Stephanie Glakas-Tenet, 2002-09-03 This is NOT your father's home repair book! And it's not your husband's, your brother's, your boyfriend's, or the guy's next door. *Dare to Repair* is a do-it-yourself book for every woman who would rather be self-reliant than rely on a super or contractor. No matter the depth of your pockets or the size of your home, a toilet will get clogged, a circuit breaker will trip, and a smoke detector will stop working. It's up to you how you'll deal with them -- live in denial, pay the piper, or get real and do it yourself. *Dare to Repair* demystifies these home repairs by providing information that other books leave out. In *Dare to Repair*, you'll learn how to: Take the plunge -- from fixing a leaky faucet to cleaning the gutters. Lighten up -- from removing a broken light bulb to installing a dimmer switch. Keep your cool -- from maintaining a refrigerator's gasket to changing the rotation

of a ceiling fan. Get a handle on it -- from replacing a doorknob to repairing a broken window. Play it safe -- from planning a fire escape route to installing a smoke detector. Filled with detailed illustrations, *Dare to Repair* provides even the most repair-challenged woman with the ability to successfully fix things around the home. Once you start, you won't want to stop.
