Meet the Pops™ Belinda Barbieri, 2018-05-09 A

hardworking family, Lolly, Cherry, Soda, and Coco Pop own a farm where they harvest yummy lollipops, fresh candy corn, and a variety of other sweet treats. On Pops farm, herds of strawberry and chocolate milk cows and cotton-candy sheep roam the countryside. Holidays are important to the family, and Flag Day is no exception. In this edition of Meet the Pops, author Belinda Barbieri serves up another delicious family treat in this picture book for children. Through words and illustrations, she explains the origin of the American Flag and what the stars and stripes represent. Flag Day Every Day delights and educates while promoting exemplary child behavior. It encourages patriotism and teaches children about veterans who will always be there to help protect them and keep them safe.

Capture the Flag Arnaldo Testi, 2010-06 Now an acclaimed European professor of American history brings a fresh perspective to the American flag, exploring its political, social, and cultural significance across the broad swath of its history. Mining a rich vein of materials from history, literature, music, and popular culture, Arnaldo Testi analyzes the symbolic importance of the flag to the national consciousness of this nation of immigrants and sees in it the very contradictions that make up our history: secularism and sacredness, freedom and empire, inclusiveness and aggressive self-confidence.

F Is for Flag Wendy Cheyette Lewison, 2002-04-15 June 14 is Flag Day, but with so many American flags proudly displayed, every day seems like Flag Day. Perfect for reading together with a young child, *F Is for Flag* shows in simple terms how one flag can mean many things: a symbol of unity, a sign of welcome, and a reminder that in good times and in bad everyone in our country is part of one great big family.

Our Flag Was Still There Jessie Hartland, 2019-05-21 A Bank Street Best Book of the Year “So much to like about this,

including the folk art-style artwork with childlike appeal, the emphasis on the women who constructed the flag, and the important ways a symbol can influence a country for generations.” —Booklist (starred review) From beloved author-illustrator Jessie Hartland comes a whimsical nonfiction picture book that tells the story of the American flag that inspired the poem and our national anthem, “The Star-Spangled Banner.” If you go to the Smithsonian in Washington, DC, you can see a massive American flag: thirty feet tall and forty-two feet long. That’s huge! But how did it get there? And where did it come from? Well... The story of this giant flag begins in 1812 and stars a major on the eve of battle, a seamstress and her mighty helpers, and a poet named Francis Scott Key. This isn’t just the story of one flag. It’s the story of “The Star Spangled-Banner,” a poem that became our national anthem, too. Dynamically told and stunningly illustrated, Jessie Hartland brings this fascinating and true story to life.

DK Eyewitness Guides William Crampton, 1989 Each title in the Eyewitness series is an informative, visual account of the wonders of the world around us. Illustrated with colour photographs of objects from the natural world, from specialist museums and from rare private collections, the series offers a fresh approach to the mysteries of nature, history, science, arts, crafts and pastimes.

Beyond the Flag Beatriz Schiller, *Beyond the Flag: Iconographies of Patriotism* is a book of photographs & text by

journalist and photographer Beatriz Schiller. 46 quotes excerpted from exclusive interviews and 8 taken from historical sources, with 74 black & white photographs of symbols of patriotism such as flags, eagles, Uncle Sam(s), Statues of Liberty, on buildings, monuments, at events, and worn by people. Interviews were conducted by the author with Americans, from 9 to 90 years old, across the country. People's feelings, behavior, denials or approvals about patriotism are more diversified than the prominence of the symbols of patriotism would suggest. Some see it as religion of country, others as celebration of America, others see manipulation, or some see patriotism as their identity. People examine their responsibilities towards country and the country's responsibility towards them. The book opens with an exclusive interview with linguist, philosopher, MIT and University of Arizona professor, Noam Chomsky, followed by 7 chapters of photos and thoughts: Education, Love of Country, Participation, The Symbol, the Theater of Patriotism and Militarism. Quotes from an exclusive interview with the father of public relations, author Edward Bernays. Quotes from exclusive interviews with composer, John Cage; visual artist, Jimmie Durham; Museum of Modern Art curator, Carolyn Lanchner; Author Annette Rubinstein; elementary school student Rabiah ; farmers, businessmen, veterans; the Annin and Valley Forge flag factories' representatives and workers. Historical quotes from Benjamin Franklin, Thomas Jefferson, Alexis de Tocqueville, Mark Twain, Henry Cabot Lodge, William Tyler Page, Adlai Stevenson, Lyndon Johnson and Ronald Reagan. This portfolio of photos, exhibited in November 1982 at The Cathedral Church of St John the Divine, traveled in the USA and abroad. Linda S. Sullivan, photography coordinator of the Museum of the Cathedral of Saint John the Divine, wrote of the Beyond the Flag project: America and the Flag, presented a fresh and insightful perspective to the collective consciousness, and unconsciousness, of patriotism in this country. Beatriz has two nationalities: American and Brazilian. She has

lived longer in the United States, 49 years, than in her native Brazil. Both countries formed who she is.
