- 🔖 **Introduction to Awakening of Twin-Flames** Venus Alistar,2016-08-10 Everyone will learn about the twins, who we are together, and what our mission here is. It is part of a sacred agreement between the twins before we entered into this life and is our purpose and mission to help with the earths ascension through elevated states of higher conscious awareness of love and becoming wholesome together in union. Splendid plan! Whether you are newly awakened twin flames or curious to know about the twins and the purpose of the father and mother to return us all into a higher conscious love, you will get helpful insight on how to handle your ascension process and learn what to do during your awakening as discovered by Venus to help with the ascension. This book will help to understand not only about the twin-flame union but also the very powerful awakenings and shifts that happened on 11/11/11 by the god and goddess of the universe to awaken the twin flames, which was a huge portal that opened up to usher in and bring together the new wave of twins and bring them back into their divine and sacred unions all over the earth. Everyone around the world felt this huge shift take place in some way but did not know the reason for what had occurred. The shifting continues to take place today because of the energy that is here, which is twin-flame energy. You will learn what it was like for me and the occurrences that happened from that period through the present and who the twins are as already ascended beings. Their mission in coming together is to bring love and light through our unique talents and individual gifts we share together, and it is needed at this point in time and has been expected for the good of humanity. We bring higher levels of conscious awareness as multidimensional beingsa new paradigm shift. You will learn about our journeys together and apart as we’ve taken on the struggles of life and awakened to who we are while in this physical reality. You will also learn about the seven basic chakras within the outer (etheric) or subtle body and how it is used to connect to open communication portals within the twins. Also the awakenings taking place will help push us forward in spiritual evolution not only for ourselves but to help others all over the planet. Twin flames for a higher-consciousness love is a walk into divinity.
- 🔖 **Severance** Jess Anastasi,2011-03-13 Nakita Branson made a deal with a demon to rescue her best friend. But when things don’t go the demon’s way, he dumps her off on a derelict spacestation with no money and no way of getting home.A year later, Nakita is still searching for her friend, but finds trouble instead. And the only thing worse than the possibility of getting killed by a fanatical jerk? A familiar green-eyed demon turning up just in time to save her.Alastor is back with news that the contract they agreed to is still intact, and until he can find a way to break it, he is compelled to protect her.The last thing Nakita wants to do is go anywhere with the demon who has a history of screwing her over. Not only that, but when he looks at her with that emerald gaze, intense enough to burn, she feels something she shouldn’t for the gorgeous demon.With the demon monarchy in chaos and enemies all over the universe, they are forced to rely on each other while unraveling the mystery of two sacred relics, and the contract that still binds them.But, by the time Alastor and Nakita find a way to sever their deal, the idea of being apart may no longer be what either of them wants.

- 🔖 **Into the Flames** Robert L. Ritchey,compiled by Sandi L. (Ritchey) Hilderman,2022-01-15 Bob Ritchey enjoyed being a wildland firefighter and EMT. He fought fire all over Montana, big and small, from Yellowstone Park to Glacier Park. One day, he and his crew got a routine call to check out some smoke, so Bob and Joe, one of his crew members, loaded up in the truck and drove to the location. It was a small fire, so Bob proceeded to walk around it to get information for Harlowton headquarters so they would know what type of equipment was needed to put out the fire. But today was not to be routine. Suddenly, the fire blew up; it surrounded Bob on all sides. When he realized that he was trapped by the fire, he had to count on God and his training to save his own life. What happened next and how he dealt with it are detailed in this book.
- 🔖 **Fighting the Flames** R. M. Ballantyne,2015-03-10 [...] “Be careful, Matty,” said Mrs Rose gently. “It’s all owin’ to haste. Take your time, an’ you won’t do such things.” Matty apologised, picked up the materials, and laid the fire. Then she took her apron and approached the writing-table, evidently with the intention of taking the dust off the corners, but not by any means intending to touch the books or papers. “Stop!” cried Mrs Rose sternly. Matty stopped with a guilty look.[...].
- 🔖 **Fighting the Flames** R. M. Ballantyne,2014-04-14 One’s own fireside is, to all well-regulated minds, a pleasant subject of contemplation when one is absent, and a source of deep gratification when present.Especially may this be said to be the case in a cold, raw night in November, when mankind has a tendency to become chronically cross out of doors, and nature, generally, looks lugubrious; for, just in proportion as the exterior world grows miserably chill, the world “at home,” with its blazing gas, its drawn curtains, its crackling fires, and its beaming smiles, becomes doubly comfortable and cosy.Even James Auberly, pompous, stern, and ungenial though he was, appeared to entertain some such thoughts, as he sat by his own fireside, one such night, in his elegant mansion in Beverly Square, Euston Road, London; and smiled grimly over the top of the Times newspaper at the fire.Mr Auberly always smiled—when he condescended to smile—grimly. He seldom laughed; when he did so he did it grimly too. In fact, he was a grim man altogether; a gaunt, cadaverous, tall, careworn, middle-aged man—also a great one. There could be no question as to that; for, besides being possessed of wealth, which, in the opinion of some minds, constitutes greatness, he was chairman of a railway company, and might have changed situations with the charwoman who attended the head office of the same without much difference being felt. He was also a director of several other companies, which, fortunately for them, did not appear to require much direction in the conduct of their affairs.
- 🔖 **The Fire That Changed Everything** Russell Ashe,2017-12-05 On December 17, 2005, the city of Barre lost four kids and their mom in the worst fire the city has ever had. Just before Christmas in an apartment protected by three working smoke detectors, this family never got out. In fact, this family never even knew there was a fire until it was too late. The only person able to get out was only able to by chance. Of all the things this individual said after the fire, most disturbing was the lack of any smoke alarms sounding. An apartment full of toxic smoke with working smoke alarms and yet they all remained silent. That morning was filled with devastation, triumph, acts of incredible heroism and bravery, an injured firefighter and four others almost making the ultimate sacrifice. Everyone who was there had their own lives torn apart and will never be the same again. This fire rocked our community to its core and yet it’s a scenario that is played out all over the world. In the months that followed this fire, we learned why the smoke alarms didn’t sound. We also learned why smoke alarms all over the world will not sound today, leaving all the occupants in extreme danger should their home burn. This is not only a story about some of the greatest men and women on the face of this earth, but a tribute to the victims from that morning. Inside, you will learn what they didn’t know so that you can protect your family from the risk of fire. At the end of the day, these people will have died so that you may live.

- 🔖 **Revenge of the Lobster Lover** Hilary MacLeod,2010-10-01 Folks in a fishing village squabble over seafood, and the net result may be murder: “A terrific writer with a sly wit.” —Anne Emery, Arthur Ellis Award-winning author of the Collins-Burke Mysteries Hyacinth “Hy” McAllister lives at The Shores, a remote Canadian fishing village, and lobster season has arrived. But the founder of the Lobster Liberation Legion has also arrived, and the lobster-rights activists are springing the shellfish from their traps. The locals are not happy—and the situation is about to boil over . . . “[An] amusing comic mystery.” —The Globe and Mail “MacLeod’s droll humor helps propel her story.” —The Montreal Gazette “Once Revenge of the Lobster Lover gets its claws into you, you won’t put it down . . . This novel is full of colorful characters, creepy crustaceans, and complex criminality. It’s suspenseful, yet often laugh-out-loud funny.” —Mary Jane Maffini, Arthur Ellis Award-winning author of the Charlotte Adams series
- 🔖 **The Flames** William Olaf Stapledon,2020-04-09 Dear Thos, My present address is bound to prejudice you against me, but do please reserve judgment until you have read this letter. No doubt most of us in this comfortable prison think we ought to be at large, and most are mistaken. But not all, so for God’s sake keep an open mind. I am not concerned for myself. They treat me well here, and I can carry on my research in para-nornnal and super-normal psychology as well here as anywhere, since I am used to being my own guinea-pig. But by accident (yet it was really no accident at all, as you will learn) I have come into momentous knowledge; and if mankind is to be saved from a prodigious and hitherto entirely unforeseen disaster, the facts must somehow be made known.So I urge you to publish this letter as soon as possible. Of course I realize that its only chance is to be accepted by some publisher as flction; but I have a hope that, even as fiction,

IT WILL TAKE EFFECT. IT WILL BE ENOUGH IF I CAN ROUSE THOSE WHO HAVE SUFFICIENT IMAGINATIVE INSIGHT TO DISTINGUISH BETWEEN MERE FICTION AND STARK TRUTH PARADED AS FICTION. MY ONLY DOUBT IS AS TO WHETHER ANY PUBLISHER WILL ACCEPT MY STORY EVEN AS FICTION. I AM NO WRITER; AND PEOPLE ARE MORE INTERESTED IN CLEVER YARNS OF LOVE OR CRIME THAN IN MATTERS THAT LIE BEYOND THE FAMILIAR HORIZON. AS FOR THE LITERARY CRITICS, WITH A FEW BRILLIANT EXCEPTIONS, THEY SEEM TO BE FAR MORE CONCERNED TO MAINTAIN THEIR OWN REPUTATIONS AS CONNOSCENTI THAN TO CALL ATTENTION TO NEW IDEAS

📖 **FIRE IN THE HEART** MARY EMERICK,2017-09-05 FIRE IN THE HEART IS A POWERFUL MEMOIR BY A WOMAN, ONCE A SHY, INSECURE SCHOOLGIRL, WHO REINVENTED HERSELF AS A PROFESSIONAL WILDLAND FIRE FIGHTER. DETERMINED TO FORGE HERSELF INTO A STRONGER, BRAVER PERSON, MARY CLIMBS TO NEW HEIGHTS FOR A WOMAN IN THE FIELD IN THE 90s, EVENTUALLY BECOMING A TEAM COMMANDER OF A FLORIDA WILDFIRE DIVISION. FILLED WITH LITERAL STRUGGLES FOR SURVIVAL, TOUGH CHOICES AND MARY’S BURNING PASSION FOR WHAT SHE DOES, FIRE IN THE HEART, IS AN UNFLINCHING ACCOUNT OF ONE WOMAN’S RELATIONSHIP WITH FIRE. BUT WHEN SHE LOSES SOMEONE SHE LOVES TO THE FAMOUS STORM KING MOUNTAIN FOREST FIRE IN COLORADO, WHICH KILLED FOURTEEN FIREFIGHTERS, MARY FACES THE HARDEST CHOICE OF HER LIFE; TO STAY IN THE GAME OR TURN BACK AND TRY TO FIND THE WOMAN SHE USED TO BE. IT IS BOTH A THRILLING MEMOIR ABOUT LIFE-THREATENING WORK AND A MEDITATION ON IDENTITY, STRENGTH, BRAVERY, BONDS, AND SURVIVOR’S GUILT.
