The Flashlight Alec Yates,2016-08-29 A group of children finds an abandoned house. They go inside to explore, go upstairs and find a large trunk, open it up, and find documents and a flashlight. They turn it on. They realize its not just another flashlight. They go through the portal, search for the inventor, find him, return the flashlight, and come home.

Flashlight Night Matt Forrest Esenwine,2017-09-19 Flashlight Night is an ode to the power of imagination and the wonder of books. Three children use a flashlight to light a path around their backyard at night; in the flashlight's beam another world looms. Our heroes encounter spooky woods, a fearsome tiger, a time-forgotten tomb, an Egyptian god, a sword-fighting pirate, and a giant squid. With ingenuity, they vanquish all, then return to their tree house—braver, closer, and wiser than before—to read the books that inspired their adventure.

Google claims it to be the best phone ever with built-in Google Assistant and support for Google's Daydream VR platform. Google's claim of having the best camera ever in Google pixel isn't unfounded. With little difference in specs for Pixel and Pixel XL, you can't go wrong either way.

**Flashlight Night** Elisabeth Hasselbeck,2021-02-02 NATIONAL BESTSELLER • In her first picture book, New York Times bestselling author and mother of three Elisabeth Hasselbeck reminds us that little hearts can be anxious too—and that God is always listening to their prayers. Flashlight Night is narrated by a boy whose parents have used chalkboard paint to create a wall where he and his siblings can write out all their fears, cares, and concerns: Will I learn to blow a bubble? Tie my shoes? Stay out of trouble? Be the friend they choose? The boy shares the wall with a friend, who records her own prayers. Later, they visit the chalkboard wall at dusk with a flashlight. The boy's mom shines the light on some prayers and turns it off at other times, pointing out that their prayers (and the children's faith) are still there, even in the dark, and that God hears every request. Mom says, Sometimes we see God's yes, and other times we don't. But just because it hasn't happened, doesn't mean it won't. Even when it's dark and dim and when we cannot see, let's choose to place our trust in God. He's close to you and me.

*Frankie And The Flashlight* L. E. Altschuler,2019-02-19 Frankie has a fear. A fear of the terrible monsters that hide in the dark. It's a good thing he has his dad to scare them away. The trick is his special flashlight. The flashlight illuminates the dark and makes sure the monsters aren't there. Frankie never thought he would be brave enough to scare away the monsters like his dad. However, one day, everything changes.

Repetitive, rhyming text to help young children learn rhythm and tone. Clever windows throughout reveal hidden animals when the flashlight is inserted.
