How to Meditate Pema Chödrön, 2021-10-26 “When something is bothering you—a person is bugging you, a situation is irritating you, or physical pain is troubling you—you must work with your mind, and that is done through meditation. Working with our mind is the only means through which we’ll actually begin to feel happy and contented with the world that we live in.” —Pema Chödrön Pema Chödrön is treasured around the world for her unique ability to transmit teachings and practices that bring peace, understanding, and compassion into our lives. With *How to Meditate*, the American-born Tibetan Buddhist nun presents her first book exploring in depth what she considers the essentials for a lifelong practice. More and more people are beginning to recognize a profound inner longing for authenticity, connection, and aliveness. Meditation, Pema explains, gives us a golden key to address this yearning. This step-by-step guide shows readers how to honestly meet and openly relate with the mind, embrace the fullness of our experience, and live in a wholehearted way as we discover: - The basics of meditation, from getting settled and the six points of posture to working with your breath and cultivating an attitude of unconditional friendliness - The Seven Delights—how moments of difficulty can become doorways to awakening and love - Shamatha (or calm abiding), the art of stabilizing the mind to remain present with whatever arises - Thoughts and emotions as “sheer delight”—instead of obstacles—in meditation “I think ultimately why we practice is so that we can become completely loving people, and this is what the world needs,” writes Pema Chödrön. *How to Meditate* is an essential book from this wise teacher to assist each one of us in this virtuous goal.

How to Live Henry Alford, 2009-01-02 In this witty guide for seekers of all ages, author Henry Alford seeks instant enlightenment through conversations with those who have lived long and lived well. Armed with recent medical evidence that supports the cliché that older people are, indeed, wiser, Alford sets off to interview people over 70—some famous (Phyllis Diller, Harold Bloom, Edward Albee), some accomplished (the world’s most-quoted author, a woman who walked across the country at age 89 in support of campaign finance reform), some unusual (a pastor who thinks napping is a form of prayer, a retired aerospace engineer who eats food out of the garbage.) Early on in the process, Alford interviews his 79 year-old mother and step-father, and inadvertently changes the course of their 36 year-long union. Part family memoir, part Studs Terkel, *How To Live* considers some unusual sources—deathbed confessions, late-in-life journals—to deliver a highly optimistic look at our dying days. By showing that life after 70 is the fulfillment of, not the end to, life’s questions and trials, *How to Live* delivers that most unexpected punch: it makes you actually want to get older.

Black and Buddhist Cheryl A. Giles, Pamela Ayo Yetunde, 2020-12-08 Gold Nautilus Book Award Winner Leading African American Buddhist teachers offer lessons on racism, resilience, spiritual freedom, and the possibility of a truly representative American Buddhism. The resulting explorations display not only the promise of Buddhist teachings to empower those facing racial discrimination but also the way that Black Buddhist voices are enriching the Dharma for all practitioners. Mastering the Core Teachings of the Buddha Daniel Ingram, 2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. It’s easy to feel overawed, at first, by Ingram’s assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and compassionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding new sections that bring further clarity to his ideas.

Brown Girls Daphne Palasi Andreades,2022-01-04 NEW YORK TIMES EDITORS’ CHOICE • A “boisterous and infectious debut novel” (The Guardian) about a group of friends and their immigrant families from Queens, New York—a tenderly observed, fiercely poetic love letter to a modern generation of brown girls. “An acute study of those tender moments of becoming, this is an ode to girlhood, inheritance, and the good trouble the body yields.”—Raven Leilani, author of Luster FINALIST: The New American Voices Award, The Carol Shields Prize for Fiction, The VCU Cabell First Novelist Award, The New American Voices Award, The Center for Fiction First Novel Prize ONE OF THE BEST BOOKS OF THE YEAR: PopSugar, Kirkus Reviews If you really want to know, we are the color of 7-Eleven root beer. The color of sand at Rockaway Beach when it blisters the bottoms of our feet. Color of soil . . . Welcome to Queens, New York, where streets echo with languages from all over the globe, subways rumble above dollar stores, trees bloom and topple over sidewalks, and the funky scent of the Atlantic Ocean wafts in from Rockaway Beach. Within one of New York City’s most vibrant and eclectic boroughs, young women of color like Nadira, Gabby, Naz, Trish, Angelique, and countless others, attempt to reconcile their immigrant backgrounds with the American culture in which they come of age. Here, they become friends for life—or so they vow. Exuberant and wild, together they roam The City That Never Sleeps, sing Mariah Carey at the tops of their lungs, yearn for crushes who pay them no mind—and break the hearts of those who do—all while trying to heed their mothers’ commands to be obedient daughters. But as they age, their paths diverge and rifts form between them, as some choose to remain on familiar streets, while others find themselves ascending in the world, beckoned by existences foreign and seemingly at odds with their humble roots. A blazingly original debut novel told by a chorus of unforgettable voices, Brown Girls illustrates a collective portrait of childhood, adulthood, and beyond, and is a striking exploration of female friendship, a powerful depiction of women of color attempting to forge their place in the world today. For even as the conflicting desires of ambition and loyalty, freedom and commitment, adventure and stability risk dividing them, it is to one another—and to Queens—that the girls ultimately return.

The Art of Solitude Stephen Batchelor,2020-02-18 In a time of social distancing and isolation, a meditation on the beauty of solitude from renowned Buddhist writer Stephen Batchelor “Whatever a soul is, the author goes a long way toward soothing it. A very welcome instance of philosophy that can help readers live a good life.”—Kirkus Reviews “Elegant and formally ingenious.”—Geoff Wisner, Wall Street Journal When world renowned Buddhist writer Stephen Batchelor turned sixty, he took a sabbatical from his teaching and turned his attention to solitude, a practice integral to the meditative traditions he has long studied and taught. He aimed to venture more deeply into solitude, discovering its full extent and depth. This beautiful literary collage documents his multifaceted explorations. Spending time in remote places, appreciating and making art, practicing meditation and participating in retreats, drinking peyote and ayahuasca, and training himself to keep an open, questioning mind have all contributed to Batchelor’s ability to be simultaneously alone and at ease. Mixed in with his personal narrative are inspiring stories from solitude’s devoted practitioners, from the Buddha to Montaigne, from Vermeer to Agnes Martin. In a hyperconnected world that is at the same time plagued by social isolation, this book shows how to enjoy the inescapable solitude that is at the heart of human life.

Zen Mind, Beginner’s Mind Shunryu Suzuki,2020-06-02 Named one of the 100 Best Spiritual Books of the Twentieth Century (Spirituality & Practice) A 50th Anniversary edition of the bestselling Zen classic on meditation, maintaining a curious and open mind, and living with simplicity. In the beginner’s mind there are many possibilities, but in the expert’s there are few. So begins this most beloved of all American Zen books. Seldom has such a small handful of words provided a teaching as rich as has this famous opening line. In a single stroke, the simple sentence cuts through the pervasive tendency students have of getting so close to Zen as to completely miss what it’s all about. It is an instant teaching on the first page--and that’s just the beginning. In the fifty years since its original publication, Zen Mind, Beginner’s Mind has become one of the great modern spiritual classics, much beloved, much reread, and much recommended as the best first book to read on Zen. Suzuki Roshi presents the basics--from the details of posture and breathing in zazen to the perception of nonduality--in a way that is not only remarkably clear, but that also resonates with the joy of insight from the first to the last page.

101 Zen Stories Nyogen Senzaki,1940 There was an old woman in China who had supported a monk for over twenty years. She had built a little hut for him and fed him while he was meditating. Finally she wondered just what progress he had made in all this time. To find out, she obtained the help of a girl rich in desire. “Go and embrace him,” she told her, “and then ask him suddenly: ‘What now?’” The girl called upon the monk and without much ado caressed him, asking him what he was going to do about it. “An old tree grows on a cold rock in winter,” replied the monk somewhat poetically. “Nowhere is there any warmth.” The girl returned and related what he had said. “To think I fed that fellow for twenty years!” exclaimed the old woman in anger. “He showed no consideration for your need, no disposition to explain your condition. He need not have responded to passion, but at least he could have evidenced some compassion.”

She at once went to the hut of the monk and burned it down. This Zen classic includes the following stories: 1. A Cup of Tea 2. Finding a Diamond on a Muddy Road 3. Is That So? 4. Obedience 5. That's true for this novel, too."—The Dallas Morning News
